The tax on distilled spirits withdrawn from the bonded premises of a distilled spirits plant shall be determined upon completion of the gauge for determination of tax and before withdrawal from bonded premises, under such regulations as the Secretary shall prescribe.

(2) Distilled spirits not accounted for

If the Secretary finds that the distiller has not accounted for all the distilled spirits produced by him, he shall, from all the evidence he can obtain, determine what quantity of distilled spirits was actually produced by such distiller, and an assessment shall be made for the difference between the quantity reported and the quantity shown to have been actually produced at the rate of tax imposed by law for every proof gallon.

(b) Taxable loss**(1) On original quantity**

Where there is evidence satisfactory to the Secretary that there has been any loss of distilled spirits from any cask or other package deposited on bonded premises, other than a loss which by reason of section 5008(a) is not taxable, the Secretary may require the withdrawal from bonded premises of such distilled spirits, and direct the officer designated by him to collect the tax accrued on the original quantity of distilled spirits entered for deposit on bonded premises in such cask or package; except that, under regulations prescribed by the Secretary, when the extent of any loss from causes other than theft or unauthorized voluntary destruction can be established by the proprietor to the satisfaction of the Secretary an allowance of the tax on the loss so established may be credited against the tax on the original quantity. If such tax is not paid on demand it shall be assessed and collected as other taxes are assessed and collected.

(2) Alternative method

Where there is evidence satisfactory to the Secretary that there has been access, other than is authorized by law, to the contents of casks or packages stored on bonded premises, and the extent of such access is such as to evidence a lack of due diligence or a failure to employ necessary and effective controls on the part of the proprietor, the Secretary (in lieu of requiring the casks or packages to which such access has been had to be withdrawn and tax paid on the original quantity of distilled spirits entered for deposit on bonded premises in such casks or packages as provided in paragraph (1)) may assess an amount equal to the tax on 5 proof gallons of distilled spirits at the

prevailing rate on each of the total number of such casks or packages as determined by him.

(3) Application of subsection

The provisions of this subsection shall apply to distilled spirits which are filled into casks or packages, as authorized by law, after entry and deposit on bonded premises, whether by recasking, filling from storage tanks, consolidation of packages, or otherwise; and the quantity filled into such casks or packages shall be deemed to be the original quantity for the purpose of this subsection, in the case of loss from such casks or packages.

(c) Distilled spirits not bonded**(1) General**

The tax on any distilled spirits, removed from the place where they were distilled and (except as otherwise provided by law) not deposited in storage on bonded premises of a distilled spirits plant, shall, at any time within the period of limitation provided in section 6501, when knowledge of such fact is obtained by the Secretary, be assessed on the distiller of such distilled spirits (or other person liable for the tax) and payment of such tax immediately demanded and, on the neglect or refusal of payment, the Secretary shall proceed to collect the same by distraint. This paragraph shall not exclude any other remedy or proceeding provided by law.

(2) Production at other than qualified plants

Except as otherwise provided by law, the tax on any distilled spirits produced in the United States at any place other than a qualified distilled spirits plant shall be due and payable immediately upon production.

(d) Unlawfully imported distilled spirits

Distilled spirits smuggled or brought into the United States unlawfully shall, for purposes of this chapter, be held to be imported into the United States, and the internal revenue tax shall be due and payable at the time of such importation.

§ 5008. Abatement, remission, refund, and allowance for loss or destruction of distilled spirits

(a) Distilled spirits lost or destroyed in bond

(1) Extent of loss allowance

No tax shall be collected in respect of distilled spirits lost or destroyed while in bond, except that such tax shall be collected—

(A) Theft

In the case of loss by theft, unless the Secretary finds that the theft occurred without connivance, collusion, fraud, or negligence on the part of the proprietor of the distilled spirits plant, owner, consignor, consignee, bailee, or carrier, or the employees or agents of any of them;

(B) Voluntary destruction

In the case of voluntary destruction, unless such destruction is carried out as provided in subsection (b); and

(C) Unexplained shortage

In the case of an unexplained shortage of bottled distilled spirits.

(2) Proof of loss

In any case in which distilled spirits are lost or destroyed, whether by theft or otherwise, the Secretary may require the proprietor of the distilled spirits plant or other person liable for the tax to file a claim for relief from the tax and submit proof as to the cause of such loss. In every case where it appears that the loss was by theft, the burden shall be upon the proprietor of the distilled spirits plant or other person responsible for the distilled spirits tax to establish to the satisfaction of the Secretary that such loss did not occur as the result of connivance, collusion, fraud, or negligence on the part of the proprietor of the distilled spirits plant, owner, consignor, consignee, bailee, or carrier, or the employees or agents of any of them.

