EX. ORD. NO. 14074. ADVANCING EFFECTIVE, ACCOUNTABLE
POLICING AND CRIMINAL JUSTICE PRACTICES TO ENHANCE
PUBLIC TRUST AND PUBLIC SAFETY

Ex. Ord. No. 14074, May 25, 2022, 87 F.R. 32945, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, I hereby order as follows:

SECTION 1. *Policy.* Our criminal justice system must respect the dignity and rights of all persons and adhere to our fundamental obligation to ensure fair and impartial justice for all. This is imperative—not only to live up to our principles as a Nation, but also to build secure, safe, and healthy communities. Protecting public safety requires close partnerships between law enforcement and the communities it serves. Public safety therefore depends on public trust, and public trust in turn requires that our criminal justice system as a whole embodies fair and equal treatment, transparency, and accountability.

Law enforcement officers are often a person's first point of contact with our criminal justice system, and we depend on them to uphold these principles while doing the demanding and often life-threatening work of keeping us safe. We expect them to help prevent and solve crimes and frequently call upon them to respond to social problems outside their expertise and beyond their intended role, diverting attention from their critical public safety mission and increasing the risks of an already dangerous job—which has led to the deaths of law enforcement officers and civilians alike. The vast majority of law enforcement officers do these difficult jobs with honor and integrity, and they work diligently to uphold the law and preserve the public's trust.

Yet, there are places in America today, particularly in Black and Brown communities and other communities of color, where the bonds of trust are frayed or broken. We have collectively mourned following law enforcement encounters that have tragically ended in the loss of life. To heal as a Nation, we must acknowledge that those fatal encounters have disparately impacted Black and Brown people and other people of color. The pain of the families of those who have been killed is magnified when expectations for accountability go unmet, and the echoes of their losses reverberate across generations. More broadly, numerous aspects of our criminal justice system are still shaped by race or ethnicity. It is time that we acknowledge the legacy of systemic racism in our criminal justice system and work together to eliminate the racial disparities that endure to this day. Doing so serves all Americans.

Through this order, my Administration is taking a critical step in what must be part of a larger effort to strengthen our democracy and advance the principles of equality and dignity. While we can make policing safer and more effective by strengthening trust between law enforcement officers and the communities they serve, we must also reform our broader criminal justice system so that it protects and serves all people equally. To be clear, certain obstacles to lasting reform require legislative solutions. In particular, system-wide change requires funding and support that only the Congress can authorize. But my Administration will use its full authority to take action, including through the implementation of this order, to build and sustain fairness and accountability throughout the criminal justice system.

The need for such action could not be more urgent. Since early 2020, communities around the country have faced rising rates of violent crime, requiring law enforcement engagement at a time when law enforcement agencies are already confronting the challenges of staffing shortages and low morale. Strengthening community trust is more critical now than ever, as a community's cooperation with the police to report crimes and assist investigations is essential for deterring violence and holding perpetrators accountable. Reinforcing the partnership between law enforcement and communities is imperative for combating crime and achieving lasting public safety.

It is therefore the policy of my Administration to increase public trust and enhance public safety and security by encouraging equitable and community-oriented policing. We must commit to new practices in law enforcement recruitment, hiring, promotion, and retention, as well as training, oversight, and accountability. Insufficient resources, including those dedicated to support officer wellness—needed more than ever as officers confront rising crime and the effects of the coronavirus disease 2019 (COVID-19) pandemic—jeopardize the law enforcement community's ability to build and retain a highly qualified and diverse professional workforce. We must work together to ensure that law enforcement agencies have the resources they need as well as the capacity to attract, hire, and retain the best personnel, including resources to institute screening mechanisms to identify unqualified applicants and to support officers in meeting the stresses and challenges of the job. We must also ensure that law enforcement agencies reflect the communities they serve, protect all community members equally, and offer comprehensive training and development opportunities to line officers and supervisors alike.

Building trust between law enforcement agencies and the communities they are sworn to protect and serve also requires accountability for misconduct and transparency through data collection and public reporting. It requires proactive measures to prevent profiling based on actual or perceived race, ethnicity, national origin, religion, sex (including sexual orientation and gender identity), or disability, including by ensuring that new law enforcement technologies do not exacerbate disparities based on these characteristics. It in-

cludes ending discriminatory pretextual stops and offering support for evidence-informed, innovative responses to people with substance use disorders; people with mental health needs; veterans; people with disabilities; vulnerable youth; people who are victims of domestic violence, sexual assault, or trafficking; and people experiencing homelessness or living in poverty. It calls for improving and clarifying standards for police activities such as the execution of search warrants and the use of force.

Many law enforcement agencies across the country—including at the Federal, State, Tribal, local, and territorial level—have already undertaken important efforts to modernize policing and make our broader criminal justice system more effective and more equitable. Their work has inspired many of the provisions of this order. These agencies—and the officers who serve within them—deserve recognition for their leadership and appreciation for setting a standard that others can follow. This order seeks to recognize these key reforms and implement them consistently across Federal law enforcement agencies. Through this order, the Federal Government will also seek to provide State, Tribal, local, and territorial law enforcement agencies with the guidance and support they need to advance their own efforts to strengthen public trust and improve public safety.

It is also the policy of my Administration to ensure that conditions of confinement are safe and humane, and that those who are incarcerated are not subjected to unnecessary or excessive uses of force, are free from prolonged segregation, and have access to quality health care, including substance use disorder care and mental health care. We must provide people who are incarcerated with meaningful opportunities for rehabilitation and the tools and support they need to transition successfully back to society. Individuals who have been involved in the criminal justice system face many barriers in transitioning back into society, including limited access to housing, public benefits, health care, trauma-informed services and support, education, nutrition, employment and occupational licensing, credit, the ballot, and other critical opportunities. Lowering barriers to reentry is essential to reducing recidivism and reducing crime.

Finally, no one should be required to serve an excessive prison sentence. When the Congress passed the First Step Act of 2018 (Public Law 115-391), it sought to relieve people from unfair and unduly harsh sentences, including those driven by harsh mandatory minimums and the unjust sentencing disparity between crack and powder cocaine offenses. My Administration will fully implement the First Step Act, including by supporting sentencing reductions in appropriate cases and by allowing eligible incarcerated people to participate in recidivism reduction programming and earn time credits.

With these measures, together we can strengthen public safety and the bonds of trust between law enforcement and the community and build a criminal justice system that respects the dignity and equality of all in America.

SEC. 2. *Sharing of Federal Best Practices with State, Tribal, Local, and Territorial Law Enforcement Agencies to Enhance Accountability.* (a) *Independent Investigations of In-Custody Deaths.* The Attorney General shall issue guidance to State, Tribal, local, and territorial law enforcement agencies (LEAs) regarding best practices for conducting independent criminal investigations of deaths in custody that may involve conduct by law enforcement or prison personnel.

(b) *Improving Training for Investigations into Deprivation of Rights Under Color of Law.* The Attorney General shall assess the steps necessary to enhance the Department of Justice's (DOJ's) capacity to investigate law enforcement deprivation of rights under color of law, including through improving and increasing training of Federal law enforcement officers, their supervisors, and Federal prosecutors on how to investigate and prosecute cases involving the deprivation of rights under color of law pursuant to 18 U.S.C. 242. The Attorney

General shall also, as appropriate, provide guidance, technical assistance, and training to State, Tribal, local, and territorial investigators and prosecutors on best practices for investigating and prosecuting civil rights violations under applicable law.

(c) *Pattern or Practice Investigations.* The Attorney General shall consider ways in which the DOJ could strengthen communication with State Attorneys General to help identify relevant data, complaints from the public, and other information that may assist the DOJ's investigations of patterns or practices of misconduct by law enforcement officers, including prosecutors, pursuant to 34 U.S.C. 12601 and other statutes. The Attorney General shall also develop training and technical assistance for State, local, and territorial officials who have similar investigatory authority.

(d) *Ensuring Timely Investigations.* The heads of all Federal LEAs shall assess whether any of their respective agency's policies or procedures cause unwarranted delay in investigations of Federal law enforcement officers for incidents involving the use of deadly force or deaths in custody, including delays in interagency jurisdictional determinations and subject and witness interviews, and shall, without abrogating any collective bargaining obligations, make changes as appropriate to ensure the integrity and effectiveness of such investigations. Within 240 days of the date of this order [May 25, 2022], the Attorney General, the Secretary of Homeland Security, and the heads of other executive departments and agencies (agencies) with law enforcement authority shall report to the President what, if any, changes to their respective policies or practices they have made.

(e) *Ensuring Thorough Investigations.* The Attorney General shall instruct the Federal Bureau of Investigation (FBI) and all United States Attorneys to coordinate closely with the internal oversight bodies of Federal LEAs to ensure that, without abrogating any collective bargaining obligations, for incidents involving the use of deadly force or deaths in custody, initial investigative efforts (including evidence collection and witness interviews) preserve the information required to complete timely administrative investigations as required by the Death in Custody Reporting Act of 2013 (Public Law 113-242) and agency use-of-force guidelines.

(f) *Ensuring Timely and Consistent Discipline.* The heads of all Federal LEAs shall assess whether any of their respective agency's policies or procedures cause unwarranted delay or inconsistent application of discipline for incidents involving the use of deadly force or deaths in custody, and shall, without abrogating any collective bargaining obligations, make changes as appropriate. Within 240 days of the date of this order, the Attorney General, the Secretary of Homeland Security, and the heads of other Federal LEAs shall report to the President what, if any, changes to their respective policies or practices they have made.

SEC. 3. *Strengthening Officer Recruitment, Hiring, Promotion, and Retention Practices.* (a) Within 180 days of the date of this order, the Director of the Office of Personnel Management shall convene and chair an interagency working group to strengthen Federal law enforcement recruitment, hiring, promotion, and retention practices, with particular attention to promoting an inclusive, diverse, and expert law enforcement workforce, culminating in an action plan to be published within 365 days of the date of this order. The interagency working group shall consist of the heads of Federal LEAs and shall consult with other stakeholders, such as law enforcement organizations. The interagency working group shall, to the extent possible, coordinate on the development of a set of core policies and best practices to be used across all Federal LEAs regarding recruitment, hiring, promotion, and retention, while also identifying any agency-specific unique recruitment, hiring, promotion, and retention challenges. As part of this process, the interagency working group shall:

(1) assess existing policies and identify and share best practices for recruitment and hiring, including by con-

sidering the merits and feasibility of recruiting law enforcement officers who are representative of the communities they are sworn to serve (including recruits who live in or are from these communities) and by considering the recommendations made in the Federal LEAs' strategic plans required under Executive Order 14035 of June 25, 2021 (Diversity, Equity, Inclusion, and Accessibility in the Federal Workforce) [42 U.S.C. 2000e note];

(ii) assess existing policies and identify and share best practices for promotion and retention, including by identifying ways to expand mentorship and leadership development opportunities for law enforcement officers;

(iii) develop best practices for ensuring that performance evaluations and promotion decisions for Federal law enforcement officers include an assessment of the officer's adherence to agency policies, and that performance evaluations and promotion decisions for supervisors include an assessment of the supervisor's effectiveness in addressing misconduct by officers they supervise; and

(iv) develop best practices for conducting background investigations and implementing properly validated selection procedures, including vetting mechanisms and ongoing employment screening, that, consistent with the First Amendment and all applicable laws, help avoid the hiring and retention of law enforcement officers who promote unlawful violence, white supremacy, or other bias against persons based on race, ethnicity, national origin, religion, sex (including sexual orientation and gender identity), or disability.

(b) Within 180 days of the publication of the interagency working group's action plan described in subsection (a) of this section, the heads of Federal LEAs shall update and implement their policies and protocols for recruiting, hiring, promotion, and retention, consistent with the core policies and best practices identified and developed pursuant to subsection (a) of this section. Such policies and protocols shall include mechanisms for Federal LEAs to regularly assess the effectiveness of their recruitment, hiring, promotion, and retention practices in accomplishing the goals of subsection (a) of this section.

(c) The heads of Federal LEAs shall develop and implement protocols for background investigations and screening mechanisms, consistent with the best practices identified and developed pursuant to subsection (a) of this section, for State, Tribal, local, and territorial law enforcement participation in programs or activities over which Federal agencies exercise control, such as joint task forces or international training and technical assistance programs, including programs managed by the Department of State and the Department of Justice.

(d) The Attorney General shall develop guidance regarding best practices for State, Tribal, local, and territorial LEAs seeking to recruit, hire, promote, and retain highly qualified and service-oriented officers. In developing this guidance, the Attorney General shall consult with State, Tribal, local, and territorial law enforcement, as appropriate, and shall incorporate the best practices identified by the interagency working group established pursuant to subsection (a) of this section.

SEC. 4. *Supporting Officer Wellness.* (a) Within 180 days of the date of this order, the Attorney General shall, in coordination with the Secretary of Health and Human Services (HHS), develop and publish a report on best practices to address law enforcement officer wellness, including support for officers experiencing substance use disorders, mental health issues, or trauma from their duties. This report shall:

(i) consider the work undertaken already pursuant to the Law Enforcement Mental Health and Wellness Act of 2017 (Public Law 115–113); and

(ii) identify existing and needed resources for supporting law enforcement officer wellness.

(b) Upon publication of these best practices, the Attorney General and the heads of all other Federal LEAs

shall assess their own practices and policies for Federal officer wellness and develop and implement changes as appropriate.

(c) The Attorney General shall, in coordination with the Secretary of HHS and in consultation with multidisciplinary experts and stakeholders, including the National Consortium on Preventing Law Enforcement Suicide and other law enforcement organizations, conduct an assessment of current efforts and available evidence on suicide prevention and present to the President within 180 days of the date of this order evidence-informed recommendations regarding the prevention of death by suicide of law enforcement officers. These recommendations shall also identify methods to encourage submission of data from Federal, State, Tribal, local, and territorial LEAs to the FBI's Law Enforcement Suicide Data Collection, in a manner that respects the privacy interests of law enforcement officers and is consistent with applicable law.

SEC. 5. *Establishing a National Law Enforcement Accountability Database.* (a) The Attorney General shall, within 240 days of the date of this order, establish the National Law Enforcement Accountability Database (Accountability Database) as a centralized repository of official records documenting instances of law enforcement officer misconduct as well as commendations and awards. The Attorney General shall ensure that the establishment and administration of the Accountability Database is consistent with the Privacy Act of 1974 [5 U.S.C. 552a] and all other applicable laws, and respects appropriate due process protections for law enforcement officers included in the Accountability Database.

(b) The Attorney General, in consultation with the heads of other agencies as appropriate, shall take the following actions with respect to the Accountability Database established pursuant to subsection (a) of this section:

(i) include in the Accountability Database all available information that the Attorney General deems necessary, appropriate, and consistent with law and with considerations of victim confidentiality, concerning misconduct by Federal law enforcement officers relevant to carrying out their official duties;

(ii) include in the Accountability Database, to the maximum extent permitted by law, official records documenting officer misconduct, including, as appropriate: records of criminal convictions; suspension of law enforcement officer's enforcement authorities, such as decertification; terminations; civil judgments, including amounts (if publicly available), related to official duties; and resignations or retirements while under investigation for serious misconduct or sustained complaints or records of disciplinary action based on findings of serious misconduct;

(iii) include in the Accountability Database records of officer commendations and awards, as the Attorney General deems appropriate; and

(iv) establish appropriate procedures to ensure that the records stored in the Accountability Database are accurate, including by providing officers with sufficient notice and access to their records, as well as a full and fair opportunity to request amendment or removal of any information about themselves from the Accountability Database on the grounds that it is inaccurate or that it is predicated on an official proceeding that lacked appropriate due process protections.

