(c) If a claim is filed under this section with the Secretary of Labor for benefits because of an alleged injury or death, the Secretary of Labor shall notify the Commandant who shall direct an investigation into the facts surrounding the alleged injury or death. (1) the percentages applicable to payments under that section are—

(A) 45 percent under subsection (a)(2) of that section, where the member died fully or currently insured under title II of the Social Security Act (42 U.S.C. 401 et seq.), with no

additional payments for a child or children so long as the widow or widower remains eligible for payments under that subsection;

(B) 20 percent under subsection (a)(3) of that section, for one child, and 10 percent additional for each additional child, not to exceed a total of 75 percent, where the member died fully or currently insured under title II of the Social Security Act; and

(C) 25 percent under subsection (a)(4) of that section, if one parent was wholly dependent for support upon the deceased member at the time of the member’s death and the other was not dependent to any extent; 16 percent to each if both were wholly dependent; and if one was, or both were, partly dependent, a proportionate amount in the discretion of the Secretary of Labor;

(2) payments may not be made under subsection (a)(5) of that section; and

(3) the Secretary of Labor shall inform the Commissioner of Social Security whenever a claim is filed and eligibility for compensation is established under subsection (a)(2) or (a)(3) of section 8133 of title 5. The Commissioner of Social Security shall then certify to the Secretary of Labor whether or not the member concerned was fully or currently insured under title II of the Social Security Act at the time of the member’s death.

AMENDMENTS

2018—Pub. L. 115-282 renumbered section 709 of this title as this section.

§ 3710. Reserve student pre-commissioning assistance program

(a) The Secretary may provide financial assistance to an eligible enlisted member of the Coast Guard Reserve, not on active duty, for expenses of the member while the member is pursuing on a full-time basis at an institution of higher education a program of education approved by the Secretary that leads to—

- (1) a baccalaureate degree in not more than 5 academic years; or
- (2) a post-baccalaureate degree.

(b)(1) To be eligible for financial assistance under this section, an enlisted member of the Coast Guard Reserve shall—

(A) be enrolled on a full-time basis in a program of education referred to in subsection (a) at any institution of higher education; and

(B) enter into a written agreement with the Coast Guard described in paragraph (2).

(2) A written agreement referred to in paragraph (1)(B) is an agreement between the member and the Secretary in which the member agrees—

(A) to accept an appointment as a commissioned officer in the Coast Guard Reserve, if tendered;

(B) to serve on active duty for up to five years; and

(C) under such terms and conditions as shall be prescribed by the Secretary, to serve in the Coast Guard Reserve until the eighth anniversary of the date of the appointment.

(c) Expenses for which financial assistance may be provided under this section are the following:

(1) Tuition and fees charged by the institution of higher education involved.

(2) The cost of books.

(3) In the case of a program of education leading to a baccalaureate degree, laboratory expenses.

(4) Such other expenses as are deemed appropriate by the Secretary.

(d) The amount of financial assistance provided to a member under this section shall be prescribed by the Secretary, but may not exceed \$25,000 for any academic year.

(e) Financial assistance may be provided to a member under this section for up to 5 consecutive academic years.

(f) A member who receives financial assistance under this section may be ordered to active duty in the Coast Guard Reserve by the Secretary to serve in a designated enlisted grade for such period as the Secretary prescribes, but not more than 4 years, if the member—

(1) completes the academic requirements of the program and refuses to accept an appointment as a commissioned officer in the Coast Guard Reserve when offered;

(2) fails to complete the academic requirements of the institution of higher education involved; or

(3) fails to maintain eligibility for an original appointment as a commissioned officer.

(g)(1) If a member requests to be released from the program and the request is accepted by the Secretary, or if the member fails because of misconduct to complete the period of active duty specified, or if the member fails to fulfill any term or condition of the written agreement required to be eligible for financial assistance under this section, the financial assistance shall be terminated. The Secretary may request the member to reimburse the United States in an amount that bears the same ratio to the total costs of the education provided to that member as the unserved portion of active duty bears to the total period of active duty the member agreed to serve. The Secretary shall have the option to order such reimbursement without first ordering the member to active duty. An obligation to reimburse the United States imposed under this paragraph is a debt owed to the United States.

(2) The Secretary may waive the service obligation under subsection (f) of a member who becomes unqualified to serve on active duty due to a circumstance not within the control of that member or who is not physically qualified for appointment and who is determined to be unqualified for service as an enlisted member of the Coast Guard Reserve due to a physical or medical condition that was not the result of the member's own misconduct or grossly negligent conduct.

(3) A discharge in bankruptcy under title 11 that is entered less than 5 years after the termi-

nation of a written agreement entered into under subsection (b) does not discharge the individual signing the agreement from a debt arising under such agreement or under paragraph (1).

(h) As used in this section, the term “institution of higher education” has the meaning given that term in section 101 of the Higher Education Act of 1965 (20 U.S.C. 1001).

