Statutory Notes and Related Subsidiaries**SHORT TITLE**

Pub. L. 111-139, title I, § 1, Feb. 12, 2010, 124 Stat. 8, provided that: “This title [enacting this chapter and amending sections 639, 900, 905, and 906 of this title] may be cited as the ‘Statutory Pay-As-You-Go Act of 2010’.”

§ 932. Definitions and applications

As used in this chapter—

(1) The term “BBEDCA” means the Balanced Budget and Emergency Deficit Control Act of 1985.

(2) The definitions set forth in section 622 of this title and in section 250 of BBEDCA [2 U.S.C. 900] shall apply to this chapter, except to the extent that they are specifically modified as follows:

(A) The term “outyear” means a fiscal year one or more years after the budget year.

(B) In section 250(c)(8)(C) [2 U.S.C. 900(c)(8)(C)], the reference to the food stamp program shall be deemed to be a reference to the Supplemental Nutrition Assistance Program.

(3) The term “AMT” means the Alternative Minimum Tax for individuals under sections 55-59 of title 26, the term “EGTRRA” means the Economic Growth and Tax Relief Reconciliation Act of 2001 (Public Law 107-16), and the term “JGTRRA” means the Jobs and Growth Tax Relief and¹ Reconciliation Act of 2003 (Public Law 108-27).

¹ So in original. The word “and” probably should not appear.

(4)(A) The term “budgetary effects” means the amount by which PAYGO legislation changes outlays flowing from direct spending or revenues relative to the baseline and shall be determined on the basis of estimates prepared under section 933 of this title. Budgetary effects that increase outlays flowing from direct spending or decrease revenues are termed “costs” and budgetary effects that increase revenues or decrease outlays flowing from direct spending are termed “savings”. Budgetary effects shall not include any costs associated with debt service.

(B) For purposes of these definitions, off-budget effects shall not be counted as budgetary effects.

(C) Solely for purposes of recording entries on a PAYGO scorecard, provisions in appropriation Acts are also considered to be budgetary effects for purposes of this chapter if such provisions make outyear modifications to substantive law, except that provisions for which the outlay effects net to zero over a period consisting of the current year, the budget year, and the 4 subsequent years shall not be considered budgetary effects. For purposes of this paragraph, the term, “modifications to substantive law” refers to changes to or restrictions on entitlement law or other mandatory spending contained in appropriations Acts, notwithstanding section 250(c)(8) of BBEDCA [2 U.S.C. 900(c)(8)]. Provisions in appropriations Acts that are neither outyear modifications to substantive law nor changes in revenues have no budgetary effects for purposes of this chapter.

(5) The term “debit” refers to the net total amount, when positive, by which costs recorded on the PAYGO scorecards for a fiscal year exceed savings recorded on those scorecards for that year.

(6) The term “entitlement law” refers to a section of law which provides entitlement authority.

(7) The term “PAYGO legislation” or a “PAYGO Act” refers to a bill or joint resolution that affects direct spending or revenue relative to the baseline. The budgetary effects of changes in revenues and outyear modifications to substantive law included in appropriation Acts as defined in paragraph (4) shall be treated as if they were contained in PAYGO legislation or a PAYGO Act.

(8) The term “timing shift” refers to a delay of the date on which outlays flowing from direct spending would otherwise occur from the ninth outyear to the tenth outyear or an acceleration of the date on which revenues would otherwise occur from the tenth outyear to the ninth outyear.

§ 933. PAYGO estimates and PAYGO scorecards

(a) PAYGO estimates

(1) Required designation in PAYGO Acts

(A) House of Representatives

To establish the budgetary effects of a PAYGO Act consistent with the determination made by the Chairman of the House Budget Committee, a PAYGO Act originated in or amended by the House of Representatives may include the following statement: “The budgetary effects of this Act, for the purpose of complying with the Statutory Pay-As-You-Go-Act¹ of 2010, shall be determined by reference to the latest statement titled ‘Budgetary Effects of PAYGO Legislation’ for this Act, submitted for printing in the Congressional Record by the Chairman of the House Budget Committee, provided that such statement has been submitted prior to the vote on passage.”.

(B) Senate

To establish the budgetary effects of a PAYGO Act consistent with the determination made by the Chairman of the Senate Budget Committee, a PAYGO Act originated in or amended by the Senate shall include the following statement: “The budgetary effects of this Act, for the purpose of complying with the Statutory Pay-As-You-Go-Act¹ of 2010, shall be determined by reference to the latest statement titled ‘Budgetary Effects of PAYGO Legislation’ for this Act, submitted for printing in the Congressional Record by the Chairman of the Senate Budget Committee, provided that such statement has been submitted prior to the vote on passage.”.