(c) Requirements for the submission of information to the Accountability Database are as follows:

(i) the heads of Federal LEAs shall submit the information determined appropriate for inclusion by the Attorney General under subsection (b) of this section on a quarterly basis, beginning no later than 60 days from the establishment of the Accountability Database; and

(ii) the Attorney General shall encourage State, Tribal, local, and territorial LEAs to contribute to and use the Accountability Database in a manner consistent with subsection (b)(i) of this section and as permitted by law. The Attorney General shall also issue appropriate guidance and technical assistance to further this goal.

(d) In establishing the Accountability Database under subsection (a) of this section, the Attorney General shall:

(ii) make use of information held by other agencies or entities by entering into agreements with the heads of other agencies or entities, as necessary and appropriate;

(iii) make use of publicly accessible and reliable sources of information, such as court records, as necessary and appropriate; and

(iv) make use of information submitted by State, Tribal, local, and territorial LEAs, as necessary and appropriate.

(e) The heads of Federal LEAs shall ensure that the Accountability Database established pursuant to subsection (a) of this section is used, as appropriate and consistent with applicable law, in the hiring, job assignment, and promotion of law enforcement officers within Federal LEAs, as well as in the screening of State, Tribal, local, and territorial law enforcement officers who participate in programs or activities over which Federal agencies exercise control, such as joint task forces or international training and technical assistance programs, including programs managed by the Department of State and the DOJ.

(f) The Attorney General shall establish procedures for the submission of employment-related inquiries by Federal, State, Tribal, local, and territorial LEAs, and for the provision, upon such a query, of relevant information to the requestor as appropriate. The Attorney General shall develop guidance and provide technical assistance to encourage State, Tribal, local, and territorial LEAs to integrate use of the Accountability Database established pursuant to subsection (a) of this section into their hiring decisions, consistent with applicable law.

(g) The Attorney General shall ensure that all access to the Accountability Database established pursuant to subsection (a) of this section is consistent with applicable law, and shall also take the following steps related to public access to the Accountability Database:

(i) publish on at least an annual basis public reports that contain anonymized data from the Accountability Database aggregated by law enforcement agency and by any other factor determined appropriate by the Attorney General, in a manner that does not jeopardize law enforcement officer anonymity due to the size of the agency or other factors; and

(ii) assess the feasibility of what records from the Accountability Database may be accessible to the public and the manner in which any such records may be accessible by the public, taking into account the critical need for public trust, transparency, and accountability, as well as the duty to protect the safety, privacy, and due process rights of law enforcement officers who may be identified in the Accountability Database, including obligations under the Privacy Act of 1974 and any other relevant legal obligations; protection of sensitive law enforcement operations; and victim, witness, and source confidentiality.

(h) The Attorney General shall determine whether additional legislation or appropriation of funds is needed to achieve the full objectives of this section.

(a) Within 180 days of the date of this order [May 25, 2022], the heads of Federal LEAs shall submit data on a monthly basis to the FBI National Use-of-Force Data Collection (Use-of-Force Database), in accordance with the definitions and categories set forth by the FBI. To the extent not already collected, such data shall include either all deaths of a person due to law enforcement use of force (including deaths in custody incident to an official use of force); all serious bodily injuries of a person due to law enforcement use of force; all discharges of a firearm by law enforcement at or in the direction of a person not otherwise resulting in death or serious bodily injury; or, if applicable, a report for each category that no qualifying incidents occurred and:

(i) information about the incident, including date, time, and location; the reason for initial contact; the offenses of which the subject was suspected, if any; the charges filed against the suspect by a prosecutor, if any; and the National Incident-Based Reporting System (NIBRS) record or local incident number of the report;

(iv) such other information as the Attorney General deems appropriate.

(b) The Attorney General, in consultation with the United States Chief Technology Officer, shall work with State, Tribal, local, and territorial LEAs to identify the obstacles to their participation in the Use-of-Force Database; to reduce the administrative burden of reporting by using existing data collection efforts and improving those LEAs' experience; and to provide training and technical assistance to those LEAs to encourage and facilitate their regular submission of use-of-force information to the Use-of-Force Database.

(c) The Attorney General shall, in a manner that does not reveal the identity of any victim or law enforcement officer, publish quarterly data collected pursuant to subsection (a) of this section and make the data available for research and statistical purposes, in accordance with the standards of data privacy and integrity required by the Office of Management and Budget (OMB).

(d) The Attorney General shall also provide training and technical assistance to encourage State, Tribal, local, and territorial LEAs to submit information to the Law Enforcement Officers Killed and Assaulted Data Collection program of the FBI's Uniform Crime Reporting Program.

(e) The Attorney General shall publish a report within 120 days of the date of this order on the steps the DOJ has taken and plans to take to fully implement the Death in Custody Reporting Act of 2013.

SEC. 7. Banning Chokeholds and Carotid Restraints. (a) The heads of Federal LEAs shall, as soon as practicable, but no later than 90 days from the date of this order, ensure that their respective agencies issue policies with requirements that are equivalent to, or exceed, the requirements of the policy issued by the DOJ on September 13, 2021, which generally prohibits the use of chokeholds and carotid restraints except where the use of deadly force is authorized by law.

(b) The head of every Federal LEA shall incorporate training consistent with this section.

SEC. 8. Providing Federal Law Enforcement Officers with Clear Guidance on Use-of-Force Standards. (a) The heads of Federal LEAs shall, as soon as practicable but no later than 90 days from the date of this order, ensure that their respective agencies issue policies with requirements that reflect principles of valuing and preserving human life and that are equivalent to, or exceed, the requirements of the policy issued by the DOJ on May 20, 2022, which establishes standards and obligations for the use of force.

(b) The heads of Federal LEAs shall, within 365 days of the date of this order, incorporate annual, evidence-informed training for their respective law enforcement officers that is consistent with the DOJ's use-of-force policy; implement early warning systems or other risk management tools that enable supervisors to identify problematic conduct and appropriate interventions to help prevent avoidable uses of force; and ensure the use of effective mechanisms for holding their law enforcement officers accountable for violating the policies addressed in subsection (a) of this section, consistent with sections 2(f) and 3(a)(iii) of this order.

SEC. 9. *Providing Anti-Bias Training and Guidance.* (a) Within 180 days of the date of this order, the Director of the Office of Personnel Management and the Attorney General shall develop an evidence-informed training module for law enforcement officers on implicit bias and avoiding improper profiling based on the actual or perceived race, ethnicity, national origin, limited English proficiency, religion, sex (including sexual orientation and gender identity), or disability of individuals.

(b) The heads of Federal LEAs shall, to the extent consistent with applicable law, ensure that their law enforcement officers complete such training annually.

(c) The heads of Federal LEAs shall, to the extent consistent with applicable law, establish that effective procedures are in place for receiving, investigating, and responding meaningfully to complaints alleging improper profiling or bias by Federal law enforcement officers.

(d) Federal agencies that exercise control over joint task forces or international training and technical assistance programs in which State, Tribal, local, and territorial officers participate shall include training on implicit bias and profiling as part of any training program required by the Federal agency for officers participating in the task force or program.

(e) The Attorney General, in collaboration with the Secretary of Homeland Security and the heads of other agencies as appropriate, shall assess the implementation and effects of the DOJ's December 2014 Guidance for Federal Law Enforcement Agencies Regarding the Use of Race, Ethnicity, Gender, National Origin, Religion, Sexual Orientation, or Gender Identity; consider whether this guidance should be updated; and report to the President within 180 days of the date of this order as to any changes to this guidance that have been made.

SEC. 10. *Restricting No-Knock Entries.* (a) The heads of Federal LEAs shall, as soon as practicable, but no later than 60 days from the date of this order, ensure that their respective agencies issue policies with requirements that are equivalent to, or exceed, the requirements of the policy issued by the DOJ on September 13, 2021, which limits the use of unannounced entries, often referred to as "no-knock entries," and provides guidance to ensure the safe execution of announced entries.

(b) The heads of Federal LEAs shall maintain records of no-knock entries.

(c) The heads of Federal LEAs shall issue annual reports to the President—and post the reports publicly—setting forth the number of no-knock entries that occurred pursuant to judicial authorization; the number of no-knock entries that occurred pursuant to exigent circumstances; and disaggregated data by circumstances for no-knock entries in which a law enforcement officer or other person was injured in the course of a no-knock entry.

SEC. 11. *Assessing and Addressing the Effect on Communities of Use of Force by Law Enforcement.* (a) The Secretary of HHS shall, within 180 days of the date of this order, conduct a nationwide study of the community effects of use of force by law enforcement officers (whether lawful or unlawful) on physical, mental, and public health, including any disparate impacts on communities of color, and shall publish a public report including these findings.

(b) The Attorney General, the Secretary of HHS, and the Director of OMB shall, within 60 days of the completion of the report described in subsection (a) of this section, provide a report to the President outlining what resources are available and what additional resources may be needed to provide widely and freely accessible mental health and social support services for individuals and communities affected by incidents of use of force by law enforcement officers.

(c) The Attorney General, in collaboration with the heads of other agencies as appropriate, shall issue guidance for Federal, State, Tribal, local, and territorial LEAs on best practices for planning and conducting law enforcement-community dialogues to improve relations

and communication between law enforcement and communities, particularly following incidents involving use of deadly force.

(d) Within 180 days of the date of this order, the Attorney General, in collaboration with the heads of other agencies as appropriate, shall issue guidance for Federal, State, Tribal, local, and territorial LEAs, or other entities responsible for providing official notification of deaths in custody, on best practices to promote the timely and appropriate notification of, and support to, family members or emergency contacts of persons who die in correctional or LEA custody, including deaths resulting from the use of force.

(e) After the issuance of the guidance described in subsection (d) of this section, the heads of Federal LEAs shall assess and revise their policies and procedures as necessary to accord with that guidance.

SEC. 12. *Limiting the Transfer or Purchase of Certain Military Equipment by Law Enforcement.* (a) The Secretary of the Treasury, the Secretary of Defense, the Attorney General, the Secretary of Homeland Security, and the Administrator of General Services shall each review all programs and authorities concerning property transfers to State, Tribal, local, and territorial LEAs, or property purchases by State, Tribal, local, and territorial LEAs either with Federal funds or from Federal agencies or contractors, including existing transfer contracts or grants. (i) within 180 days of the date of this order, submit a report to the President detailing steps the DOJ has taken, consistent with applicable law, to ensure that restrictive housing in Federal detention facilities is used rarely, applied fairly, and subject to reasonable constraints; to ensure that individuals in DOJ custody are housed in the least restrictive setting necessary for their safety and the safety of staff, other prisoners and detainees, and the public; to house prisoners as close to their families as practicable; and to ensure the DOJ's full implementation, at a minimum, of the Prison Rape Elimination Act of 2003 (Public Law 108-79) and the recommendations of the DOJ's January 2016 Report and Recommendations Concerning the Use of Restrictive Housing; and

(ii) within 240 days of the date of this order, complete a comprehensive review and transmit a report to the President identifying any planned steps to address conditions of confinement, including steps designed to improve the accessibility and quality of medical care (including behavioral and mental health care), the specific needs of women (including breast and cervical cancer screening, gynecological and reproductive health care, and prenatal and postpartum care), the specific needs of juveniles (including age-appropriate programming), recovery support services (including substance use disorder treatment and trauma-informed care), and the environmental conditions for all individuals in BOP and USMS custody.

(A) the number of individuals released early due to Earned Time Credits who were subsequently convicted and sentenced, as defined by United States Sentencing Guideline sec. 4A1.1(a), in the year following their release, disaggregated by their PATTERN risk level category of "Minimum," "Low," "Medium," or "High" at time of release;

(B) an assessment of any disparate impact of PATTERN, including the weighting of static and dynamic risk factors and of the statutorily enumerated offenses and prior convictions that render individuals ineligible to earn time credits; and

(C) a strategic plan and timeline to improve PATTERN, including by addressing any disparities and developing a needs-based assessment system.

SEC. 18. *Collecting Comprehensive Criminal Justice Statistics.* (a) The Attorney General, in consultation with the United States Chief Data Scientist and the United States Chief Statistician, shall review the status of State, Tribal, local, and territorial LEAs transitioning from the Summary Reporting System to the NIBRS in the FBI's Uniform Crime Reporting Program, and shall submit a report to the President within 120 days of the date of this order summarizing the status of that transition for State, Tribal, local, and territorial LEAs and including recommendations to maximize participation in the NIBRS.

(ii) to improve the Law Enforcement Management and Administrative Statistics Survey, with a focus on ensuring that such data collections are undertaken and published regularly and measure law enforcement workforce data, use of force, public trust in law enforcement, and actual or perceived bias.

(c) The Equitable Data Working Group established in Executive Order 13985 shall work with the National Science and Technology Council to create a Working Group on Criminal Justice Statistics (Working Group), which shall be composed of representatives of the Domestic Policy Council and the office of the Counsel to the President, the DOJ, OMB, and OSTP, and which shall, as appropriate, consult with representatives of the Federal Defender Services; civil rights, civil liberties, data privacy, and law enforcement organizations; and criminal justice data scientists.

(b) Within 240 days of the date of this order, the Attorney General shall develop and publish standards for determining whether an entity is an authorized, independent credentialing body, including that the entity requires policies that further the policies in sections 3, 4, and 7 through 10 of this order, and encourages participation in comprehensive collection and use of police misconduct and use-of-force-data, such as through the databases provided for in sections 5 and 6 of this order. In developing such standards, the Attorney General shall also consider the recommendations of the Final Report of the President's Task Force on 21st Century Policing issued in May 2015. Pending the development of such standards, the Attorney General shall maintain the current requirements related to accreditation.

(c) The Attorney General, in formulating standards for accrediting bodies, shall consult with professional accreditation organizations, law enforcement organizations, civil rights and community-based organizations, civilian oversight and accountability groups, and other appropriate stakeholders. The Attorney General's standards shall ensure that, in order to qualify as an authorized, independent credentialing body, the accrediting entity must conduct independent assessments of an LEA's compliance with applicable standards as part of the accreditation process and not rely on the LEA's self-certification alone.

SEC. 20. *Supporting Safe and Effective Policing Through Grantmaking.* (a) Within 180 days of the date of this order, the Attorney General, the Secretary of HHS, and the Secretary of Homeland Security shall promptly review and exercise their authority, as appropriate and consistent with applicable law, to award Federal discretionary grants in a manner that supports and promotes the adoption of policies of this order by State, Tribal, local, and territorial governments and LEAs. The Attorney General, the Secretary of HHS, and the Secretary of Homeland Security shall also use other incentives outside of grantmaking, such as training and technical assistance, as appropriate and consistent with applicable law, to support State, Tribal, local, and territorial governments and LEAs in adopting the policies in this order.

Each such strategy shall involve both of the following activities:

(1) Weeding

Activities, to be known as Weeding activities, which shall include promoting and coordinating a broad spectrum of community efforts (especially those of law enforcement agencies and prosecutors) to arrest, and to sanction or incarcerate, persons in that community who participate or engage in violent crime, criminal drug-related activity, and other crimes that threaten the quality of life in that community.

(2) Seeding

Activities, to be known as Seeding activities, which shall include promoting and coordinating a broad spectrum of community efforts (such as drug abuse education, mentoring, and employment counseling) to provide—

(B) the Weed and Seed strategy proposed, adopted, or implemented by the steering committee has a high probability of improving the criminal justice system within the community and contains all the elements required by the Director; and

(C) the steering committee is capable of implementing the strategy appropriately; and

(2) the community must agree to formulate a timely and effective plan to independently sustain the strategy (or, at a minimum, a majority of the best practices of the strategy) when assistance under this section is no longer available.