AMENDMENTS

2018—Pub. L. 115-282, §123(b)(2), substituted “subsection 3757(b)” for “subsection 746(b)”.

Pub. L. 115-282, §118(b), renumbered section 723 of this title as this section.

§ 3735. Authorized number of officers

(a) The authorized number of officers in the Reserve in an active status is 5,000. Reserve officers on an active-duty list shall not be counted as part of the authorized number of officers in the Reserve. The actual number of Reserve officers in an active status at any time shall not exceed the authorized number unless the Secretary determines that a greater number is necessary for planned mobilization requirements, or unless the excess results directly from the operation of law.

(b)(1) The Secretary shall make, at least once each year, a computation to determine the number of Reserve officers in an active status authorized to be serving in each grade. The number in each grade shall be computed by applying the applicable percentage to the total number of such officers serving in an active status on the date the computation is made. The number of Reserve officers in an active status below the grade of rear admiral (lower half) shall be distributed by pay grade so as not to exceed percentages of commissioned officers authorized by section 2103(b) of this title. When the actual number of Reserve officers in an active status in a particular pay grade is less than the maximum percentage authorized, the difference may be applied to the number in the next lower grade. A Reserve officer may not be reduced in rank or grade solely because of a reduction in an authorized number as provided for in this subsection, or because an excess results directly from the operation of law.

(2) The authorized number of Reserve Officers in an active status not on active duty in the grades of rear admiral (lower half) and rear admiral is a total of two. However, the Secretary of the department in which the Coast Guard is operating may authorize an additional number of Reserve officers not on active duty in the grades of rear admiral (lower half) and rear admiral as necessary in order to meet planned mobilization requirements.

(c) DEFERRAL OF LIMITATION.—If at the end of any fiscal year there is in effect a declaration of war or national emergency, the President may defer the effectiveness of any end-strength limitation with respect to that fiscal year prescribed by law for any military or civilian component of the Coast Guard Reserve, for a period not to exceed 6 months after the end of the war or termination of the national emergency.

The officer initially assigned as a running mate under this section shall be that officer on the active duty promotion list of the same grade who is next senior in precedence to the Reserve officer concerned. An officer who has twice failed of selection or who has been considered but has not been recommended for continuation under section 2150 of this title shall not be assigned as a running mate under this section.

(b) A Reserve officer in an active status not on the active duty promotion list shall be assigned a new running mate as follows:

(1) If a previously assigned running mate is promoted from below the promotion zone, is removed from the active duty promotion list, suffers a loss of numbers, fails of selection, fails to qualify for promotion, or declines an appointment after being selected for promotion, the new running mate shall be that officer on the active duty promotion list, of the same grade, who is next senior to the previous running mate and who is, or may become, eligible for consideration for promotion. If the previous running mate was on a list of selectees for promotion, the new running mate shall be that officer on the active duty promotion list, of the same grade, who is on a list of selectees for promotion and who is next senior to the previous running mate.

(2) If a Reserve officer suffers a loss of numbers, the new running mate shall be that officer on the active duty promotion list who, after the loss of numbers has been effected, is the running mate of the Reserve officer next senior to the Reserve officer concerned.

(3) If a Reserve officer is considered for promotion and fails of selection, fails to qualify for promotion, declines an appointment after being selected for promotion, or has his or her name removed from a list of selectees for promotion, and that officer's running mate is promoted, the new running mate shall be that officer on the active duty promotion list, of the same grade, who, at the time the previous running mate was considered for promotion, was next senior to the previous running mate, was eligible for consideration for promotion, and whose name was not included on a list of selectees for promotion.

(4) In a situation not expressly covered by this subsection, the Secretary may assign a new running mate as necessary to effect the intent of this section that inequitable changes of precedence do not occur.

(c) A Reserve officer on the active duty promotion list shall, to the extent practicable and consistent with the limitations imposed by this section, be assigned as the running mate of all Reserve officers junior to the officer, who are in an active status not on the active duty promotion list, and who had a running mate in common with the officer just prior to the time the officer was placed on the active duty promotion list.

(d) The Secretary may adjust, as necessary, the date of rank of a Reserve officer not on active duty so that the date will correspond with that of the running mate assigned to the officer in accordance with this section. If an overpayment of pay or allowances results from adjusting the date of rank, the overpayment is not subject to recoupment.

§ 3740. Promotion; recommendations of selection boards

(a) Except as otherwise provided by law, a Reserve officer shall only be promoted pursuant to the recommendation of a selection board.

(b) The Secretary shall convene selection boards from time to time to recommend Reserve officers for promotion to the next higher grade. A board may be convened to consider officers in one or more grades.

(c) A selection board shall, from among the names of those eligible Reserve officers submitted to it, recommend for promotion to the next higher grade:

(1) those officers serving in the grade of lieutenant (junior grade) or above whom it considers to be best qualified; and

(2) those officers serving in the grade of ensign whom it considers to be fully qualified.