(C) Conference reports and amendments between the Houses

Houses on a PAYGO Act, which if estimated shall be estimated jointly by the Chairmen of the House and Senate Budget Committees, the conference report or amendment between the Houses shall include the following statement: “The budgetary effects of this Act, for the purpose of complying with the Statutory Pay-As-You-Go-Act¹ of 2010, shall be determined by reference to the latest statement titled ‘Budgetary Effects of PAYGO Legislation’ for this Act, jointly submitted for printing in the Congressional Record by the Chairmen of the House and Senate Budget Committees, provided that such statement has been submitted prior to the vote on passage in the House acting first on this conference report or amendment between the Houses.”.

(2) Determination of budgetary effects of PAYGO Acts

(A) Original legislation

(i) Statement and estimate

Prior to a vote on passage of a PAYGO Act originated or amended by one House, the Chairman of the Budget Committee of that House may submit for printing in the Congressional Record a statement titled “Budgetary Effects of PAYGO Legislation” which shall include an estimate of the budgetary effects of that Act, if available prior to passage of the Act by that House and shall submit, if applicable, an identification of any current policy adjustments made pursuant to section 936 of this title. The timely submission of such a statement, in conjunction with the appropriate designation made pursuant to paragraph (1)(A) or (1)(B), as applicable, shall establish the budgetary effects of the PAYGO Act for the purposes of this Act.

(ii) Effect

The latest statement submitted by the Chairman of the Budget Committee of that House prior to passage shall supersede any prior statements submitted in the Congressional Record and shall be valid only if the PAYGO Act is not further amended by either House.

(iii) Failure to submit estimate

If—

(I) the estimate required by clause (i) has not been submitted prior to passage by that House;

(II) such estimate has been submitted but is no longer valid due to a subsequent amendment to the PAYGO Act; or

(III) the designation required pursuant to this subsection has not been made;

the budgetary effects of the PAYGO Act shall be determined under subsection (d)(3), provided that this clause shall not apply if a valid designation is subsequently included in that PAYGO Act pursuant to paragraph (1)(C) and a statement is submitted pursuant to subparagraph (B).

(B) Conference reports and amendments between Houses

(i) In general

Prior to the adoption of a report of a committee of conference on a PAYGO Act in either House, or disposition of an amendment to an amendment between Houses on a PAYGO Act, the Chairmen of the Budget Committees of the House and Senate may jointly submit for printing in the Congressional Record a statement titled “Budgetary Effects of PAYGO Legislation” which shall include an estimate of the budgetary effects of that Act if available prior to passage of the Act by the House acting first on the legislation and shall submit, if applicable, an identification of any current policy adjustments made pursuant to section 936 of this title. The timely submission of such a statement, in conjunction with the appropriate designation made pursuant to paragraph (1)(C), shall establish the budgetary effects of the PAYGO Act for the purposes of this Act.

(ii) Failure to submit estimate

If such estimate has not been submitted prior to the adoption of a report of a committee of conference by either House, or if the designation required pursuant to this subsection has not been made, the budgetary effects of the PAYGO Act shall be determined under subsection (d)(3).

(3) Procedure in the Senate

In the Senate, upon submission of a statement titled “Budgetary Effects of PAYGO Legislation” by the Chairman of the Senate Budget Committee for printing in the Congressional Record, the Legislative Clerk shall read the statement.

(4) Jurisdiction of the Budget Committees

For the purposes of enforcing section 637 of this title, a designation made pursuant to paragraph (1)(A), (1)(B), or (1)(C), that includes only the language specifically prescribed therein, shall not be considered a matter within the jurisdiction of either the Senate or House Committees on the Budget.

(b) Omitted

(c) Current policy adjustments for certain legislation

(1) In general

For any provision of legislation that meets the criteria in subsection (c), (d), (e) or (f) of section 936 of this title, the Chairs of the Committees on the Budget of the House and Senate, as applicable, shall request that CBO adjust the estimate of budgetary effects of that legislation pursuant to paragraph (2) for the purposes of this chapter. A single piece of legislation may contain provisions that meet criteria in more than one of the subsections referred to in the preceding sentence. CBO shall adjust estimates for legislation designated under subsection (a) and estimated under subsection (b). OMB shall adjust estimates for legislation estimated under subsection (d)(3).