(3) Refund of tax

In any case where the tax would not be collectible by virtue of paragraph (1), but such tax has been paid, the Secretary shall refund such tax.

(4) Limitations

Except as provided in paragraph (5), no tax shall be abated, remitted, credited, or refunded under this subsection where the loss occurred after the tax was determined (as provided in section 5006(a)). The abatement, remission, credit, or refund of taxes provided for by paragraphs (1) and (3) in the case of loss of distilled spirits by theft shall only be allowed to the extent that the claimant is not indemnified against or recompensed in respect of the tax for such loss.

(5) Applicability

The provisions of this subsection shall extend to and apply in respect of distilled spirits

lost after the tax was determined and before completion of the physical removal of the distilled spirits from the bonded premises.

(b) Voluntary destruction

The proprietor of the distilled spirits plant or other persons liable for the tax imposed by this chapter or by section 7652 with respect to any distilled spirits in bond may voluntarily destroy such spirits, but only if such destruction is under such supervision and under such regulations as the Secretary may prescribe.

(c) Distilled spirits returned to bonded premises

(1) In general

Whenever any distilled spirits on which tax has been determined or paid are returned to the bonded premises of a distilled spirits plant under section 5215(a), the Secretary shall abate or (without interest) credit or refund the tax imposed under section 5001(a)(1) (or the tax equal to such tax imposed under section 7652) on the spirits so returned.

(2) Claim must be filed within 6 months of return of spirits

No allowance under paragraph (1) may be made unless claim therefor is filed within 6 months of the date of the return of the spirits. Such claim may be filed only by the proprietor of the distilled spirits plant to which the spirits were returned, and shall be filed in such form as the Secretary may by regulations prescribe.

(d) Distilled spirits withdrawn without payment of tax

The provisions of subsection (a) shall be applicable to loss of distilled spirits occurring during transportation from bonded premises of a distilled spirits plant to—

(1) the port of export, in case of withdrawal under section 5214(a)(4);

(2) the customs manufacturing bonded warehouse, in case of withdrawal under section 5214(a)(6);

(3) the vessel or aircraft, in case of withdrawal under section 5214(a)(7);

(4) the foreign-trade zone, in case of withdrawal under section 5214(a)(8); and

(5) the customs bonded warehouse in the case of withdrawal under sections 5066 and 5214(a)(9).

The provisions of subsection (a) shall be applicable to loss of distilled spirits withdrawn from bonded premises without payment of tax under section 5214(a)(10) for certain research, development, or testing, until such distilled spirits are used as provided by law.

(e) Other laws applicable

All provisions of law, including penalties, applicable in respect of the internal revenue tax on distilled spirits, shall, insofar as applicable and not inconsistent with subsection (c), be applicable to the credits or refunds provided for under such subsection to the same extent as if such credits or refunds constituted credits or refunds of such tax.

Editorial Notes

PRIOR PROVISIONS

A prior subpart C, comprising sections 5041 to 5045, related to wines, prior to the general revision of this chapter by Pub. L. 85-859, title II, §201, Sept. 2, 1958, 72 Stat. 1313.

AMENDMENTS

1997—Pub. L. 105-34, title XIV, §1416(b)(3), Aug. 5, 1997, 111 Stat. 1048, struck out “unmerchable” before “wine” in item 5044.

§ 5041. Imposition and rate of tax

(a) Imposition

There is hereby imposed on all wines (including imitation, substandard, or artificial wine, and compounds sold as wine) having not in excess of 24 percent of alcohol by volume, in bond in, produced in, or imported into, the United States, taxes at the rates shown in subsection (b), such taxes to be determined as of the time of removal for consumption or sale. All wines containing more than 24 percent of alcohol by volume shall be classed as distilled spirits and taxed accordingly. Subject to subsection (h), still wines shall include those wines containing not more than 0.392 gram of carbon dioxide per hundred milliliters of wine; except that the Secretary may by regulations prescribe such tolerances to this maximum limitation as may be reasonably necessary in good commercial practice.

(b) Rates of tax

(1) On still wines containing not more than 16 percent of alcohol by volume, \$1.07 per wine gallon;

(2) On still wines containing more than 16 percent and not exceeding 21 percent of alcohol by volume, \$1.57 per wine gallon;

(3) On still wines containing more than 21 percent and not exceeding 24 percent of alcohol by volume, \$3.15 per wine gallon;

(4) On champagne and other sparkling wines, \$3.40 per wine gallon;

(5) On artificially carbonated wines, \$3.30 per wine gallon; and

(6) On hard cider, 22.6 cents per wine gallon.