(d)(1) Before convening a selection board to recommend Reserve officers for promotion, the Secretary shall establish a promotion zone for officers serving in each grade to be considered by the board. The Secretary shall determine the number of officers in the promotion zone for officers serving in any grade from among officers who are eligible for promotion in that grade.

(2)(A) Before convening a selection board to recommend Reserve officers for promotion to a grade (other than the grade of lieutenant (junior grade)), the Secretary shall determine the maximum number of officers in that grade that the board may recommend for promotion.

(B) The Secretary shall make the determination under subparagraph (A) of the maximum number that may be recommended with a view to having in an active status a sufficient number of Reserve officers in each grade to meet the needs of the Coast Guard for Reserve officers in an active status.

(C) In order to make the determination under subparagraph (B), the Secretary shall determine the following:

(i) The number of positions needed to accomplish mission objectives that require officers in the grade to which the board will recommend officers for promotion.

(ii) The estimated number of officers needed to fill vacancies in such positions during the period in which it is anticipated that officers selected for promotion will be promoted.

(iii) The number of officers authorized by the Secretary to serve in an active status in the grade under consideration.

(iv) Any statutory limitation on the number of officers in any grade authorized to be in an active status.

(3)(A) The Secretary may, when the needs of the Coast Guard require, authorize the consideration of officers in a grade above lieutenant (junior grade) for promotion to the next higher grade from below the promotion zone.

(B) When selection from below the promotion zone is authorized, the Secretary shall establish the number of officers that may be recommended for promotion from below the promotion zone. That number may not exceed the number equal to 10 percent of the maximum number of officers that the board is authorized to recommend for promotion, except that the Secretary may authorize a greater number, not to exceed 15 percent of the total number of officers that the board is authorized to recommend for promotion, if the Secretary determines that the needs of the Coast Guard so require. If the maximum number determined under this subparagraph is less than one, the board may recommend one officer for promotion from below the promotion zone.

(C) The number of officers recommended for promotion from below the promotion zone does not increase the maximum number of officers that the board is authorized to recommend for promotion under paragraph (2).

(e) The law and regulations relating to the selection for promotion of a commissioned officer of the Regular Coast Guard to the grades of rear admiral (lower half) and rear admiral apply to a Reserve officer, except that to be eligible for consideration for promotion to the grade of rear admiral (lower half) an officer shall have completed at least ten years commissioned service, of which the last five years shall have been served in the Coast Guard Reserve.

(f) The provisions of section 2117 of this title apply to boards convened under this section. The Secretary shall determine the procedure to be used by a selection board.

(g) The report of a selection board shall be submitted to the Secretary for review and transmission to the President for approval. When an officer recommended by a board for promotion is not acceptable to the President, the President may remove the name of that officer from the report of the board.

(h) The recommendations of a selection board, as approved by the President, constitute a list of selectees from which the promotions of Reserve officers shall be made. An officer on a list of selectees remains thereon until promoted unless removed by the President under section 3749 of this title. If an existing list of selectees has not been exhausted by the time a later list has been approved, all officers remaining on the older list shall be tendered appointments prior to those on the later list.

(i) A Reserve officer whose name is on a list of selectees for promotion shall, unless that officer's promotion is lawfully withheld, be tendered an appointment in the next higher grade on the date a vacancy occurs, or as soon thereafter as practicable in the grade to which the officer was selected for promotion or, if promotion was determined in accordance with a running mate system, at the same time, or as soon thereafter as practicable, as that officer's running mate is tendered a similar appointment.

The number to be selected shall normally be equal to the number of vacancies existing in that grade, plus the number of vacancies anticipated over the next twelve months, minus the number of officers on the list of selectees for that grade. The Secretary may, however, prescribe regulations that provide for the establishment of promotion opportunity percentages for each grade to ensure that equitable promotion opportunities exist among successive groups of Reserve officers being considered for promotion. The number so determined may not cause the number of Reserve officers in an active status in a grade to exceed that authorized for the grade concerned.”

§ 3747. Date of rank upon promotion; entitlement to pay

(a) When a Reserve officer is promoted to the next higher grade under this subchapter, the date of rank shall be the date of appointment in that grade, unless the promotion was determined in accordance with a running mate system, in which event the same date of rank shall be assigned as that assigned to the officer's running mate. A Reserve officer so promoted shall be allowed the pay and allowances of the higher grade for duty performed from the date of the officer's appointment thereto.

(b) Notwithstanding any other provision of law and subject to subsection (c), if promotion of an inactive duty promotion list officer to the grade of rear admiral or rear admiral (lower half) is determined in accordance with a running mate system, a reserve officer, if acceptable to the President and the Senate, shall be promoted to the next higher grade no later than the date the officer's running mate is promoted.

(c) For the purposes of this section, the date of appointment shall be that date when promotion authority is exercised by the Secretary. However, the Secretary may adjust the date of appointment—

(1) if a delay in the finding required under section 3745(a) of this title is beyond the control of the officer and the officer is otherwise qualified for promotion; or

(2) for any other reason that equity requires.