(2) Adjustments**(A) Estimates**

CBO or OMB, as applicable, shall exclude from the estimate of budgetary effects any budgetary effects of a provision that meets the criteria in subsection (c), (d), (e) or (f) of section 936 of this title, to the extent that those budgetary effects, when combined with all other excluded budgetary effects of any other previously designated provisions of enacted legislation under the same subsection of section 936 of this title, do not exceed the maximum applicable current policy adjustment defined under the applicable subsection of section 936 of this title for the applicable 10-year period.

(B) Baseline

Any estimate made pursuant to subparagraph (A) shall be prepared using baseline estimates supplied by the Congressional Budget Office, consistent with section 907 of this title. CBO estimates of legislation adjusted for current policy shall include a separate presentation of costs excluded from the calculation of budgetary effects for the legislation, as well as an updated total of all excluded costs of provisions within subsection (c), (d), or (e) of section 936 of this title, as applicable, and in the case of paragraph (1) of section 936(f) of this title, within any of the subparagraphs (A) through (L) of such paragraph, as applicable.

(3) Limitation on availability of excess savings**(A) Prohibition on use of excess saving² for ineligible policies**

To the extent the adjustment for current policy of any provision estimated under this subsection exceeds the estimated budgetary effects of that provision, these excess savings shall not be available to offset the costs of any provisions not otherwise eligible for a current policy adjustment under section 936 of this title, and shall not be counted on the PAYGO scorecards established pursuant to subsections (d)(4) and (d)(5).

(B) Prohibition on use of excess savings across budget areas

For provisions eligible for a current policy adjustment under subsections (c) through (f) of section 936 of this title, to the extent the adjustment for current policy of any provision exceeds the estimated budgetary effects of that same provision, the excess savings shall be available only to offset the costs of other provisions that qualify for a current policy adjustment in that same subsection. Each paragraph in section 936(f)(1) of this title shall be considered a separate subsection for purposes of this section.

(4) Further guidance on estimating budgetary effects

Estimates of budgetary effects under this subsection shall be consistent with the guidance provided at section 936(h) of this title.

(5) Inclusion of statement

For PAYGO legislation adjusted pursuant to section 936 of this title, the Chairman of the

House or Senate Budget Committee, as applicable, shall include in any statement titled “Budgetary Effects of PAYGO Legislation”, submitted for that legislation pursuant to this section, an explanation of the current policy designation and adjustments.

(d) OMB PAYGO scorecards**(1) In general**

OMB shall maintain and make publicly available a continuously updated document containing two PAYGO scorecards displaying the budgetary effects of PAYGO legislation as determined under section 639 of this title, applying the look-back requirement in subsection (e) and the averaging requirement in subsection (f), and a separate addendum displaying the estimates of the costs of provisions designated in statute as emergency requirements.

(2) Estimates in legislation

Except as provided in paragraph (3), in making the calculations for the PAYGO scorecards, OMB shall use the budgetary effects included by reference in the applicable legislation pursuant to subsection (a).

(3) OMB PAYGO estimates

If a PAYGO Act does not contain a valid reference to its budgetary effects consistent with subsection (a), OMB shall estimate the budgetary effects of that legislation upon its enactment. The OMB estimate shall be based on the approaches to scorekeeping set forth in section 639 of this title, as amended by this title,³ and subsection (g)(4), and shall use the same economic and technical assumptions as used in the most recent budget submitted by the President under section 1105(a) of title 31.

(4) 5-year scorecard

The first scorecard shall display the budgetary effects of PAYGO legislation in each year over the 5-year period beginning in the budget year.

(5) 10-year scorecard

The second scorecard shall display the budgetary effects of PAYGO legislation in each year over the 10-year period beginning in the budget year.

(6) Community Living Assistance Services and Supports Act

Neither scorecard maintained by OMB pursuant to this subsection shall include net savings from any provisions of legislation titled “Community Living Assistance Services and Supports Act”, which establishes a Federal insurance program for long-term care, if such legislation is enacted into law, or amended, subsequent to February 12, 2010.

(e) Look-back to capture current-year effects

For purposes of this section, OMB shall treat the budgetary effects of PAYGO legislation enacted during a session of Congress that occur during the current year as though they occurred in the budget year.

² So in original. Probably should be “savings”.

³ See References in Text note below.