(c) Credit

(1) Allowance of credit

(A) In general

There shall be allowed as a credit against any tax imposed by this title (other than chapters 2, 21, and 22) an amount equal to the sum of—

(i) \$1 per wine gallon on the first 30,000 wine gallons of wine, plus

(ii) 90 cents per wine gallon on the first 100,000 wine gallons of wine to which clause (i) does not apply, plus

(iii) 53.5 cents per wine gallon on the first 620,000 wine gallons of wine to which clauses (i) and (ii) do not apply,

which are produced by the producer and removed during the calendar year for con-

sumption or sale, or which are imported by the importer into the United States during the calendar year but only if the importer is an electing importer under paragraph (6) and the wine gallons of wine have been assigned to the importer pursuant to such paragraph.

(B) Adjustment of credit for hard cider

In the case of wine described in subsection (b)(6), subparagraph (A) of this paragraph shall be applied—

- (i) in clause (i) of such subparagraph, by substituting “6.2 cents” for “\$1”,
- (ii) in clause (ii) of such subparagraph, by substituting “5.6 cents” for “90 cents”, and
- (iii) in clause (iii) of such subparagraph, by substituting “3.3 cents” for “53.5 cents”.

(2) Time for determining and allowing credit

The credit allowable by paragraph (1)—

(A) shall be determined at the same time the tax is determined under subsection (a) of this section, and

(B) shall be allowable at the time any tax described in paragraph (1) is payable as if the credit allowable by this subsection constituted a reduction in the rate of such tax.

(3)¹ Controlled groups

Rules similar to rules of section 5051(a)(5) shall apply for purposes of this subsection.

(4) Denial of deduction

Any deduction under subtitle A with respect to any tax against which a credit is allowed under this subsection shall only be for the amount of such tax as reduced by such credit.

(5) Credit for transferee in bond

If—

(A) wine produced by any person would be eligible for any credit under paragraph (1) if removed by such person during the calendar year,

(B) wine produced by such person is removed during such calendar year by any other person (hereafter in this paragraph referred to as the “transferee”) to whom such wine was transferred in bond and who is liable for the tax imposed by this section with respect to such wine, and

(C) such producer holds title to such wine at the time of its removal and provides to the transferee such information as is necessary to properly determine the transferee’s credit under this paragraph,

then, the transferee (and not the producer) shall be allowed the credit under paragraph (1) which would be allowed to the producer if the wine removed by the transferee had been removed by the producer on that date.

(6) Allowance of credit for foreign manufacturers and importers

(A) In general

In the case of any wine gallons of wine which have been produced outside of the United States and imported into the United

States, the credit allowable under paragraph (1) (referred to in this paragraph as the “tax credit”) may be assigned by the person who produced such wine (referred to in this paragraph as the “foreign producer”), provided that such person makes an election described in subparagraph (B)(ii), to any electing importer of such wine gallons pursuant to the requirements established by the Secretary under subparagraph (B).

(B) Assignment

The Secretary of the Treasury, after consultation with the Secretary of the Department of Homeland Security, shall, through such rules, regulations, and procedures as are determined appropriate, establish procedures for assignment of the tax credit provided under this paragraph, which shall include—

(i) a limitation to ensure that the number of wine gallons of wine for which the tax credit has been assigned by a foreign producer—

(I) to any importer does not exceed the number of wine gallons of wine produced by such foreign producer during the calendar year which were imported into the United States by such importer, and

(II) to all importers does not exceed the 750,000 wine gallons of wine to which the tax credit applies,

(ii) procedures that allow the election of a foreign producer to assign and an importer to receive the tax credit provided under this paragraph,

(iii) requirements that the foreign producer provide any information as the Secretary determines necessary and appropriate for purposes of carrying out this paragraph, and

(iv) procedures that allow for revocation of eligibility of the foreign producer and the importer for the tax credit provided under this paragraph in the case of any erroneous or fraudulent information provided under clause (iii) which the Secretary deems to be material to qualifying for such credit.

(C) Controlled group

For purposes of this section, any importer making an election described in subparagraph (B)(ii) shall be deemed to be a member of the controlled group of the foreign producer, as described under paragraph (3).

(7) Refunds in lieu of tax credits for foreign production removed after December 31, 2022

(A) In general

In the case of any wine gallons of wine which have been produced outside the United States and imported into the United States, if such wine gallons are removed after December 31, 2022—

(i) paragraph (1) shall not apply, and

(ii) the amount determined under subparagraph (B) shall be allowed as a refund, determined for periods not less frequently than quarterly, to the importer in the

same manner as if such amount were an overpayment of tax imposed by this section.