(d) Application

An application for designation as a Weed-and-Seed community for purposes of subsection (a) shall be submitted to the Director by the steering committee of the community in such form, and containing such information and assurances, as the Director may require. The application shall propose—

(1) a sustainable Weed and Seed strategy that includes—

(A) the active involvement of the United States Attorney for the District encompassing the community, the Drug Enforcement Administration's special agent in charge for the jurisdiction encompassing the community, and other Federal law enforcement agencies operating in the vicinity;

In implementing a strategy for a community under subsection (a), the Director may make grants to that community.

For each grant under this subsection, the community receiving that grant may not use any of the grant amounts for construction, except that the Assistant Attorney General may authorize use of grant amounts for incidental or minor construction, renovation, or remodeling.

(3) Limitations

A community may not receive grants under this subsection (or fall within such a community)—

(A) for a period of more than 10 fiscal years;

(B) for more than 5 separate fiscal years, except that the Assistant Attorney General may, in single increments and only upon a showing of extraordinary circumstances, authorize grants for not more than 3 additional separate fiscal years; or

In making grants under this subsection, the Director shall ensure that—

(A) to the extent practicable, the distribution of such grants is geographically equitable and includes both urban and rural areas of varying population and area; and

(B) priority is given to communities that clearly and effectively coordinate crime prevention programs with other Federal programs in a manner that addresses the overall needs of such communities.

(5) Federal share

(A) Subject to subparagraph (B), the Federal share of a grant under this subsection may not exceed 75 percent of the total costs of the projects described in the application for which the grant was made.

(B) The requirement of subparagraph (A)—

(i) may be satisfied in cash or in kind; and

(ii) may be waived by the Assistant Attorney General upon a determination that the financial circumstances affecting the applicant warrant a finding that such a waiver is equitable.

(6) Supplement, not supplant

To receive a grant under this subsection, the applicant must provide assurances that the amounts received under the grant shall be

used to supplement, not supplant, non-Federal funds that would otherwise be available for programs or services provided in the community.

Pub. L. 105–301, Oct. 27, 1998, 112 Stat. 2838, as amended by Pub. L. 106–402, title IV, § 401(b)(10), Oct. 30, 2000, 114 Stat. 1739, provided that:

“SECTION 1. SHORT TITLE.

“This Act may be cited as the ‘Crime Victims With Disabilities Awareness Act’.

“SEC. 2. FINDINGS; PURPOSES.

“(a) FINDINGS.—Congress finds that—

“(1) although research conducted abroad demonstrates that individuals with developmental disabilities are at a 4 to 10 times higher risk of becoming crime victims than those without disabilities, there have been no significant studies on this subject conducted in the United States;

“(2) in fact, the National Crime Victim’s Survey, conducted annually by the Bureau of Justice Statistics of the Department of Justice, does not specifically collect data relating to crimes against individuals with developmental disabilities;

“(3) studies in Canada, Australia, and Great Britain consistently show that victims with developmental disabilities suffer repeated victimization because so few of the crimes against them are reported, and even when they are, there is sometimes a reluctance by police, prosecutors, and judges to rely on the testimony of a disabled individual, making individuals with developmental disabilities a target for criminal predators;

“(4) research in the United States needs to be done to—

“(A) understand the nature and extent of crimes against individuals with developmental disabilities;

“(B) describe the manner in which the justice system responds to crimes against individuals with developmental disabilities; and

“(C) identify programs, policies, or laws that hold promises for making the justice system more responsive to crimes against individuals with developmental disabilities; and

“(5) the National Academy of Science Committee on Law and Justice of the National Research Council is a premier research institution with unique experience in developing seminal, multidisciplinary studies to establish a strong research base from which to make public policy.

“(b) PURPOSES.—The purposes of this Act are—

“(1) to increase public awareness of the plight of victims of crime who are individuals with developmental disabilities;

“(2) to collect data to measure the extent of the problem of crimes against individuals with developmental disabilities; and

“(3) to develop a basis to find new strategies to address the safety and justice needs of victims of crime who are individuals with developmental disabilities.

“SEC. 3. DEFINITION OF DEVELOPMENTAL DISABILITY.

“In this Act, the term ‘developmental disability’ has the meaning given the term in section 102 of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 [42 U.S.C. 15002].

“SEC. 4. STUDY.

“(a) IN GENERAL.—The Attorney General shall conduct a study to increase knowledge and information

about crimes against individuals with developmental disabilities that will be useful in developing new strategies to reduce the incidence of crimes against those individuals.

“(b) ISSUES ADDRESSED.—The study conducted under this section shall address such issues as—

“(1) the nature and extent of crimes against individuals with developmental disabilities;

“(2) the risk factors associated with victimization of individuals with developmental disabilities;

“(3) the manner in which the justice system responds to crimes against individuals with developmental disabilities; and

“(4) the means by which States may establish and maintain a centralized computer database on the incidence of crimes against individuals with disabilities within a State.

“(c) NATIONAL ACADEMY OF SCIENCES.—In carrying out this section, the Attorney General shall consider contracting with the Committee on Law and Justice of the National Research Council of the National Academy of Sciences to provide research for the study conducted under this section.

“(d) REPORT.—Not later than 18 months after the date of enactment of this Act [Oct. 27, 1998], the Attorney General shall submit to the Committees on the Judiciary of the Senate and the House of Representatives a report describing the results of the study conducted under this section.

“SEC. 5. NATIONAL CRIME VICTIM’S SURVEY.

“Not later than 2 years after the date of enactment of this Act, as part of each National Crime Victim’s Survey, the Attorney General shall include statistics relating to—

“(1) the nature of crimes against individuals with developmental disabilities; and

“(2) the specific characteristics of the victims of those crimes.”

§ 10133. Authority for 100 per centum grants

A grant authorized under this subchapter may be up to 100 per centum of the total cost of each project for which such grant is made. § 10156. Formula

(a) Allocation among States

(1) In general

Of the total amount appropriated for this part, the Attorney General shall, except as provided in paragraph (2), allocate—

(A) 50 percent of such remaining amount to each State in amounts that bear the same ratio of—

- (i) the total population of a State to—
- (ii) the total population of the United States; and

(B) 50 percent of such remaining amount to each State in amounts that bear the same ratio of—

- (i) the average annual number of part 1 violent crimes of the Uniform Crime Re-

ports of the Federal Bureau of Investigation reported by such State for the three most recent years reported by such State to—

- (ii) the average annual number of such crimes reported by all States for such years.

(2) Minimum allocation

If carrying out paragraph (1) would result in any State receiving an allocation less than 0.25 percent of the total amount (in this paragraph referred to as a “minimum allocation State”), then paragraph (1), as so carried out, shall not apply, and the Attorney General shall instead—

(A) allocate 0.25 percent of the total amount to each State; and

(B) using the amount remaining after carrying out subparagraph (A), carry out paragraph (1) in a manner that excludes each minimum allocation State, including the population of and the crimes reported by such State.

(b) Allocation between States and units of local government

Of the amounts allocated under subsection (a)—

(1) 60 percent shall be for direct grants to States, to be allocated under subsection (c); and

(2) 40 percent shall be for grants to be allocated under subsection (d).

(c) Allocation for State governments

(1) In general

Of the amounts allocated under subsection (b)(1), each State may retain for the purposes described in section 10152 of this title an amount that bears the same ratio of—

(A) total expenditures on criminal justice by the State government in the most recently completed fiscal year to—

(B) the total expenditure on criminal justice by the State government and units of local government within the State in such year.

(2) Remaining amounts

Except as provided in subsection (e)(1), any amounts remaining after the allocation required by paragraph (1) shall be made available to units of local government by the State for the purposes described in section 10152 of this title.

(d) Allocations to local governments

(1) In general

Of the amounts allocated under subsection (b)(2), grants for the purposes described in section 10152 of this title shall be made directly to units of local government within each State in accordance with this subsection, subject to subsection (e).

(2) Allocation

(A) In general

From the amounts referred to in paragraph (1) with respect to a State (in this subsection referred to as the “local amount”), the Attorney General shall allocate to each

unit of local government an amount which bears the same ratio to such share as the average annual number of part 1 violent crimes reported by such unit to the Federal Bureau of Investigation for the 3 most recent calendar years for which such data is available bears to the number of part 1 violent crimes reported by all units of local government in the State in which the unit is located to the Federal Bureau of Investigation for such years.

(B) Transitional rule

Notwithstanding subparagraph (A), for fiscal years 2006, 2007, and 2008, the Attorney General shall allocate the local amount to units of local government in the same manner that, under the Local Government Law Enforcement Block Grants program in effect immediately before January 5, 2006, the reserved amount was allocated among reporting and nonreporting units of local government.

(3) Annexed units

If a unit of local government in the State has been annexed since the date of the collection of the data used by the Attorney General in making allocations pursuant to this section, the Attorney General shall pay the amount that would have been allocated to such unit of local government to the unit of local government that annexed it.

(4) Resolution of disparate allocations

(A) Notwithstanding any other provision of this part, if—

(i) the Attorney General certifies that a unit of local government bears more than 50 percent of the costs of prosecution or incarceration that arise with respect to part 1 violent crimes reported by a specified geographically constituent unit of local government; and

(ii) but for this paragraph, the amount of funds allocated under this section to—

(I) any one such specified geographically constituent unit of local government exceeds 150 percent of the amount allocated to the unit of local government certified pursuant to clause (i); or

(II) more than one such specified geographically constituent unit of local government exceeds 400 percent of the amount allocated to the unit of local government certified pursuant to clause (i),

then in order to qualify for payment under this subsection, the unit of local government certified pursuant to clause (i), together with any such specified geographically constituent units of local government described in clause (ii), shall submit to the Attorney General a joint application for the aggregate of funds allocated to such units of local government. (a) Authority to make grants

The Director, in consultation with the Director of the National Institute of Corrections, may make—

- (1) 4 grants in each fiscal year, in various geographical areas throughout the United States, to public agencies for correctional options (including the cost of construction) that provide alternatives to traditional modes of incarceration and offender release programs—

(A) to provide more appropriate intervention for youthful offenders who are not ca-

reer criminals, but who, without such intervention, are likely to become career criminals or more serious offenders;

(B) to provide a degree of security and discipline appropriate for the offender involved;

(C) to provide diagnosis, and treatment and services (including counseling, substance abuse treatment, education, job training and placement assistance while under correctional supervision, and linkage to similar outside services), to increase the success rate of offenders who decide to pursue a course of lawful and productive conduct after release from legal restraint;

(D) to reduce criminal recidivism by offenders who receive punishment through such alternatives;

(E) to reduce the cost of correctional services and facilities by reducing criminal recidivism; and

(F) to provide work that promotes development of industrial and service skills in connection with a correctional option;

(2) grants to private nonprofit organizations—

(4) grants to State courts to improve security for State and local court systems.

(b) Selection of grantees

In selecting the applicants to receive grants under subsection (a)(3), the Director shall—

Priority shall be given to State court applicants under subsection (a)(4) that have the greatest demonstrated need to provide security in order to administer justice.

(c) Consultations

The Director shall consult with the Commission on Alternative Utilization of Military Facilities created by Public Law 100-456 in order to identify military facilities that may be used as sites for correctional programs receiving assistance under this subpart.

§ 10228. Prohibition of Federal control over State and local criminal justice agencies; prohibition of discrimination**(a) General rule**

Nothing in this chapter or any other Act shall be construed to authorize any department, agency, officer, or employee of the United States to exercise any direction, supervision, or control over any police force or any other criminal justice agency of any State or any political subdivision thereof.

(b) Racial imbalance requirement restriction

Notwithstanding any other provision of law, nothing contained in this chapter shall be construed to authorize the National Institute of Justice, the Bureau of Justice Statistics, or the Law Enforcement Assistance Administration—

(1) to require, or condition the availability or amount of a grant upon the adoption by an applicant or grantee under this chapter of a percentage ratio, quota system, or other program to achieve racial balance in any criminal justice agency; or

(2) to deny or discontinue a grant because of the refusal of an applicant or grantee under this chapter to adopt such a ratio, system, or other program.

(c) Discrimination prohibited; notice of non-compliance; suspension and restoration of payments; hearing; civil action by Attorney General; private action, attorney fees, intervention by Attorney General

(1) No person in any State shall on the ground of race, color, religion, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under or denied employment in connection with any programs or activity funded in whole or in part with funds made available under this chapter.

(2)(A) Whenever there has been—

(i) receipt of notice of a finding, after notice and opportunity for a hearing, by a Federal court (other than in an action brought by the

Attorney General) or State court, or by a Federal or State administrative agency, to the effect that there has been a pattern or practice of discrimination in violation of paragraph (1); or

(ii) a determination after an investigation by the Office of Justice Programs (prior to a hearing under subparagraph (F) but including an opportunity for the State government or unit of local government to make a documentary submission regarding the allegation of discrimination with respect to such program or activity, with funds made available under this chapter) that a State government or unit of local government is not in compliance with paragraph (1);

the Office of Justice Programs shall, within ten days after such occurrence, notify the chief executive of the affected State, or the State in which the affected unit of local government is located, and the chief executive of such unit of local government, that such program or activity has been so found or determined not to be in compliance with paragraph (1), and shall request each chief executive, notified under this subparagraph with respect to such violation, to secure compliance. For purposes of clause (i) a finding by a Federal or State administrative agency shall be deemed rendered after notice and opportunity for a hearing if it is rendered pursuant to procedures consistent with the provisions of subchapter II of chapter 5 of title 5.

(B) In the event the chief executive secures compliance after notice pursuant to subparagraph (A), the terms and conditions with which the affected State government or unit of local government agrees to comply shall be set forth in writing and signed by the chief executive of the State, by the chief executive of such unit (in the event of a violation by a unit of local government), and by the Office of Justice Programs. On or prior to the effective date of the agreement, the Office of Justice Programs shall send a copy of the agreement to each complainant, if any, with respect to such violation. The chief executive of the State, or the chief executive of the unit (in the event of a violation by a unit of local government) shall file semiannual reports with the Office of Justice Programs detailing the steps taken to comply with the agreement. These reports shall cease to be filed upon the determination of the Office of Justice Programs that compliance has been secured, or upon the determination by a Federal or State court that such State government or local governmental unit is in compliance with this section. Within fifteen days of receipt of such reports, the Office of Justice Programs shall send a copy thereof to each such complainant.

(C) If, at the conclusion of ninety days after notification under subparagraph (A)—

(i) compliance has not been secured by the chief executive of that State or the chief executive of that unit of local government; and

(ii) an administrative law judge has not made a determination under subparagraph (F) that it is likely the State government or unit of local government will prevail on the merits; the Office of Justice Programs shall notify the Attorney General that compliance has not been secured and caused to have suspended

further payment of any funds under this chapter to that program or activity. Such suspension shall be limited to the specific program or activity cited by the Office of Justice Programs in the notice under subparagraph (A). Such suspension shall be effective for a period of not more than one hundred and twenty days, or, if there is a hearing under subparagraph (G), not more than thirty days after the conclusion of such hearing, unless there has been an express finding by the Office of Justice Programs, after notice and opportunity for such a hearing, that the recipient is not in compliance with paragraph (1).

(D) Payment of the suspended funds shall resume only if—

(i) such State government or unit of local government enters into a compliance agreement approved by the Office of Justice Programs and the Attorney General in accordance with subparagraph (B);

(ii) such State government or unit of local government complies fully with the final order or judgment of a Federal or State court, or by a Federal or State administrative agency if that order or judgment covers all the matters raised by the Office of Justice Programs in the notice pursuant to subparagraph (A), or is found to be in compliance with paragraph (1) by such court; or

(iii) after a hearing the Office of Justice Programs pursuant to subparagraph (F) finds that noncompliance has not been demonstrated.