(f) Averaging used to measure compliance over 5-year and 10-year periods

OMB shall cumulate the budgetary effects of a PAYGO Act over the budget year (which includes any look-back effects under subsection (e)) and—

(1) for purposes of the 5-year scorecard referred to in subsection (d)(4), the four subsequent outyears, divide that cumulative total by five, and enter the quotient in the budget-year column and in each subsequent column of the 5-year PAYGO scorecard; and

(2) for purposes of the 10-year scorecard referred to in subsection (d)(5), the nine subsequent outyears, divide that cumulative total by ten, and enter the quotient in the budget-year column and in each subsequent column of the 10-year PAYGO scorecard.

(g) Emergency legislation

(1) Designation in statute

If a provision of direct spending or revenue legislation in a PAYGO Act is enacted as an emergency requirement that the Congress so designates in statute pursuant to this section, the amounts of new budget authority, outlays, and revenue in all fiscal years resulting from that provision shall be treated as an emergency requirement for the purposes of this Act.

(2) Designation in the House of Representatives

If a PAYGO Act includes a provision expressly designated as an emergency for the purposes of this chapter, the Chair shall put the question of consideration with respect thereto.

(3) Point of order in the Senate

(A) In general

When the Senate is considering a PAYGO Act, if a point of order is made by a Senator against an emergency designation in that measure, that provision making such a designation shall be stricken from the measure and may not be offered as an amendment from the floor.

(B) Supermajority waiver and appeals

(i) Waiver

Subparagraph (A) may be waived or suspended in the Senate only by an affirmative vote of three-fifths of the Members, duly chosen and sworn.

(ii) Appeals

Appeals in the Senate from the decisions of the Chair relating to any provision of this subsection shall be limited to 1 hour, to be equally divided between, and controlled by, the appellant and the manager of the bill or joint resolution, as the case may be. An affirmative vote of three-fifths of the Members of the Senate, duly chosen and sworn, shall be required to sustain an appeal of the ruling of the Chair on a point of order raised under this subsection.

(C) Definition of an emergency designation

For purposes of subparagraph (A), a provision shall be considered an emergency des-

ignation if it designates any item as an emergency requirement pursuant to this subsection.

(D) Form of the point of order

A point of order under subparagraph (A) may be raised by a Senator as provided in section 644(e) of this title.

(E) Conference reports

When the Senate is considering a conference report on, or an amendment between the Houses in relation to, a PAYGO Act, upon a point of order being made by any Senator pursuant to this section, and such point of order being sustained, such material contained in such conference report shall be deemed stricken, and the Senate shall proceed to consider the question of whether the Senate shall recede from its amendment and concur with a further amendment, or concur in the House amendment with a further amendment, as the case may be, which further amendment shall consist of only that portion of the conference report or House amendment, as the case may be, not so stricken. Any such motion in the Senate shall be debatable. In any case in which such point of order is sustained against a conference report (or Senate amendment derived from such conference report by operation of this subsection), no further amendment shall be in order.

(4) Effect of designation on scoring

If a provision is designated as an emergency requirement under this Act, CBO or OMB, as applicable, shall not include the budgetary effects of such a provision in its estimate of the budgetary effects of that PAYGO legislation.

§ 935. Calculating a sequestration

(a) Reducing nonexempt budgetary resources by a uniform percentage

(1) In general

OMB shall calculate the uniform percentage by which the budgetary resources of non-exempt direct spending programs are to be sequestered such that the outlay savings resulting from that sequestration, as calculated under subsection (b), shall offset the budget-

year debit, if any, on the applicable PAYGO scorecard. If the uniform percentage calculated under the prior sentence exceeds 4 percent, the Medicare programs described in section 906(d) of this title shall be reduced by 4 percent and the uniform percentage by which the budgetary resources of all other non-exempt direct spending programs are to be sequestered shall be increased, as necessary, so that the sequestration of Medicare and of all other nonexempt direct spending programs together produce the required outlay savings.

(2) Programs and activities in unified budget only

Subject to the exemptions set forth in section 11,¹ OMB shall determine the uniform percentage required under paragraph (1) with respect to programs and activities contained in the unified budget only.

(b) Outlay savings

In determining the amount by which a sequestration offsets a budget-year debit, OMB shall count—

(1) the amount by which the sequestration in a crop year of crop support payments, pursuant to section 906(j) of this title, reduces outlays in the budget year and the subsequent fiscal year;

(2) the amount by which the sequestration of Medicare payments in the 12-month period following the sequestration order, pursuant to section 906(d) of this title, reduces outlays in the budget year and the subsequent fiscal year; and

(3) the amount by which the sequestration in the budget year of the budgetary resources of other nonexempt mandatory programs reduces outlays in the budget year and in the subsequent fiscal year.