(B) Amount of refund

The amount determined under this subparagraph with respect to any importer for any period is an amount equal to the sum of—

- (i) excess (if any) of—
 - (I) the amount of tax imposed under this section on wine gallons of wine referred to in subparagraph (A) which were removed during such period, over
 - (II) the amount of tax which would have been imposed under this section (including any allowable credits) on such gallons of wine if this section were applied without regard to this paragraph, plus
- (ii) the amount of interest which would be allowed and paid on an overpayment of tax at the overpayment rate established under section 6621(a)(1) (without regard to the second sentence thereof) were such rate applied to the excess (if any) determined under clause (i) for the number of days in the filing period for which the refund under this paragraph is being determined.

(C) Application of rules related to elections and assignments

Subparagraph (A)(ii) shall apply only if the importer is an electing importer under paragraph (6) and the wine gallons of wine have been assigned to the importer pursuant to such paragraph.

(D) Rules for refunds within 90 days

For purposes of refunds allowed under this paragraph, section 6611(e) shall be applied by substituting “90 days” for “45 days” each place it appears.

(8) Regulations

The Secretary may prescribe such regulations as may be necessary to carry out the purposes of this subsection, including regulations to ensure proper calculation of the credit provided in this subsection.

(d) Wine gallon

For the purpose of this chapter, the term “wine gallon” means a United States gallon of liquid measure equivalent to the volume of 231 cubic inches. On lesser quantities the tax shall be paid proportionately (fractions of less than one-tenth gallon being converted to the nearest one-tenth gallon, and five-hundredths gallon being converted to the next full one-tenth gallon).

(e) Tolerances

Where the Secretary finds that the revenue will not be endangered thereby, he may by regulation prescribe tolerances (but not greater than $\frac{1}{2}$ of 1 percent) for bottles and other containers, and, if such tolerances are prescribed, no assessment shall be made and no tax shall be collected for any excess in any case where the contents of a bottle or other container are within the limit of the applicable tolerance prescribed.

(f) Illegally produced wine

Notwithstanding subsection (a), any wine produced in the United States at any place other than the bonded premises provided for in this chapter shall (except as provided in section 5042 in the case of tax-free production) be subject to tax at the rate prescribed in subsection (b) at the time of production and whether or not removed for consumption or sale.

(g) Hard cider

For purposes of subsection (b)(6), the term “hard cider” means a wine—

- (1) containing not more than 0.64 gram of carbon dioxide per hundred milliliters of wine, except that the Secretary may by regulations prescribe such tolerances to this limitation as may be reasonably necessary in good commercial practice,
- (2) which is derived primarily—
 - (A) from apples or pears, or
 - (B) from—
 - (i) apple juice concentrate or pear juice concentrate, and
 - (ii) water,
- (3) which contains no fruit product or fruit flavoring other than apple or pear, and
- (4) which contains at least one-half of 1 percent and less than 8.5 percent alcohol by volume.

(h) Mead and low alcohol by volume wine

A prior subpart D, comprising sections 5051 to 5057 of this title, related to beer, prior to the general revision of this chapter by Pub. L. 85-859, title II, §201, Sept. 2, 1958, 72 Stat. 1313.

§ 5051. Imposition and rate of tax

(a) Rate of tax

(1) In general

(A) Imposition of tax

A tax is hereby imposed on all beer brewed or produced, and removed for consumption or sale, within the United States, or imported into the United States. Except as provided in paragraph (2), the rate of such tax shall be—

(i) \$16 on the first 6,000,000 barrels of beer—

(I) brewed by the brewer and removed during the calendar year for consumption or sale, or

(II) imported by the importer into the United States during the calendar year but only if the importer is an electing importer under paragraph (4) and the barrels have been assigned to the importer pursuant to such paragraph, and

(ii) \$18 on any barrels of beer to which clause (i) does not apply.

(B) Barrel

For purposes of this section, a barrel shall contain not more than 31 gallons of beer, and any tax imposed under this section shall be applied at a like rate for any other quantity or for fractional parts of a barrel.

(2) Reduced rate for certain domestic production

(A) \$3.50 a barrel rate

In the case of a brewer who produces not more than 2,000,000 barrels of beer during the

calendar year, the per barrel rate of the tax imposed by this section shall be \$3.50 on the first 60,000 barrels of beer which are removed in such year for consumption or sale and which have been brewed or produced by such brewer at qualified breweries in the United States.

(B) Regulations

The Secretary may prescribe such regulations as may be necessary to prevent the reduced rates provided in this paragraph from benefiting any person who produces more than 2,000,000 barrels of beer during a calendar year.