(E) Whenever the Attorney General files a civil action alleging a pattern or practice of discriminatory conduct on the basis of race, color, religion, national origin, or sex in any program or activity of a State government or unit of local government which State government or unit of local government receives funds made available under this chapter, and the conduct allegedly violates the provisions of this section and neither party within forty-five days after such filing has been granted such preliminary relief with regard to the suspension or payment of funds as may be otherwise available by law, the Office of Justice Programs shall cause to have suspended further payment of any funds under this chapter to that specific program or activity alleged by the Attorney General to be in violation of the provisions of this subsection until such time as the court orders resumption of payment.

(F) Prior to the suspension of funds under subparagraph (C), but within the ninety-day period after notification under subparagraph (C), the State government or unit of local government may request an expedited preliminary hearing on the record in accordance with section 554 of title 5, in order to determine whether it is likely that the State government or unit of local government would, at a full hearing under subparagraph (G), prevail on the merits on the issue of the alleged noncompliance. A finding under this subparagraph by the administrative law judge in favor of the State government or unit of local government shall defer the suspension of funds under subparagraph (C) pending a finding of noncompliance at the conclusion of the hearing on the merits under subparagraph (G).

(G)(i) At any time after notification under subparagraph (A), but before the conclusion of the one-hundred-and-twenty-day period referred to in subparagraph (C), a State government or unit of local government may request a hearing on the record in accordance with section 554 of title 5, which the Office of Justice Programs shall initiate within sixty days of such request.

(ii) Within thirty days after the conclusion of the hearing, or, in the absence of a hearing, at the conclusion of the one-hundred-and-twenty-day period referred to in subparagraph (C), the Office of Justice Programs shall make a finding of compliance or noncompliance. If the Office of Justice Programs makes a finding of noncompliance, the Office of Justice Programs shall notify the Attorney General in order that the Attorney General may institute a civil action under paragraph (3), cause to have terminated the payment of funds under this chapter, and, if appropriate, seek repayment of such funds.

(iii) If the Office of Justice Programs makes a finding of compliance, payment of the suspended funds shall resume as provided in subparagraph (D).

(H) Any State government or unit of local government aggrieved by a final determination of the Office of Justice Programs under subparagraph (G) may appeal such determination as provided in section 804¹.

(3) Whenever the Attorney General has reason to believe that a State government or unit of local government has engaged in or is engaging in a pattern or practice in violation of the provisions of this section, the Attorney General may bring a civil action in an appropriate United States district court. Such court may grant as relief any temporary restraining order, preliminary or permanent injunction, or other order, as necessary or appropriate to insure the full enjoyment of the rights described in this section, including the suspension, termination, or repayment of such funds made available under this chapter as the court may deem appropriate, or placing any further such funds in escrow pending the outcome of the litigation.

(4)(A) Whenever a State government or unit of local government, or any officer or employee thereof acting in an official capacity, has engaged or is engaging in any act or practice prohibited by this subsection, a civil action may be instituted after exhaustion of administrative remedies by the person aggrieved in an appropriate United States district court or in a State court of general jurisdiction. Administrative remedies shall be deemed to be exhausted upon the expiration of sixty days after the date the administrative complaint was filed with the Office of Justice Programs or any other administrative enforcement agency, unless within such period there has been a determination by the Office of Justice Programs or the agency on the merits of the complaint, in which case such remedies shall be deemed exhausted at the time the determination becomes final.

(B) In any civil action brought by a private person to enforce compliance with any provision of this subsection, the court may grant to a prevailing plaintiff reasonable attorney fees, unless

the court determines that the lawsuit is frivolous, vexatious, brought for harassment purposes, or brought principally for the purpose of gaining attorney fees.

(C) In any action instituted under this section to enforce compliance with paragraph (1), the Attorney General, or a specially designated assistant for or in the name of the United States, may intervene upon timely application if he certifies that the action is of general public importance. In such action the United States shall be entitled to the same relief as if it had instituted the action.

A recipient of grant funds under this Act that is found to have an unresolved audit finding shall not be eligible to receive grant funds under this Act during the 2 fiscal years beginning after the 12-month period described in paragraph (5).

(3) Priority

In awarding grants under this Act, the Attorney General shall give priority to eligible entities that, during the 3 fiscal years before submitting an application for a grant under this Act, did not have an unresolved audit finding showing a violation in the terms or conditions of a Department of Justice grant program.

(4) Reimbursement

If an entity is awarded grant funds under this Act during the 2-fiscal-year period in which the entity is barred from receiving grants under paragraph (2), the Attorney General shall—

SUBCHAPTER XI—PUBLIC SAFETY OFFICERS’ DEATH BENEFITS

PART A—DEATH BENEFITS

§ 10281. Payment of death benefits

(a) Amount; recipients

In any case in which the Bureau of Justice Assistance (hereinafter in this subchapter referred to as the “Bureau”) determines, under regulations issued pursuant to this subchapter, that a public safety officer has died as the direct and proximate result of a personal injury sustained in the line of duty, a benefit of \$250,000, adjusted in accordance with subsection (h), and calculated in accordance with subsection (i), shall be payable by the Bureau, as follows (if the payee indicated is living on the date on which the determination is made)—

(1) if there is no child who survived the public safety officer, to the surviving spouse of the public safety officer;

(2) if there is at least 1 child who survived the public safety officer and a surviving spouse of the public safety officer, 50 percent to the surviving child (or children, in equal shares) and 50 percent to the surviving spouse;

(3) if there is no surviving spouse of the public safety officer, to the surviving child (or children, in equal shares);

(4) if there is no surviving spouse of the public safety officer and no surviving child—

(A) to the surviving individual (or individuals, in shares per the designation, or, otherwise, in equal shares) designated by the public safety officer to receive benefits under this subsection in the most recently executed designation of beneficiary of the public safety officer on file at the time of death with the public safety agency, organization, or unit; or

(B) if there is no individual qualifying under subparagraph (A), to the surviving individual (or individuals, in equal shares) designated by the public safety officer to receive benefits under the most recently executed life insurance policy of the public safety officer on file at the time of death with the public safety agency, organization, or unit;

(5) if there is no individual qualifying under paragraph (1), (2), (3), or (4), to the surviving parent (or parents, in equal shares) of the public safety officer; or

(6) if there is no individual qualifying under paragraph (1), (2), (3), (4), or (5), to the surviving individual (or individuals, in equal shares) who would qualify under the definition of the term “child” under section 10284 of this title but for age.

(b) Benefits for permanent and total disability

In accordance with regulations issued pursuant to this subchapter, in any case in which the

Bureau determines that a public safety officer has become permanently and totally disabled as the direct and proximate result of a personal injury sustained in the line of duty, a benefit shall be payable to the public safety officer (if living on the date on which the determination is made) in the same amount that would be payable, as of the date such injury was sustained (including as adjusted in accordance with subsection (h), and calculated in accordance with subsection (i)), if such determination were a determination under subsection (a): *Provided*, That for the purposes of making these benefit payments, there are authorized to be appropriated for each fiscal year such sums as may be necessary.

(c) Interim benefit payment

Whenever the Bureau determines upon showing of need and prior to final action that the death of a public safety officer is one with respect to which a benefit will probably be paid, the Bureau may make an interim benefit payment not exceeding \$6,000, adjusted in accordance with subsection (h), to the individual entitled to receive a benefit under subsection (a) of this section.

(d) Deduction of interim payment

The amount of an interim payment under subsection (c) shall be deducted from the amount of any final benefit paid to such individual.

(e) Repayment of interim payment; waiver

Where there is no final benefit paid, the recipient of any interim payment under subsection (c) shall be liable for repayment of such amount. The Bureau may waive all or part of such repayment, considering for this purpose the hardship which would result from such repayment.

(f) Reductions from final benefit payment

The benefit payable under this subchapter shall be in addition to any other benefit that may be due from any other source, except—

- (1) payments authorized by section 12(k) of the Act of September 1, 1916;
- (2) benefits authorized by section 8191 of title 5, such that beneficiaries shall receive only such benefits under such section 8191 as are in excess of the benefits received under this subchapter; or
- (3) payments under the September 11th Victim Compensation Fund of 2001 (49 U.S.C. 40101 note; Public Law 107-42).

(g) Execution or attachment prohibited

No benefit paid under this subchapter shall be subject to execution or attachment.

(h) Consumer Price Index adjustment

On October 1 of each fiscal year beginning after June 1, 1988, the Bureau shall adjust the level of the benefit payable immediately before such October 1 under subsections (a) and (b) and the level of the interim benefit payable immediately before such October 1 under subsection (c), to reflect the annual percentage change in the Consumer Price Index for All Urban Consumers, published by the Bureau of Labor Statistics, occurring in the 1-year period ending on June 1 immediately preceding such October 1.

(i) Amount payable

The amount payable under subsections (a) and (b), with respect to the death or permanent and

total disability of a public safety officer, shall be the greater of—

- (1) the amount payable under the relevant subsection as of the date of death or of the catastrophic injury of the public safety officer; or
- (2) in any case in which the claim filed thereunder has been pending for more than 365 days at the time of final determination by the Bureau, the amount that would be payable under the relevant subsection if the death or the catastrophic injury of the public safety officer had occurred on the date on which the Bureau makes such final determination.

(j) Limitations on benefits

(1) No benefit is payable under this subchapter with respect to the death of a public safety officer if a benefit is paid under this subchapter with respect to the disability of such officer.

(2) No benefit is payable under this subchapter with respect to the disability of a public safety officer if a benefit is payable under this subchapter with respect to the death of such public safety officer.

(k) Death by heart attack, stroke, or vascular rupture; presumption

As determined by the Bureau, a heart attack, stroke, or vascular rupture suffered by a public safety officer shall be presumed to constitute a personal injury within the meaning of subsection (a), sustained in the line of duty by the officer and directly and proximately resulting in death, if—

- (1) the public safety officer, while on duty—

(A) engages in a situation involving non-routine stressful or strenuous physical law enforcement, fire suppression, rescue, hazardous material response, emergency medical services, prison security, disaster relief, or other emergency response activity; or

(B) participates in a training exercise involving nonroutine stressful or strenuous physical activity;

- (2) the heart attack, stroke, or vascular rupture commences—

(C) not later than 24 hours after the officer is engaged or participating as described in paragraph (1); and

- (3) the heart attack, stroke, or vascular rupture directly and proximately results in the death of the public safety officer,

unless competent medical evidence establishes that the heart attack, stroke, or vascular rupture was unrelated to the engagement or participation or was directly and proximately caused by something other than the mere presence of cardiovascular-disease risk factors.

(l) Definition

For purposes of subsection (k), “nonroutine stressful or strenuous physical” excludes actions of a clerical, administrative, or nonmanual nature.

(m) Suspension or end of collection action

The Bureau may suspend or end collection action on an amount disbursed pursuant to a statute enacted retroactively or otherwise disbursed in error under subsection (a), (b), or (c), where such collection would be impractical, or would cause undue hardship to a debtor who acted in good faith.

(n) Confidentiality

The public safety agency, organization, or unit responsible for maintaining on file an executed designation of beneficiary or executed life insurance policy for purposes of subsection (a)(4) shall maintain the confidentiality of the designation or policy in the same manner as the agency, organization, or unit maintains personnel or other similar records of the public safety officer.

FINDINGS

Pub. L. 117-172, §2, Aug. 16, 2022, 136 Stat. 2098, provided that: “Congress finds the following:

“(1) Every day, public safety officers, including police officers, firefighters, emergency medical technicians, and others, work to maintain the safety, health, and well-being of the communities they serve.

“(2) This means public safety officers are routinely called to respond to stressful and potentially traumatic situations, often putting their own lives in danger.

“(3) This work not only puts public safety officers at-risk for experiencing harm, serious injury, and cumulative and acute trauma, but also places them at up to 25.6 times higher risk for developing post-traumatic stress disorder when compared to individuals without such experiences.

“(4) Psychological evidence indicates that law enforcement officers experience significant job-related stressors and exposures that may confer increased risk for mental health morbidities (such as post-traumatic stress disorder and suicidal thoughts, ideation, intents, and behaviors) and hastened mortality.

“(5) Public safety officers often do not have the resources or support they need, leaving them at higher risk for long-term mental health consequences.

“(6) Whereas, although the Department of Defense already considers servicemember suicides to be line-of-duty deaths and provides Federal support to eligible surviving families, the Federal Government does not recognize public safety officer suicides as deaths in the line of duty.

“(7) In 2017, the Department of Justice approved 481 claims under the Public Safety Officers’ Benefits Program under subpart 1 of part L of title I of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. 10281 et seq.), but not one of them for the more than 240 public safety officers who died by suicide that year.

“(8) Public safety officers who have died or are disabled as a result of suicide or post-traumatic stress disorder do not qualify for the Public Safety Officers’ Benefits Program, despite the fact that public safety officers are more likely to die by suicide than from any other line-of-duty cause of death.”

SAFEGUARDING AMERICA’S FIRST RESPONDERS

Pub. L. 116-157, Aug. 14, 2020, 134 Stat. 704, as amended by Pub. L. 117-61, §9, Nov. 18, 2021, 135 Stat. 1481, provided that:

“SECTION 1. SHORT TITLE.

“This Act may be cited as the ‘Safeguarding America’s First Responders Act of 2020’.

“SEC. 2. SENSE OF CONGRESS; PURPOSE.

“(a) SENSE OF CONGRESS.—It is the sense of Congress that—

“(1) an infectious disease pandemic known as COVID-19 exists;

“(2) to date, there is much still unknown about COVID-19, but it is known that COVID-19 and related complications may be fatal;

“(3) services provided by public safety officers are nonetheless essential during this pandemic;

“(4) due to the COVID-19 pandemic and what is currently known about how the disease is spread, public safety officers are uncharacteristically at risk of contracting the disease; and

“(5) although the Public Safety Officers’ Benefits program currently covers deaths and permanent and total disabilities resulting from infectious disease sustained by public safety officers in carrying out their duties, the determination of claims involving personal injuries believed to have resulted from COVID-19 or its complications may be uniquely challenging or delayed given the lack of—

“(A) definitive testing and medical records at this time; and

“(B) a definitive uniform body of medical information about how the disease is spread or its effects.

“(b) PURPOSE.—The purpose of this Act is to establish a carefully drawn framework wherein claims under the Public Safety Officers’ Benefits program, arising under the unique circumstances described in subsection (a), can be processed expeditiously and under fair and clear standards.

“SEC. 3. PUBLIC SAFETY OFFICER BENEFITS.

“(a) DEATH BENEFITS.—As determined by the Bureau of Justice Assistance, unless competent medical evidence establishes that the death of a public safety officer (as defined in section 1204 of title I of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. 10284)) was directly and proximately caused by something other than COVID-19, COVID-19 (or complications therefrom) suffered by the public safety officer shall be presumed to constitute a personal injury within the meaning of section 1201(a) of title I of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. 10281(a)), sustained in the line of duty by the officer and directly and proximately resulting in death, if—

“(1) the officer engaged in a line of duty action or activity during the period beginning on January 1, 2020, and ending on the termination date;

“(2) the officer was diagnosed with COVID-19 (or evidence indicates that the officer had COVID-19) during the 45-day period beginning on the last day of duty of the officer; and

“(3) evidence indicates that the officer had COVID-19 (or complications therefrom) at the time of the officer’s death.