(c) Medicare payments to physicians

(1) Criteria

Legislation that includes provisions amending or superseding the system for updating payments under subsections (d) and (f) of section 1395w-4 of title 42 shall trigger the current policy adjustment required by this chapter.

(2) Adjustment

The amount of the maximum current policy adjustment shall be the difference between—

(A) estimated net outlays attributable to the payment rates and related parameters in accordance with subsections (d) and (f) of section 1395w-4 of title 42 (as scheduled on December 31, 2009, to be in effect); and

(B) what those net outlays would have been if—

(i) the nominal payment rates and related parameters in effect for 2009 had been in effect through December 31, 2014, without change; and

(ii) thereafter, the nominal payment rates and related parameters described in subparagraph (A) had applied and the assumption described in clause (i) had never applied.

(3) Limitation

If the provisions in the legislation that cause it to meet the criteria in paragraph (1) cover a time period that ends before December 31, 2014, subject to the maximum adjustment provided for under paragraph (2), the amount of each current policy adjustment made pursuant to this section shall be limited to the difference between—

(A) estimated net outlays attributable to the payment rates and related parameters specified in section 1395w-4 of title 42 (as scheduled on December 31, 2009, to be in effect for the period of time covered by the relevant provisions of the eligible legislation); and

(d) Estate and Gift Tax

(1) Criteria

(2) Adjustment

The amount of the maximum current policy adjustment shall be the difference between—

(A) total revenues projected to be collected under title 26 (as scheduled on December 31, 2009, to be in effect); and

(B) what those revenue collections would have been if, on the date of enactment of the legislation meeting the criteria in paragraph (1), estate and gift tax law had instead been amended so that the tax rates, nominal exemption amounts, and related parameters in effect for tax year 2009 had remained in effect through December 31, 2011, with nominal exemption amounts indexed for inflation after 2009 consistent with subsection (g).

(3) Limitation

If the provisions in the legislation that cause it to meet the criteria in paragraph (1) cover a time period that ends before December 31, 2011, subject to the maximum adjustment provided for under paragraph (2), the amount of each current policy adjustment made pursuant to this section shall be limited to the difference between—

(A) total revenues projected to be collected under title 26 (as scheduled on December 31, 2009, to be in effect for the period of time covered by the relevant provisions of the eligible legislation); and

(B) what those revenues would have been if the estate and gift tax law rates, nominal exemption amounts, and related parameters in effect for 2009, with nominal exemption amounts indexed for inflation after 2009 consistent with subsection (g), had been in effect for the same period of time covered by the relevant provisions of the eligible legislation as under subparagraph (A).

(e) AMT relief

(1) Criteria

Legislation that includes provisions extending AMT relief shall trigger the current policy adjustment required by this chapter.

(2) Adjustment

The amount of the maximum current policy adjustment shall be the difference between—

(A) total revenues projected to be collected under title 26 (as scheduled on December 31, 2009, to be in effect); and

(B) what those revenue collections would have been if, on the date of enactment of legislation meeting the criteria in paragraph (1), AMT law had instead been amended by making commensurate adjustments in the exemption amounts for joint and single filers in such a manner that the number of taxpayers with AMT liability or lost credits that occur as a result of the AMT would not be estimated to exceed the number of taxpayers affected by the AMT in tax year 2008 in any year for which relief is provided, through December 31, 2011.

(3) Limitation

If the provisions in the legislation that cause it to meet the criteria in paragraph (1) cover a time period that ends before December 31, 2011, subject to the maximum adjustment provided for under paragraph (2), the amount of each current policy adjustment made pursuant to this section shall be limited to the difference between—

(A) total revenues projected to be collected under title 26 (as scheduled on December 31, 2009, to be in effect for the period of time covered by the relevant provisions of the eligible legislation); and

(B) what those revenues would have been if, on the date of enactment of legislation meeting the criteria in paragraph (1), AMT law had instead been amended by making commensurate adjustments in the exemption amounts for joint and single filers in such a manner that the number of taxpayers with AMT liability or lost credits that occur as a result of the AMT would not be estimated to exceed the number of AMT taxpayers in tax year 2008 for the same period of time covered by the relevant provisions of the eligible legislation as under subparagraph (A).

(4) Duration of policy adjustment

Adjustments made pursuant to this subsection are available for policies affecting the AMT through only December 31, 2011. Any adjustments shall include budgetary effects in all years from these policy changes.