“(b) **DISABILITY BENEFITS.**—As determined by the Bureau of Justice Assistance, COVID-19 (or complications therefrom) suffered by a public safety officer shall be presumed to constitute a personal injury within the meaning of section 1201(b) of title I of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. 10281(b)), sustained in the line of duty by the officer, if—

“(1) the officer engaged in a line of duty action or activity during the period beginning on January 1, 2020, and ending on the termination date; and

“(2) the officer was diagnosed with COVID-19 (or evidence indicates that the officer had COVID-19) during the 45-day period beginning on the last day of duty of the officer.

“(c) **TERMINATION DATE.**—For purposes of this section, the term ‘termination date’ means the earlier of—

“(1) the date on which the public health emergency declared by the Secretary of Health and Human Services under section 319 of the Public Health Service Act (42 U.S.C. 247d) on January 31, 2020, with respect to the Coronavirus Disease (COVID-19), expires; and

“(2) December 31, 2023.”

§ 10282. Limitations on benefits

(a) In general

No benefit shall be paid under this subchapter—

(1) if the fatal or catastrophic injury was caused by the intentional misconduct of the public safety officer or by such officer’s intention to bring about his death, disability, or injury;

(2) if the public safety officer was voluntarily intoxicated at the time of his fatal or catastrophic injury;

(3) if the public safety officer was performing his duties in a grossly negligent manner at the time of his fatal or catastrophic injury;

(4) to any individual who would otherwise be entitled to a benefit under this subchapter if such individual’s actions were a substantial contributing factor to the fatal or catastrophic injury of the public safety officer; or

(5) with respect to any individual employed in a capacity other than a civilian capacity.

(b) Presumption

In determining whether a benefit is payable under this subchapter, the Bureau—

(1) shall presume that none of the limitations described in subsection (a) apply; and

(2) shall not determine that a limitation described in subsection (a) applies, absent clear and convincing evidence.

FINDINGS

Pub. L. 117-103, div. W, title XV, §1502, Mar. 15, 2022, 136 Stat. 951, provided that: “Congress finds the following:

“(1) Approximately 1 in 15 children is exposed to domestic violence each year.

“(2) Most child abuse is perpetrated in the family and by a parent. Intimate partner violence and child abuse overlap in the same families at rates between 30 and 60 percent. A child’s risk of abuse increases after a perpetrator of intimate partner violence separates from a domestic partner, even when the perpetrator has not previously directly abused the child. Children who have witnessed intimate partner violence are approximately 4 times more likely to experience direct child maltreatment than children who have not witnessed intimate partner violence.

“(3) More than 75 percent of child sexual abuse is perpetrated by a family member or a person known to the child. Data of the Department of Justice shows that family members are 49 percent, or almost half, of the perpetrators of crimes against child sex assault victims younger than 6 years of age.

“(4) Research suggests a child’s exposure to a batterer is among the strongest indicators of risk of incest victimization. One study found that female children with fathers who are batterers of their mothers were 6.5 times more likely to experience father-daughter incest than female children who do not have abusive fathers.

“(5) Child abuse is a major public health issue in the United States. Total lifetime financial costs associated with just 1 year of confirmed cases of child maltreatment, including child physical abuse, sexual abuse, psychological abuse, and neglect, result in \$124,000,000,000 in annual costs to the economy of the United States, or approximately 1 percent of the gross domestic product of the United States.

“(6) Empirical research indicates that courts regularly discount allegations of child physical and sexual abuse when those allegations are raised in child custody cases. Courts believed less than ¼ of claims that a father has committed child physical or sexual abuse. With respect to cases in which an allegedly abusive parent claimed the mother “alienated” the child, courts believed only 1 out of 51 claims of sexual molestation by a father. Independent research indicates that child sexual abuse allegations are credible between 50 and 70 percent of the time.

“(7) Empirical research shows that alleged or known abusive parents are often granted custody or unprotected parenting time by courts. Approximately ⅓ of parents alleged to have committed child abuse took primary custody from the protective parent reporting the abuse, placing children at ongoing risk.

“(8) Researchers have documented nearly 800 child murders in the United States since 2008 committed by a divorcing or separating parent. More than 100 of these child murders are known to have occurred after a court ordered the child to have contact with the dangerous parent over the objection of a safe parent or caregiver.

“(9) Scientifically unsound theories that treat abuse allegations of mothers as likely false attempts to undermine fathers are frequently applied in family court to minimize or deny reports of abuse of parents and children. Many experts who testify against abuse allegations lack expertise in the relevant type of alleged abuse, relying instead on unsound and unproven theories.

“(10) Judges presiding over custody cases involving allegations of child abuse, child sexual abuse, and domestic violence are rarely required to receive train-

ing on these subjects, and most States have not established standards for such training.”

“(5) the Executive Committee for Indian Country Law Enforcement Improvements reports that violent crime in Indian country has risen sharply, despite a decrease in the national crime rate, and has concluded that there is a ‘public safety crisis in Indian country’.”

FINDINGS AND PURPOSE OF 1998 AMENDMENTS

Pub. L. 105-181, §2, June 16, 1998, 112 Stat. 512, provided that:

“(a) FINDINGS.—Congress finds that—

“(1) the number of law enforcement officers who are killed in the line of duty would significantly decrease if every law enforcement officer in the United States had the protection of an armor vest;

“(2) according to studies, between 1985 and 1994, 709 law enforcement officers in the United States were feloniously killed in the line of duty;

“(3) the Federal Bureau of Investigation estimates that the risk of fatality to law enforcement officers while not wearing an armor vest is 14 times higher than for officers wearing an armor vest;

“(4) the Department of Justice estimates that approximately 150,000 State, local, and tribal law enforcement officers, nearly 25 percent, are not issued body armor;

“(5) according to studies, between 1985 and 1994, bullet-resistant materials helped save the lives of more than 2,000 law enforcement officers in the United States; and

“(6) the Executive Committee for Indian Country Law Enforcement Improvements reports that violent crime in Indian country has risen sharply, despite a decrease in the national crime rate, and has concluded that there is a ‘public safety crisis in Indian country’.

“(b) PURPOSE.—The purpose of this Act [see Short Title of 1998 Act note set out under section 10101 of this title] is to save lives of law enforcement officers by helping State, local, and tribal law enforcement agencies provide officers with armor vests.”

§ 10532. Applications

(d) Applications in conjunction with purchases

If an application under this section is submitted in conjunction with a transaction for the purchase of armor vests, grant amounts under this section may not be used to fund any portion of that purchase unless, before the application is submitted, the applicant—

(1) receives clear and conspicuous notice that receipt of the grant amounts requested in the application is uncertain; and

2000—Par. (1). Pub. L. 106–517 designated provisions after “‘armor vest’ means” as subpar. (A) and added subpar. (B).

Statutory Notes and Related Subsidiaries

INTERIM DEFINITION OF ARMOR VEST

Pub. L. 106–517, §3(e), Nov. 13, 2000, 114 Stat. 2408, provided that: “For purposes of part Y of title I of the Omnibus Crime Control and Safe Streets Act of 1968 [34 U.S.C. 10531 et seq.], as amended by this Act, the meaning of the term ‘armor vest’ (as defined in section 2503 of such Act (42 U.S.C. 3796*ll*–2) [now 34 U.S.C. 10533]) shall, until the date on which a final NIJ Standard 0115.00 is first fully approved and implemented, also include body armor which has been found to meet or exceed the requirements for protection against stabbing established by the State in which the grantee is located.”

§ 10534. James Guelff and Chris McCurley Body Armor Act of 2002

(a) Short title

This section may be cited as the “James Guelff and Chris McCurley Body Armor Act of 2002”.

(b) Findings

Congress finds that—

(1) nationally, police officers and ordinary citizens are facing increased danger as criminals use more deadly weaponry, body armor, and other sophisticated assault gear;

(2) crime at the local level is exacerbated by the interstate movement of body armor and other assault gear;

(3) there is a traffic in body armor moving in or otherwise affecting interstate commerce, and existing Federal controls over such traffic do not adequately enable the States to control this traffic within their own borders through the exercise of their police power;

(4) recent incidents, such as the murder of San Francisco Police Officer James Guelff by an assailant wearing 2 layers of body armor, a 1997 bank shoot out in north Hollywood, California, between police and 2 heavily armed suspects outfitted in body armor, and the 1997 murder of Captain Chris McCurley of the Etowah County, Alabama Drug Task Force by a drug dealer shielded by protective body armor, demonstrate the serious threat to community safety posed by criminals who wear body armor during the commission of a violent crime;

(5) of the approximately 1,500 officers killed in the line of duty since 1980, more than 30 percent could have been saved by body armor, and the risk of dying from gunfire is 14 times higher for an officer without a bulletproof vest;

(6) the Department of Justice has estimated that 25 percent of State and local police are not issued body armor;

(7) the Federal Government is well-equipped to grant local police departments access to body armor that is no longer needed by Federal agencies; and

(8) Congress has the power, under the interstate commerce clause and other provisions of the Constitution of the United States, to enact legislation to regulate interstate commerce that affects the integrity and safety of our communities.

(c) Definitions

In this section:

(1) Body armor

The term “body armor” means any product sold or offered for sale, in interstate or foreign commerce, as personal protective body covering intended to protect against gunfire, regardless of whether the product is to be worn alone or is sold as a complement to another product or garment.

(2) Law enforcement agency

The term “law enforcement agency” means an agency of the United States, a State, or a political subdivision of a State, authorized by law or by a government agency to engage in or

supervise the prevention, detection, investigation, or prosecution of any violation of criminal law.

(3) Law enforcement officer

The term “law enforcement officer” means any officer, agent, or employee of the United States, a State, or a political subdivision of a State, authorized by law or by a government agency to engage in or supervise the prevention, detection, investigation, or prosecution of any violation of criminal law.

(d) Amendment of sentencing guidelines with respect to body armor

(1) In general

Pursuant to its authority under section 994(p) of title 28, the United States Sentencing Commission shall review and amend the Federal sentencing guidelines and the policy statements of the Commission, as appropriate, to provide an appropriate sentencing enhancement for any crime of violence (as defined in section 16 of title 18) or drug trafficking crime (as defined in section 924(c) of title 18) (including a crime of violence or drug trafficking crime that provides for an enhanced punishment if committed by the use of a deadly or dangerous weapon or device) in which the defendant used body armor.

(2) Sense of Congress

It is the sense of Congress that any sentencing enhancement under this subsection should be at least 2 levels.

(e) Omitted

(f) Donation of Federal surplus body armor

(1) Definitions

In this subsection, the terms “Federal agency” and “surplus property” have the meanings given such terms under section 102 of title 40.

(2) Donation of body armor

Notwithstanding sections 541–555 of title 40, the head of a Federal agency may donate body armor directly to any State or local law enforcement agency, if such body armor—

(A) is in serviceable condition;

(B) is surplus property; and

(C) meets or exceeds the requirements of National Institute of Justice Standard 0101.03 (as in effect on November 2, 2002).

(3) Notice to Administrator

The head of a Federal agency who donates body armor under this subsection shall submit to the Administrator of General Services a written notice identifying the amount of body armor donated and each State or local law enforcement agency that received the body armor.

(4) Donation by certain officers

(A) Department of Justice

In the administration of this subsection with respect to the Department of Justice, in addition to any other officer of the Department of Justice designated by the Attorney General, the following officers may act as the head of a Federal agency:

(i) The Administrator of the Drug Enforcement Administration.

(ii) The Director of the Federal Bureau of Investigation.

(iii) The Commissioner of the Immigration and Naturalization Service.

(iv) The Director of the United States Marshals Service.

(B) Department of the Treasury

(i) The Director of the Bureau of Alcohol, Tobacco, and Firearms.

(ii) The Commissioner of U.S. Customs and Border Protection.

(iii) The Director of the United States Secret Service.

(5) No liability

Notwithstanding any other provision of law, the United States shall not be liable for any harm occurring in connection with the use or misuse of any body armor donated under this subsection.

REFERENCES IN TEXT

Section 60541(d)(3)(B) of this title, referred to in subsec. (j)(2)(A), was in the original “section 234(c)(2) of the Second Chance Act of 2007”, and was translated as reading “section 231(d)(3)(B) of the Second Chance Act of 2007”, meaning section 231(d)(3)(B) of Pub. L. 110–199, to reflect the probable intent of Congress, because Pub. L. 110–199 does not contain a section 234(c)(2), and section 231(d)(3)(B) of Pub. L. 110–199 relates to the selection of a measure for recidivism to be used by the Director of the Bureau of Justice Statistics.

§ 11101. Findings

(a) The Congress finds the following:

(1) Although the juvenile violent crime arrest rate in 1999 was the lowest in the decade, there remains a consensus that the number of crimes and the rate of offending by juveniles nationwide is still too high.

(2) According to the Office of Juvenile Justice and Delinquency Prevention, allowing 1

youth to leave school for a life of crime and of drug abuse costs society \$1,700,000 to \$2,300,000 annually.

(3) One in every 6 individuals (16.2 percent) arrested for committing violent crime in 1999 was less than 18 years of age. In 1999, juveniles accounted for 9 percent of murder arrests, 17 percent of forcible rape arrests, 25 percent of robbery arrest, 14 percent of aggravated assault arrests, and 24 percent of weapons arrests.

(4) More than ½ of juvenile murder victims are killed with firearms. Of the nearly 1,800 murder victims less than 18 years of age, 17 percent of the victims less than 13 years of age were murdered with a firearm, and 81 percent of the victims 13 years of age or older were killed with a firearm.

(5) Juveniles accounted for 13 percent of all drug abuse violation arrests in 1999. Between 1990 and 1999, juvenile arrests for drug abuse violations rose 132 percent.

(6) Over the last 3 decades, youth gang problems have increased nationwide. In the 1970's, 19 States reported youth gang problems. By the late 1990's, all 50 States and the District of Columbia reported gang problems. For the same period, the number of cities reporting youth gang problems grew 843 percent, and the number of counties reporting gang problems increased more than 1,000 percent.

(7) According to a national crime survey of individuals 12 years of age or older during 1999, those 12 to 19 years old are victims of violent crime at higher rates than individuals in all other age groups. Only 30.8 percent of these violent victimizations were reported by youth to police in 1999.

(8) One-fifth of juveniles 16 years of age who had been arrested were first arrested before attaining 12 years of age. Juveniles who are known to the juvenile justice system before attaining 13 years of age are responsible for a disproportionate share of serious crimes and violence.

(9) The increase in the arrest rates for girls and young juvenile offenders has changed the composition of violent offenders entering the juvenile justice system.

(10) These problems should be addressed through a 2-track common sense approach that addresses the needs of individual juveniles and society at large by promoting—

(A) quality prevention programs that—

(i) work with juveniles, their families, local public agencies, and community-based organizations, and take into consideration such factors as whether or not juveniles have been the victims of family violence (including child abuse and neglect); and

(ii) are designed to reduce risks and develop competencies in at-risk juveniles that will prevent, and reduce the rate of, violent delinquent behavior; and

(B) programs that assist in holding juveniles accountable for their actions and in developing the competencies necessary to become responsible and productive members of their communities, including a system of graduated sanctions to respond to each de-

linquent act, requiring juveniles to make restitution, or perform community service, for the damage caused by their delinquent acts, and methods for increasing victim satisfaction with respect to the penalties imposed on juveniles for their acts.

(11) Coordinated juvenile justice and delinquency prevention projects that meet the needs of juveniles through the collaboration of the many local service systems juveniles encounter can help prevent juveniles from becoming delinquent and help delinquent youth return to a productive life.

(b) Congress must act now to reform this program by focusing on juvenile delinquency prevention programs, as well as programs that hold juveniles accountable for their acts and which provide opportunities for competency development. Without true reform, the juvenile justice system will not be able to overcome the challenges it will face in the coming years when the number of juveniles is expected to increase by 18 percent between 2000 and 2030.

AMENDMENTS

2002—Pub. L. 107-273 amended heading and text generally. Prior to amendment, text read as follows:

“(a) The Congress hereby finds that—

“(1) juveniles accounted for almost half the arrests for serious crimes in the United States in 1974 and for less than one-third of such arrests in 1983;

“(2) recent trends show an upsurge in arrests of adolescents for murder, assault, and weapon use;

“(3) the small number of youth who commit the most serious and violent offenses are becoming more violent;

“(4) understaffed, overcrowded juvenile courts, prosecutorial and public defender offices, probation services, and correctional facilities and inadequately trained staff in such courts, services, and facilities are not able to provide individualized justice or effective help;

“(5) present juvenile courts, foster and protective care programs, and shelter facilities are inadequate to meet the needs of children, who, because of this failure to provide effective services, may become delinquents;

“(6) existing programs have not adequately responded to the particular problems of the increasing numbers of young people who are addicted to or who abuse alcohol and other drugs, particularly nonopiate or polydrug abusers;

“(7) juvenile delinquency can be reduced through programs designed to keep students in elementary and secondary schools through the prevention of unwarranted and arbitrary suspensions and expulsions;

“(8) States and local communities which experience directly the devastating failures of the juvenile justice system do not presently have sufficient technical expertise or adequate resources to deal comprehensively with the problems of juvenile delinquency;

“(9) existing Federal programs have not provided the direction, coordination, resources, and leadership required to meet the crisis of delinquency;

“(10) the juvenile justice system should give additional attention to the problem of juveniles who commit serious crimes, with particular attention given to the areas of sentencing, providing resources necessary for informed dispositions, and rehabilitation;

“(11) emphasis should be placed on preventing youth from entering the juvenile justice system to begin with; and

“(12) the incidence of juvenile delinquency can be reduced through public recreation programs and activities designed to provide youth with social skills, enhance self esteem, and encourage the constructive use of discretionary time.

“(b) Congress finds further that the high incidence of delinquency in the United States today results in enormous annual cost and immeasurable loss of human life, personal security, and wasted human resources and that juvenile delinquency constitutes a growing threat to the national welfare requiring immediate and comprehensive action by the Federal Government to reduce and prevent delinquency.”

SUBCHAPTER III—RUNAWAY AND HOMELESS YOUTH**§ 11201. Findings**

The Congress finds that—

(1) youth who have become homeless or who leave and remain away from home without parental permission, are at risk of developing, and have a disproportionate share of, serious health, behavioral, and emotional problems because they lack sufficient resources to obtain care and may live on the street for extended periods thereby endangering themselves and creating a substantial law enforce-

ment problem for communities in which they congregate;

(2) many such young people, because of their age and situation, are urgently in need of temporary shelter and services, including services that are linguistically appropriate and acknowledge the environment of youth seeking these services;

(3) services to such young people should be developed and provided using a positive youth development approach that ensures a young person a sense of—

(A) safety and structure;

(B) belonging and membership;

(C) self-worth and social contribution;

(D) independence and control over one's life; and

(E) closeness in interpersonal relationships.¹

(4) in view of the interstate nature of the problem, it is the responsibility of the Federal Government to develop an accurate national reporting system to report the problem, and to assist in the development of an effective system of care (including preventive and aftercare services, emergency shelter services, extended residential shelter, and street outreach services) outside the welfare system and the law enforcement system;

(5) to make a successful transition to adulthood, runaway youth, homeless youth, and other street youth need opportunities to complete high school or earn a general equivalency degree, learn job skills, and obtain employment; and

(6) improved coordination and collaboration between the Federal programs that serve runaway and homeless youth are necessary for the development of a long-term strategy for responding to the needs of this population.

NATIONAL POLICE ATHLETIC/ACTIVITIES LEAGUE YOUTH ENRICHMENT

Pub. L. 106-367, Oct. 27, 2000, 114 Stat. 1412, as amended by Pub. L. 109-248, title VI, §§612-617, July 27, 2006, 120 Stat. 632, 633, provided that:

“SECTION 1. SHORT TITLE.

“This Act may be cited as the ‘National Police Athletic/Activities League Youth Enrichment Act of 2000’.

“SEC. 2. FINDINGS.

“Congress makes the following findings:

“(1) The goals of the Police Athletic/Activities League are to—

“(A) increase the academic success of youth participants in PAL programs;

“(B) promote a safe, healthy environment for youth under the supervision of law enforcement personnel where mutual trust and respect can be built;

“(C) develop life enhancing character and leadership skills in young people;

“(D) increase school attendance by providing alternatives to suspensions and expulsions;

“(E) reduce the juvenile crime rate in participating designated communities and the number of police calls involving juveniles during nonschool hours;

“(F) provide youths with alternatives to drugs, alcohol, tobacco, and gang activity;

“(G) create positive communications and interaction between youth and law enforcement personnel; and

“(H) prepare youth for the workplace.

“(2) The Police Athletic/Activities League, during its 90-year history as a national organization, has proven to be a positive force in the communities it serves.

“(3) The Police Athletic/Activities League is a network of 1,700 facilities serving over 3,000 communities. There are 350 PAL chapters throughout the United States, the Virgin Islands, and the Commonwealth of Puerto Rico, serving 2,000,000 youth, ages 5 to 18, nationwide.

“(4) Based on PAL chapter demographics, approximately 85 percent of the youths who benefit from PAL programs live in inner cities and urban areas.

“(5) PAL chapters are locally operated, volunteer-driven organizations. Although most PAL chapters are sponsored by a law enforcement agency, PAL chapters rarely receive direct funding from law enforcement agencies and are dependent in large part on support from the private sector, such as individuals, business leaders, corporations, and foundations.

PAL chapters have been exceptionally successful in balancing public funds with private sector donations and maximizing community involvement.

“(6) Today’s youth face far greater risks than did their parents and grandparents. Law enforcement statistics demonstrate that youth between the ages of 12 and 18 are at risk of committing violent acts and being victims of violent acts between the hours of 3 p.m. and 8 p.m.

“(7) Greater numbers of students are dropping out of school and failing in school, even though the consequences of academic failure are more dire in 2005 than ever before.

“(8) Many distressed areas in the United States are still underserved by PAL chapters.

“SEC. 3. PURPOSE.

“The purpose of this Act is to provide adequate resources in the form of—

“(1) assistance for the 342 established PAL chapters to increase of services to the communities they are serving;

“(2) seed money for the establishment of 250 (50 per year over a 5-year period) additional local PAL chapters in public housing projects and other distressed areas, including distressed areas with a majority population of Native Americans, by not later than fiscal year 2010; and

“(3) support of an annual gathering of PAL chapters and designated youth leaders from such chapters to participate in a 3-day conference that addresses national and local issues impacting the youth of America and includes educational sessions to advance character and leadership skills.

“SEC. 4. DEFINITIONS.

“(2) DISTRESSED AREA.—The term ‘distressed area’ means an urban, suburban, or rural area with a high percentage of high-risk youth, as defined in section 509A of the Public Health Service Act (42 U.S.C. 290aa–8(f)) [transferred to 42 U.S.C. 290bb–23(g) and repealed by Pub. “(4) request donations of computer equipment and other materials and equipment; and

“(5) work with State and local park and recreation agencies so that activities funded with amounts made available under a grant under this Act will not duplicate activities funded from other sources in the community served.

“SEC. 7. REPORTS.

“(a) REPORT TO ASSISTANT ATTORNEY GENERAL.—For each fiscal year for which a grant is awarded under this Act, the Police Athletic/Activities League shall submit to the Assistant Attorney General a report on the use of amounts made available under the grant.

§ 11322. Accountability and oversight

(a) Sense of Congress

It is the sense of Congress that, in order to ensure that at-risk youth, and youth who come into contact with the juvenile justice system or the criminal justice system, are treated fairly and that the outcome of that contact is beneficial to the Nation—

(1) the Department of Justice, through its Office of Juvenile Justice and Delinquency Prevention, must restore meaningful enforcement of the core requirements in subchapter II; and

(2) States, which are entrusted with a fiscal stewardship role if they accept funds under subchapter II¹ must exercise vigilant oversight to ensure full compliance with the core requirements for juveniles provided for in subchapter II.

(b) Accountability

(1) Agency program review

(A) Programmatic and financial assessment

(i) In general

Not later than 60 days after December 21, 2018, the Director of the Office of Audit, Assessment, and Management of the Office of Justice Programs at the Department of Justice (referred to in this section as the “Director”) shall—

(I) conduct a comprehensive analysis and evaluation of the internal controls of the Office of Juvenile Justice and Delinquency Prevention (referred to in this section as the “agency”) to determine if States and Indian Tribes receiving grants are following the requirements of the agency grant programs and what remedial action the agency has taken to recover any grant funds that are expended in violation of grant programs, including instances where—

(aa) supporting documentation was not provided for cost reports;

(bb) unauthorized expenditures occurred; and

(cc) subrecipients of grant funds were not in compliance with program requirements;

¹ So in original. Probably should be followed by a comma.

(II) conduct a comprehensive audit and evaluation of a selected statistically significant sample of States and Indian Tribes (as determined by the Director) that have received Federal funds under subchapter II, including a review of internal controls to prevent fraud, waste, and abuse of funds by grantees; and

(III) submit a report in accordance with clause (iv).

(ii) Considerations for evaluations

In conducting the analysis and evaluation under clause (i)(I), and in order to document the efficiency and public benefit of subchapters II and V, the Director shall take into consideration the extent to which—

(I) greater oversight is needed of programs developed with grants made by the agency;

(II) changes are necessary in the authorizing statutes of the agency in order that the functions of the agency can be performed in a more efficient and effective manner; and

(III) the agency has implemented recommendations issued by the Comptroller General or Office of Inspector General relating to the grant making and grant monitoring responsibilities of the agency.

(iii) Considerations for audits

In conducting the audit and evaluation under clause (i)(II), and in order to document the efficiency and public benefit of subchapters II and V, the Director shall take into consideration—

(I) whether grantees timely file Financial Status Reports;

(II) whether grantees have sufficient internal controls to ensure adequate oversight of grant funds received;

(III) whether grantees' assertions of compliance with the core requirements were accompanied with adequate supporting documentation;

(IV) whether expenditures were authorized;

(V) whether subrecipients of grant funds were complying with program requirements; and

(VI) whether grant funds were spent in accordance with the program goals and guidelines.

(iv) Report

The Director shall—

(I) submit to the Congress a report outlining the results of the analysis, evaluation, and audit conducted under clause (i), including supporting materials, to the Speaker of the House of Representatives and the President pro tempore of the Senate; and

(II) shall² make such report available to the public online, not later than 1 year after December 21, 2018.

(B) Analysis of internal controls

(i) In general

FINDINGS

Pub. L. 109-162, title II, §201, Jan. 5, 2006, 119 Stat. 2993, provided that: “Congress finds the following:

“(1) Nearly ⅓ of American women report physical or sexual abuse by a husband or boyfriend at some point in their lives.

“(2) According to the National Crime Victimization Survey, 248,000 Americans 12 years of age and older were raped or sexually assaulted in 2002.

“(3) Rape and sexual assault in the United States is estimated to cost \$127,000,000,000 per year, including—

“(A) lost productivity;

“(B) medical and mental health care;

“(C) police and fire services;

“(D) social services;

“(E) loss of and damage to property; and

“(F) reduced quality of life.

“(4) Nonreporting of sexual assault in rural areas is a particular problem because of the high rate of non-stranger sexual assault.

“(5) Geographic isolation often compounds the problems facing sexual assault victims. The lack of anonymity and accessible support services can limit opportunities for justice for victims.

“(6) Domestic elder abuse is primarily family abuse. The National Elder Abuse Incidence Study found that the perpetrator was a family member in 90 percent of cases.

“(7) Barriers for older victims leaving abusive relationships include—

“(A) the inability to support themselves;

“(B) poor health that increases their dependence on the abuser;

“(C) fear of being placed in a nursing home; and

“(D) ineffective responses by domestic abuse programs and law enforcement.

“(8) Disabled women comprise another vulnerable population with unmet needs. Women with disabilities are more likely to be the victims of abuse and violence than women without disabilities because of their increased physical, economic, social, or psychological dependence on others.

“(9) Many women with disabilities also fail to report the abuse, since they are dependent on their abusers and fear being abandoned or institutionalized.

“(10) Of the 598 battered women’s programs surveyed—

“(A) only 35 percent of these programs offered disability awareness training for their staff; and

“(B) only 16 percent dedicated a staff member to provide services to women with disabilities.

“(11) Problems of domestic violence are exacerbated for immigrants when spouses control the immigration status of their family members, and abusers use threats of refusal to file immigration papers and threats to deport spouses and children as powerful tools to prevent battered immigrant women from seeking help, trapping battered immigrant women in violent homes because of fear of deportation.

“(12) Battered immigrant women who attempt to flee abusive relationships may not have access to bilingual shelters or bilingual professionals, and face restrictions on public or financial assistance. They may also lack assistance of a certified interpreter in court, when reporting complaints to the police or a 9-1-1 operator, or even in acquiring information about their rights and the legal system.

“(13) More than 500 men and women call the National Domestic Violence Hotline every day to get immediate, informed, and confidential assistance to help deal with family violence.

“(14) The National Domestic Violence Hotline service is available, toll-free, 24 hours a day and 7 days a week, with bilingual staff, access to translators in 150 languages, and a TTY line for the hearing-impaired.

“(15) With access to over 5,000 shelters and service providers across the United States, Puerto Rico, and the United States Virgin Islands, the National Domestic Violence Hotline provides crisis intervention and immediately connects callers with sources of help in their local community.

“(16) Approximately 60 percent of the callers indicate that calling the Hotline is their first attempt to address a domestic violence situation and that they have not called the police or any other support services.

“(17) Between 2000 and 2003, there was a 27 percent increase in call volume at the National Domestic Violence Hotline.

“(18) Improving technology infrastructure at the National Domestic Violence Hotline and training advocates, volunteers, and other staff on upgraded technology will drastically increase the Hotline’s ability to answer more calls quickly and effectively.”

Pub. L. 109-162, title III, §301, Jan. 5, 2006, 119 Stat. 3003, provided that: “Congress finds the following:

“(1) Youth, under the age of 18, account for 67 percent of all sexual assault victimizations reported to law enforcement officials.

“(2) The Department of Justice consistently finds that young women between the ages of 16 and 24 experience the highest rate of non-fatal intimate partner violence.

“(3) In 1 year, over 4,000 incidents of rape or sexual assault occurred in public schools across the country.

“(4) Young people experience particular obstacles to seeking help. They often do not have access to money, transportation, or shelter services. They must overcome issues such as distrust of adults, lack of knowledge about available resources, or pressure from peers and parents.

“(5) A needs assessment on teen relationship abuse for the State of California, funded by the California Department of Health Services, identified a desire for confidentiality and confusion about the law as 2 of the most significant barriers to young victims of domestic and dating violence seeking help.

“(6) Only one State specifically allows for minors to petition the court for protection orders.

“(7) Many youth are involved in dating relationships, and these relationships can include the same kind of domestic violence and dating violence seen in the adult population. In fact, more than 40 percent of all incidents of domestic violence involve people who are not married.

“(8) 40 percent of girls ages 14 to 17 report knowing someone their age who has been hit or beaten by a boyfriend, and 13 percent of college women report being stalked.

“(9) Of college women who said they had been the victims of rape or attempted rape, 12.8 percent of completed rapes, 35 percent of attempted rapes, and 22.9 percent of threatened rapes took place on a date. Almost 60 percent of the completed rapes that occurred on campus took place in the victim’s residence.

“(10) According to a 3-year study of student-athletes at 10 Division I universities, male athletes made up only 3.3 percent of the general male university population, but they accounted for 19 percent of the students reported for sexual assault and 35 percent of domestic violence perpetrators.”

DEFINITIONS AND GRANT CONDITIONS

Pub. L. 117-103, div. W, §2(b), Mar. 15, 2022, 136 Stat. 846, provided that: “Section 40002 of the Violence Against Women Act of 1994 (34 U.S.C. 12291) shall apply

to this Act [div. W of Pub. L. 107-103, see Tables for classification] and any grant program authorized under this Act.”

Executive Documents

ESTABLISHMENT OF THE WHITE HOUSE TASK FORCE TO ADDRESS ONLINE HARASSMENT AND ABUSE

Memorandum of President of the United States, June 16, 2022, 87 F.R. 37431, provided:

Memorandum for the Heads of Executive Departments and Agencies

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to improve efforts to prevent and address online harassment and abuse, it is hereby ordered as follows:

SECTION 1. *Policy.* Technology platforms and social media can be vital tools for expression, civic participation, and building a sense of community. But the scale, reach, and amplification effects of technology platforms have also exacerbated gender-based violence, particularly through online harassment and abuse. Online harassment and abuse include a broad array of harmful and sometimes illegal behaviors that are perpetrated through the use of technology. Women, adolescent girls, and LGBTQI+ individuals, who may be additionally targeted because of their race, ethnicity, religion, and other factors, can experience more severe harms from online harassment and abuse. Online harassment and abuse take many forms, including the non-consensual distribution of intimate digital images; cyberstalking; sextortion; doxing; malicious deep fakes; gendered disinformation; rape and death threats; the online recruitment and exploitation of victims of sex trafficking; and various forms of technology-facilitated intimate partner abuse. In the United States, 1 in 3 women under the age of 35 reports having been sexually harassed online, and over half of LGBTQI+ individuals report having been the target of severe online abuse, including sustained harassment, physical threats, and stalking in addition to sexual harassment. Globally, half of girls report that they are more likely to be harassed through social media than on the street.

In the United States and around the world, women and LGBTQI+ political leaders, public figures, activists, and journalists are especially targeted by sexualized forms of online harassment and abuse, undermining their ability to exercise their human rights and participate in democracy, governance, and civic life. Online abuse and harassment, which aim to preclude women from political decision-making about their own lives and communities, undermine the functioning of democracy. Growing evidence also demonstrates that online radicalization can be linked to gender-based violence, which, along with other forms of abuse and harassment, spans the digital and physical realms. Online harassment and abuse can result in a range of dire consequences for victims, from psychological distress and self-censorship to economic losses, disruptions to education, increased self-harm, suicide, homicide, and other forms of physical and sexual violence. Further, digital technologies are often used in concert with other forms of abuse and harassment, underscoring the urgency of addressing the interplay of in-person and online harms. More research is needed to fully understand the nature, magnitude, and costs of these harms and ways to address them in the United States and globally.

Therefore, I am directing the Director of the White House Gender Policy Council and the Assistant to the President for National Security Affairs to lead an interagency effort to address online harassment and abuse, specifically focused on technology-facilitated gender-based violence, and to develop concrete recommendations to improve prevention, response, and protection efforts through programs and policies in the United States and globally.

SEC. 2. *Establishment.* There is established within the Executive Office of the President the White House Task

Force to Address Online Harassment and Abuse (Task Force).

SEC. 3. *Membership.* (a) The Director of the White House Gender Policy Council and the Assistant to the President for National Security Affairs, or their designees, shall serve as Co-Chairs of the Task Force.

(c) A member of the Task Force may designate, to perform the Task Force functions of the member, senior officials within the member's executive department, agency, or office who are full-time officers or employees of the Federal Government.

SEC. 4. *Mission and Function.* (a) The Task Force shall work across executive departments, agencies, and offices to assess and address online harassment and abuse that constitute technology-facilitated gender-based violence, including by:

- (i) improving coordination among executive departments, agencies, and offices to maximize the Federal Government's effectiveness in preventing and addressing technology-facilitated gender-based violence in the United States and globally, including by developing policy solutions to enhance accountability for those who perpetrate online harms;

- (vi) identifying additional opportunities to improve efforts to prevent and address technology-facilitated gender-based violence in United States foreign policy and foreign assistance, including through the Global Partnership for Action on Gender-Based Online Harassment and Abuse.

§ 12312. Confidentiality of communications between sexual assault or domestic violence victims and their counselors

(a) Study and development of model legislation

The Attorney General shall—

(1) study and evaluate the manner in which the States have taken measures to protect the confidentiality of communications between sexual assault or domestic violence victims and their therapists or trained counselors;

(2) develop model legislation that will provide the maximum protection possible for the confidentiality of such communications, within any applicable constitutional limits, taking into account the following factors:

(A) the danger that counseling programs for victims of sexual assault and domestic violence will be unable to achieve their goal of helping victims recover from the trauma associated with these crimes if there is no assurance that the records of the counseling sessions will be kept confidential;

(B) consideration of the appropriateness of an absolute privilege for communications between victims of sexual assault or domestic violence and their therapists or trained counselors, in light of the likelihood that such an absolute privilege will provide the maximum guarantee of confidentiality but also in light of the possibility that such an absolute privilege may be held to violate the rights of criminal defendants under the Federal or State constitutions by denying them the opportunity to obtain exculpatory evidence and present it at trial; and

(C) consideration of what limitations on the disclosure of confidential communications between victims of these crimes and their counselors, short of an absolute privilege, are most likely to ensure that the counseling programs will not be undermined, and specifically whether no such disclosure should be allowed unless, at a minimum, there has been a particularized showing by a criminal defendant of a compelling need for records of such communications, and adequate procedural safeguards are in place to prevent unnecessary or damaging disclosures; and

(3) prepare and disseminate to State authorities the findings made and model legislation developed as a result of the study and evaluation.

(b) Report and recommendations

Not later than the date that is 1 year after September 13, 1994, the Attorney General shall report to the Congress—

(2) recommendations based on the findings on the need for and appropriateness of further action by the Federal Government.

(c) Review of Federal evidentiary rules

The Judicial Conference of the United States shall evaluate and report to Congress its views on whether the Federal Rules of Evidence should be amended, and if so, how they should be amended, to guarantee that the confidentiality of communications between sexual assault victims and their therapists or trained counselors will be adequately protected in Federal court proceedings.

PART K—STRENGTHENING AMERICA’S FAMILIES BY PREVENTING VIOLENCE AGAINST WOMEN AND CHILDREN

§ 12461. Findings

Congress finds that—

(1) the former United States Advisory Board on Child Abuse suggests that domestic violence may be the single major precursor to child abuse and neglect fatalities in this country;

(2) studies suggest that as many as 10,000,000 children witness domestic violence every year;

(3) studies suggest that among children and teenagers, recent exposure to violence in the home was a significant factor in predicting a child’s violent behavior;

(4) a study by the Nurse-Family Partnership found that children whose parents did not participate in home visitation programs that provided coaching in parenting skills, advice and support, were almost 5 times more likely to be abused in their first 2 years of life;

(5) a child's exposure to domestic violence seems to pose the greatest independent risk for being the victim of any act of partner violence as an adult;

(6) children exposed to domestic violence are more likely to believe that using violence is an effective means of getting one's needs met and managing conflict in close relationships;

(7) children exposed to abusive parenting, harsh or erratic discipline, or domestic violence are at increased risk for juvenile crime; and

(8) in a national survey of more than 6,000 American families, 50 percent of men who frequently assaulted their wives also frequently abused their children.

(Pub. L. 103-322, title IV, § 41301, as added Pub. L. 109-162, title IV, § 401, Jan. 5, 2006, 119 Stat. 3017.)

PART L—ADDRESSING THE HOUSING NEEDS OF VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING

SUBPART 1—GRANT PROGRAMS

§ 12471. Findings

Congress finds that:

(1) There is a strong link between domestic violence and homelessness. Among cities surveyed, 44 percent identified domestic violence as a primary cause of homelessness.

(2) Ninety-two percent of homeless women have experienced severe physical or sexual abuse at some point in their lives. Of all homeless women and children, 60 percent had been abused by age 12, and 63 percent have been victims of intimate partner violence as adults.

(3) Women and families across the country are being discriminated against, denied access to, and even evicted from public and subsidized housing because of their status as victims of domestic violence.

(4) A recent survey of legal service providers around the country found that these providers have responded to almost 150 documented eviction cases in the last year alone where the tenant was evicted because of the domestic violence crimes committed against her. In addition, nearly 100 clients were denied housing because of their status as victims of domestic violence.

(5) Women who leave their abusers frequently lack adequate emergency shelter options. The lack of adequate emergency options for victims presents a serious threat to their safety and the safety of their children. Requests for emergency shelter by homeless women with children increased by 78 percent of United States cities surveyed in 2004. In the same year, 32 percent of the requests for shelter by homeless families went unmet due to the lack of available emergency shelter beds.

(6) The average stay at an emergency shelter is 60 days, while the average length of time it takes a homeless family to secure housing is 6 to 10 months.

(7) Victims of domestic violence often return to abusive partners because they cannot find long-term housing.

(8) There are not enough Federal housing rent vouchers available to accommodate the number of people in need of long-term housing. Some people remain on the waiting list for Federal housing rent vouchers for years, while some lists are closed.

(9) Transitional housing resources and services provide an essential continuum between emergency shelter provision and independent living. A majority of women in transitional housing programs stated that had these programs not existed, they would have likely gone back to abusive partners.

(10) Because abusers frequently manipulate finances in an effort to control their partners, victims often lack steady income, credit history, landlord references, and a current address, all of which are necessary to obtain long-term permanent housing.

(11) Victims of domestic violence in rural areas face additional barriers, challenges, and unique circumstances, such as geographical isolation, poverty, lack of public transportation systems, shortages of health care providers, under-insurance or lack of health insurance, difficulty ensuring confidentiality in small communities, and decreased access to many resources (such as advanced education, job opportunities, and adequate childcare).

(12) Congress and the Secretary of Housing and Urban Development have recognized in recent years that families experiencing domestic violence have unique needs that should be addressed by those administering the Federal housing programs.

(Pub. L. 103-322, title IV, § 41401, as added Pub. L. 109-162, title VI, § 601, Jan. 5, 2006, 119 Stat. 3030.)

§ 12472. Purpose

(1) protecting the safety of victims of domestic violence, dating violence, sexual assault, and stalking who reside in homeless shelters, public housing, assisted housing, tribally designated housing, or other emergency, transitional, permanent, or affordable housing, and ensuring that such victims have meaningful access to the criminal justice system without jeopardizing such housing;

(2) creating long-term housing solutions that develop communities and provide sustainable living solutions for victims of domestic violence, dating violence, sexual assault, and stalking;

(3) building collaborations among victim service providers, homeless service providers, housing providers, and housing agencies to provide appropriate services, interventions, and training to address the housing needs of victims of domestic violence, dating violence, sexual assault, and stalking; and

(4) enabling public and assisted housing agencies, tribally designated housing entities, private landlords, property management companies, and other housing providers and agencies to respond appropriately to domestic violence, dating violence, sexual assault, and stalking, while maintaining a safe environment for all housing residents.

§ 12475. Grants to combat violence against women in public and assisted housing

(a) Purpose

It is the purpose of this section to assist eligible grantees in responding appropriately to domestic violence, dating violence, sexual assault, and stalking so that the status of being a victim of such a crime is not a reason for the denial or loss of housing. Such assistance shall be accomplished through—

- (1) education and training of eligible entities;
- (2) development and implementation of appropriate housing policies and practices;
- (3) enhancement of collaboration with victim service providers and tenant organizations; and
- (4) reduction of the number of victims of such crimes who are evicted or denied housing because of crimes and lease violations committed or directly caused by the perpetrators of such crimes.

(b) Grants authorized

(1) In general

The Attorney General, acting through the Director of the Office on Violence Against Women of the Department of Justice (“Director”), and in consultation with the Secretary of Housing and Urban Development (“Secretary”), and the Secretary of Health and Human Services, acting through the Adminis-

tration for Children, Youth and Families (“ACYF”), shall award grants and contracts for not less than 2 years to eligible grantees to promote the full and equal access to and use of housing by adult and youth victims of domestic violence, dating violence, sexual assault, and stalking.

(2) Amounts

Not less than 15 percent of the funds appropriated to carry out this section shall be available for grants to tribally designated housing entities.

(3) Award basis

The Attorney General shall award grants and contracts under this section on a competitive basis.

(4) Limitation

Appropriated funds may only be used for the purposes described in subsection (f).

- (D) tribally designated housing entities; and
- (E) private, for-profit, and nonprofit owners or managers of assisted housing.

(2) Submission required for all grantees

To receive assistance under this section, an eligible grantee shall certify that—

- (A) its policies and practices do not prohibit or limit a resident’s right to summon police or other emergency assistance in response to domestic violence, dating violence, sexual assault, or stalking;
- (B) programs and services are developed that give a preference in admission to adult and youth victims of such violence, consistent with local housing needs, and applicable law and the Secretary’s instructions;
- (C) it does not discriminate against any person—

- (i) because that person is or is perceived to be, or has a family or household member who is or is perceived to be, a victim of such violence; or

- (ii) because of the actions or threatened actions of the individual who the victim, as certified in subsection (e), states has committed or threatened to commit acts of such violence against the victim, or against the victim’s family or household member;

- (D) plans are developed that establish meaningful consultation and coordination with local victim service providers, tenant organizations, linguistically and culturally specific service providers, population-specific organizations, State domestic violence and sexual assault coalitions, and, where they exist, tribal domestic violence and sexual assault coalitions; and

(E) its policies and practices will be in compliance with those described in this paragraph within the later of 1 year or a period selected by the Attorney General in consultation with the Secretary and ACYF.

(B) producing a Federal, State, tribal, territorial, or local police or court record.

(1) enabling victims of domestic violence, dating violence, sexual assault, and stalking with otherwise disqualifying rental, credit, or criminal histories to be eligible to obtain housing or housing assistance, if such victims would otherwise qualify for housing or housing assistance and can provide documented evidence that demonstrates the causal connection between such violence or abuse and the victims' negative histories;

(2) permitting applicants for housing or housing assistance to provide incomplete rental and employment histories, otherwise required as a condition of admission or assistance, if the victim believes that providing such rental and employment history would endanger the victim's or the victim children's safety;

(3) protecting victims' confidentiality, including protection of victims' personally identifying information, address, or rental history;

(4) assisting victims who need to leave a public housing, tribally designated housing, or assisted housing unit quickly to protect their safety, including those who are seeking transfer to a new public housing unit, tribally designated housing unit, or assisted housing unit, whether in the same or a different neighborhood or jurisdiction;

(1) In general

An applicant for or tenant of housing assisted under a covered housing program may

not be denied admission to, denied assistance under, terminated from participation in, or evicted from the housing on the basis that the applicant or tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for admission, assistance, participation, or occupancy.

(2) Construction of lease terms

An incident of actual or threatened domestic violence, dating violence, sexual assault, or stalking shall not be construed as—

(A) a serious or repeated violation of a lease for housing assisted under a covered housing program by the victim or threatened victim of such incident; or

(B) good cause for terminating the assistance, tenancy, or occupancy rights to housing assisted under a covered housing program of the victim or threatened victim of such incident.

(3) Termination on the basis of criminal activity

(A) Denial of assistance, tenancy, and occupancy rights prohibited

No person may deny assistance, tenancy, or occupancy rights to housing assisted under a covered housing program to a tenant solely on the basis of criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking that is engaged in by a member of the household of the tenant or any guest or other person under the control of the tenant, if the tenant or an affiliated individual of the tenant is the victim or threatened victim of such domestic violence, dating violence, sexual assault, or stalking.

(B) Bifurcation

(i) In general

Notwithstanding subparagraph (A), a public housing agency or owner or manager of housing assisted under a covered housing program may bifurcate a lease for the housing in order to evict, remove, or terminate assistance to any individual who is a tenant or lawful occupant of the housing and who engages in criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking against an affiliated individual or other individual, without evicting, removing, terminating assistance to, or otherwise penalizing a victim of such criminal activity who is also a tenant or lawful occupant of the housing.

(ii) Effect of eviction on other tenants

If public housing agency or owner or manager of housing assisted under a covered housing program evicts, removes, or terminates assistance to an individual under clause (i), and the individual is the sole tenant eligible to receive assistance under a covered housing program, the public housing agency or owner or manager of housing assisted under the covered housing program shall provide any remaining tenant or resident an opportunity to establish

eligibility for the covered housing program. If a tenant or resident described in the preceding sentence cannot establish eligibility, the public housing agency or owner or manager of the housing shall provide the tenant or resident a reasonable time, as determined by the appropriate agency, to find new housing or to establish eligibility for housing under another covered housing program.

(C) Rules of construction

Nothing in subparagraph (A) shall be construed—

(i) to limit the authority of a public housing agency or owner or manager of housing assisted under a covered housing program, when notified of a court order, to comply with a court order with respect to—

(I) the rights of access to or control of property, including civil protection orders issued to protect a victim of domestic violence, dating violence, sexual assault, or stalking; or

(II) the distribution or possession of property among members of a household in a case;

(ii) to limit any otherwise available authority of a public housing agency or owner or manager of housing assisted under a covered housing program to evict or terminate assistance to a tenant for any violation of a lease not premised on the act of violence in question against the tenant or an affiliated person of the tenant, if the public housing agency or owner or manager does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining whether to evict or terminate;

(iii) to limit the authority to terminate assistance to a tenant or evict a tenant from housing assisted under a covered housing program if a public housing agency or owner or manager of the housing can demonstrate that an actual and imminent threat to other tenants or individuals employed at or providing service to the property would be present if the assistance is not terminated or the tenant is not evicted; or

(iv) to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, sexual assault, or stalking.

(c) Documentation

(1) Request for documentation

If an applicant for, or tenant of, housing assisted under a covered housing program represents to a public housing agency or owner or manager of the housing that the individual is entitled to protection under subsection (b), the public housing agency or owner or manager may request, in writing, that the applicant or tenant submit to the public housing agency or owner or manager a form of documentation described in paragraph (3).

(2) Failure to provide certification**(A) In general**

If an applicant or tenant does not provide the documentation requested under paragraph (1) within 14 business days after the tenant receives a request in writing for such certification from a public housing agency or owner or manager of housing assisted under a covered housing program, nothing in this subpart may be construed to limit the authority of the public housing agency or owner or manager to—

- (i) deny admission by the applicant or tenant to the covered program;
- (ii) deny assistance under the covered program to the applicant or tenant;
- (iii) terminate the participation of the applicant or tenant in the covered program; or

A public housing agency or owner or manager of housing may extend the 14-day deadline under subparagraph (A) at its discretion.

(3) Form of documentation

A form of documentation described in this paragraph is—

(A) a certification form approved by the appropriate agency that—

- (i) states that an applicant or tenant is a victim of domestic violence, dating violence, sexual assault, or stalking;

(B) a document that—

- (i) is signed by—
 - (I) an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional, or a mental health professional from whom an applicant or tenant has sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of the abuse; and
 - (II) the applicant or tenant; and

(C) a record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency; or

- (A) requested or consented to by the individual in writing;
- (B) required for use in an eviction proceeding under subsection (b); or
- (C) otherwise required by applicable law.

(5) Documentation not required

Nothing in this subsection shall be construed to require a public housing agency or owner or manager of housing assisted under a covered housing program to request that an individual submit documentation of the status of the individual as a victim of domestic violence, dating violence, sexual assault, or stalking.

(6) Compliance not sufficient to constitute evidence of unreasonable act

Compliance with subsection (b) by a public housing agency or owner or manager of housing assisted under a covered housing program based on documentation received under this subsection, shall not be sufficient to constitute evidence of an unreasonable act or omission by the public housing agency or owner or manager or an employee or agent of the public housing agency or owner or manager. Nothing in this paragraph shall be construed to limit the liability of a public housing agency or owner or manager of housing assisted under a covered housing program for failure to comply with subsection (b).

(7) Response to conflicting certification

If a public housing agency or owner or manager of housing assisted under a covered housing program receives documentation under this subsection that contains conflicting information, the public housing agency or owner or manager may require an applicant or tenant to submit third-party documentation, as described in subparagraph (B), (C), or (D) of paragraph (3).

(8) Preemption

Nothing in this subsection shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this subsection for victims of domestic violence, dating violence, sexual assault, or stalking.

(d) Notification**(1) Development**

The Secretary of Housing and Urban Development shall develop a notice of the rights of individuals under this section, including the right to confidentiality and the limits thereof.

(e) Emergency transfers

Each appropriate agency shall adopt a model emergency transfer plan for use by public housing agencies and owners or managers of housing assisted under covered housing programs that—

(1) allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to transfer to another available and safe dwelling unit assisted under a covered housing program if—

(A) the tenant expressly requests the transfer; and

(B)(i) the tenant reasonably believes that the tenant is threatened with imminent harm from further violence if the tenant remains within the same dwelling unit assisted under a covered housing program; or

(ii) in the case of a tenant who is a victim of sexual assault, the sexual assault occurred on the premises during the 90 day period preceding the request for transfer; and

(2) incorporates reasonable confidentiality measures to ensure that the public housing agency or owner or manager does not disclose the location of the dwelling unit of a tenant to a person that commits an act of domestic violence, dating violence, sexual assault, or stalking against the tenant.

(f) Policies and procedures for emergency transfer

The Secretary of Housing and Urban Development shall establish policies and procedures under which a victim requesting an emergency transfer under subsection (e) may receive, subject to the availability of tenant protection vouchers, assistance under section 1437f(o) of title 42.

EFFECTIVE DATE OF 2013 AMENDMENT

FINDINGS

Pub. L. 117-103, div. W, title VII, § 701, Mar. 15, 2022, 136 Stat. 889, provided that: “Congress finds the following:

“(1) Over 1 in 3 women experience sexual violence, and 1 in 5 women have survived completed or attempted rape. Such violence has a devastating impact on women’s physical and emotional health, financial security, and ability to maintain their jobs, and thus impacts interstate commerce and economic security.

“(2) Homicide is one of the leading causes of death for women on the job. Domestic partners or relatives commit 43 percent of workplace homicides against women. One study found that intimate partner violence resulted in 142 homicides among women at work in the United States from 2003 to 2008, a figure which represents 22 percent of the 648 workplace homicides among women during the period. In fact, in 2010, homicides against women at work increased by 13 percent despite continuous declines in overall workplace homicides in recent years.

“(3) Violence can have a dramatic impact on the survivor of such violence. Studies indicate that 44 percent of surveyed employed adults experienced the effect of domestic violence in the workplace, and 64 percent indicated their workplace performance was affected by such violence. Another recent survey found that 78 percent of offenders used workplace resources to express anger, check up on, pressure, or threaten a survivor. Sexual assault, whether occurring in or out of the workplace, can impair an employee’s work performance, require time away from work, and undermine the employee’s ability to maintain a job. Nearly 50 percent of sexual assault survivors lose their jobs or are forced to quit in the aftermath of the assaults.

“(4) Studies find that 60 percent of single women lack economic security and 81 percent of households with single mothers live in economic insecurity. Significant barriers that survivors confront include access to housing, transportation, and child care. Ninety-two percent of homeless women have experienced domestic violence, and more than 50 percent of such women cite domestic violence as the direct cause for homelessness. Survivors are deprived of their autonomy, liberty, and security, and face tremendous threats to their health and safety.

“(5) The Centers for Disease Control and Prevention report that survivors of severe intimate partner violence lose nearly 8,000,000 days of paid work, which is the equivalent of more than 32,000 full-time jobs and almost 5,600,000 days of household productivity each year. Therefore, women disproportionately need time off to care for their health or to find safety solutions, such as obtaining a restraining order or finding housing, to avoid or prevent further violence.

“(6) Annual costs of intimate partner violence are estimated to be more than \$8,300,000,000. According to the Centers for Disease Control and Prevention, the costs of intimate partner violence against women in 1995 exceeded an estimated \$5,800,000,000. These costs included nearly \$4,100,000,000 in the direct costs of medical and mental health care and nearly \$1,800,000,000 in the indirect costs of lost productivity. These statistics are generally considered to be underestimated because the costs associated with the criminal justice system are not included.

“(7) Fifty-five percent of senior executives recently surveyed said domestic violence has a harmful effect on their company’s productivity, and more than 70 percent said domestic violence negatively affects attendance. Seventy-eight percent of human resources professionals consider partner violence a workplace issue. However, more than 70 percent of United States workplaces have no formal program or policy that addresses workplace violence, let alone domestic violence. In fact, only 4 percent of employers provided training on domestic violence.

“(8) Harassment is a persistent and significant problem in the workplace in the United States, and the Equal Employment Opportunity Commission found that not less than 25 percent, and as many as 85 percent, of women surveyed report having experienced sexual harassment at work.

“(9) For decades, survivors of sexual violence have come forward to seek justice and demand their right to be free from violence, harassment, and other forms of discrimination. These calls for change reached a tipping point after October 2017 as a result of Tarana Burke’s work and #MeToo going viral. Thousands of courageous individuals, from Hollywood to the halls of Congress and the military, to restaurants, agricultural fields, and factory floors, shined a light on the pervasive and insidious nature of workplace harassment and sexual assault.

“(10) Working people can be subjected to multiple forms of harassment in the workplace at the same time.

“(11) According to the Equal Employment Opportunity Commission, approximately 3 out of 4 individuals who experience harassment never talked to a su-

pervisor, manager, or union representative about the harassing conduct.

“(12) The impact of domestic violence, dating violence, sexual assault, and stalking on the workplace is a part of the challenge of workplace harassment.

“(13) Studies indicate that one of the best predictors of whether a survivor will be able to stay away from his or her abuser is the degree of his or her economic independence. However, domestic violence, dating violence, sexual assault, and stalking often negatively impact a survivor’s ability to maintain employment.

“(14) Abusers frequently seek to exert financial control over their partners by actively interfering with their ability to work, including preventing their partners from going to work, harassing their partners at work, limiting their partners’ access to cash or transportation, and sabotaging their partners’ child care arrangements.

“(15) Economic abuse refers to behaviors that control an intimate partner’s ability to acquire, use, and maintain access to money, credit, ownership of assets, or governmental or private financial benefits, including defaulting on joint obligations (such as school loans, credit card debt, mortgages, or rent). Other forms of such abuse may include preventing someone from attending school, threatening to or actually terminating employment, controlling or withholding access to cash, checking, or credit accounts, and attempting to damage or sabotage the creditworthiness of an intimate partner, including forcing an intimate partner to write bad checks, forcing an intimate partner to default on payments related to household needs, such as housing, or forcing an intimate partner into bankruptcy.

“(16) This title aims to empower survivors of domestic violence, dating violence, sexual assault, or stalking to be free from violence, hardship, and control, which restrains basic human rights to freedom and safety in the United States.”

[For definitions of terms used in section 701 of div. W of Pub. L. 117–103, set out above, see section 12291 of this title, as made applicable by section 2(b) of div. W of Pub. L. 117–103, which is set out as a note under section 12291 of this title].

(B) agrees to—

(i) display program decals or devices on the owner’s vehicle; and

(ii) permit law enforcement officials in any State to stop the motor vehicle and take reasonable steps to determine whether the vehicle is being operated by or with the permission of the owner, if the vehicle is being operated under the specified conditions; and

(2) participating States and localities authorize law enforcement officials in the State or locality to stop motor vehicles displaying program decals or devices under specified conditions and take reasonable steps to determine whether the vehicle is being operated by or with the permission of the owner.

The motor vehicle theft prevention program developed pursuant to this section shall include a uniform design or designs for decals or other devices to be displayed by motor vehicles participating in the program.

(2) Type of design

The uniform design shall—

- (A) be highly visible; and
- (B) explicitly state that the motor vehicle to which it is affixed may be stopped under the specified conditions without additional grounds for establishing a reasonable suspicion that the vehicle is being operated unlawfully.

(c) Voluntary consent form

The voluntary consent form used to enroll in the program shall—

- (1) clearly state that participation in the program is voluntary;
- (2) clearly explain that participation in the program means that, if the participating vehicle is being operated under the specified conditions, law enforcement officials may stop the vehicle and take reasonable steps to determine whether it is being operated by or with the consent of the owner, even if the law enforcement officials have no other basis for believing that the vehicle is being operated unlawfully;
- (3) include an express statement that the vehicle is not normally operated under the specified conditions and that the operation of the vehicle under those conditions would provide sufficient grounds for a prudent law enforcement officer to reasonably believe that the vehicle was not being operated by or with the consent of the owner; and
- (4) include any additional information that the Attorney General may reasonably require.

(d) Specified conditions under which stops may be authorized**(1) In general**

The Attorney General shall promulgate rules establishing the conditions under which participating motor vehicles may be authorized to be stopped under this section. These conditions may not be based on race, creed, color, national origin, gender, or age. These conditions may include—

- (A) the operation of the vehicle during certain hours of the day; or
- (B) the operation of the vehicle under other circumstances that would provide a sufficient basis for establishing a reasonable suspicion that the vehicle was not being operated by the owner, or with the consent of the owner.

The Attorney General may establish more than one set of conditions under which participating motor vehicles may be stopped. If more than one set of conditions is established, a separate consent form and a separate design for program decals or devices shall be established for each set of conditions. The Attorney General may choose to satisfy the requirement of a separate design for program decals or devices under this paragraph by the use of a design color that is clearly distinguishable from other design colors.

(3) No new conditions without consent

After the program has begun, the conditions under which a vehicle may be stopped if affixed with a certain decal or device design may

not be expanded without the consent of the owner.

(4) Limited participation by States and localities

A State or locality need not authorize the stopping of motor vehicles under all sets of conditions specified under the program in order to participate in the program.

(e) Motor vehicles for hire**(1) Notification to lessees**

Any person who is in the business of renting or leasing motor vehicles and who rents or leases a motor vehicle on which a program decal or device is affixed shall, prior to transferring possession of the vehicle, notify the person to whom the motor vehicle is rented or leased about the program.

(2) Type of notice

The notice required by this subsection shall—

- (A) be in writing;
- (B) be in a prominent format to be determined by the Attorney General; and
- (C) explain the possibility that if the motor vehicle is operated under the specified conditions, the vehicle may be stopped by law enforcement officials even if the officials have no other basis for believing that the vehicle is being operated unlawfully.

(3) Fine for failure to provide notice

Failure to provide proper notice under this subsection shall be punishable by a fine not to exceed \$5,000.

(f) Notification of police

As a condition of participating in the program, a State or locality must agree to take reasonable steps to ensure that law enforcement officials throughout the State or locality are familiar with the program, and with the conditions under which motor vehicles may be stopped under the program.