(3) Tolerances

Where the Secretary or his delegate finds that the revenue will not be endangered thereby, he may by regulations prescribe tolerances for barrels and fractional parts of barrels, and, if such tolerances are prescribed, no assessment shall be made and no tax shall be collected for any excess in any case where the contents of a barrel or a fractional part of a barrel are within the limit of the applicable tolerance prescribed.

(4) Reduced tax rate for foreign manufacturers and importers

(A) In general

In the case of any barrels of beer which have been brewed or produced outside of the United States and imported into the United States, the rate of tax applicable under clause (i) of paragraph (1)(A) (referred to in this paragraph as the “reduced tax rate”) may be assigned by the brewer (provided that the brewer makes an election described in subparagraph (B)(ii)) to any electing importer of such barrels pursuant to the requirements established by the Secretary under subparagraph (B).

(B) Assignment

The Secretary, after consultation with the Secretary of the Department of Homeland Security, shall, through such rules, regulations, and procedures as are determined appropriate, establish procedures for assignment of the reduced tax rate provided under this paragraph, which shall include—

(i) a limitation to ensure that the number of barrels of beer for which the reduced tax rate has been assigned by a brewer—

(I) to any importer does not exceed the number of barrels of beer brewed or produced by such brewer during the calendar year which were imported into the United States by such importer, and

(II) to all importers does not exceed the 6,000,000 barrels to which the reduced tax rate applies,

(ii) procedures that allow the election of a brewer to assign and an importer to receive the reduced tax rate provided under this paragraph,

(iii) requirements that the brewer provide any information as the Secretary determines necessary and appropriate for purposes of carrying out this paragraph, and

(iv) procedures that allow for revocation of eligibility of the brewer and the importer for the reduced tax rate provided under this paragraph in the case of any erroneous or fraudulent information provided under clause (iii) which the Secretary deems to be material to qualifying for such reduced rate.

(C) Controlled group

For purposes of this section, any importer making an election described in subparagraph (B)(ii) shall be deemed to be a member of the controlled group of the brewer, as described under paragraph (5).

(5) Controlled group and single taxpayer rules

(A) In general

Except as provided in subparagraph (B), in the case of a controlled group, the 6,000,000 barrel quantity specified in paragraph (1)(A)(i) and the 2,000,000 barrel quantity specified in paragraph (2)(A) shall be applied to the controlled group, and the 6,000,000 barrel quantity specified in paragraph (1)(A)(i) and the 60,000 barrel quantity specified in paragraph (2)(A) shall be apportioned among the brewers who are members of such group in such manner as the Secretary or their delegate shall by regulations prescribe. For purposes of the preceding sentence, the term “controlled group” has the meaning assigned to it by subsection (a) of section 1563, except that for such purposes the phrase “more than 50 percent” shall be substituted for the phrase “at least 80 percent” in each place it appears in such subsection. Under regulations prescribed by the Secretary, principles similar to the principles of the preceding two sentences shall be applied to a group of brewers under common control where one or more of the brewers is not a corporation.

(B) Foreign manufacturers and importers

For purposes of paragraph (4), in the case of a controlled group, the 6,000,000 barrel quantity specified in paragraph (1)(A)(i) shall be applied to the controlled group and apportioned among the members of such group in such manner as the Secretary shall by regulations prescribe. For purposes of the preceding sentence, the term “controlled group” has the meaning given such term under subparagraph (A). Under regulations prescribed by the Secretary, principles similar to the principles of the preceding two sentences shall be applied to a group of brewers under common control where one or more of the brewers is not a corporation.

(C) Single taxpayer

Pursuant to rules issued by the Secretary, two or more entities (whether or not under common control) that produce beer under a license, franchise, or other arrangement shall be treated as a single taxpayer for purposes of the application of this subsection.

(6) Refunds in lieu of reduced rates for foreign production removed after December 31, 2022

(A) In general

In the case of any barrels of beer which have been produced outside the United States and imported into the United States, if such barrels of beer are removed after December 31, 2022—

(i) paragraph (1)(A)(i) shall not apply, and

(ii) the amount determined under subparagraph (B) shall be allowed as a refund, determined for periods not less frequently than quarterly, to the importer in the same manner as if such amount were an overpayment of tax imposed by this section.

(B) Amount of refund

The amount determined under this subparagraph with respect to any importer for any period is an amount equal to the sum of—

(i) excess (if any) of—

(I) the amount of tax imposed under this section on barrels of beer referred to in subparagraph (A) which were removed during such period, over

(II) the amount of tax which would have been imposed under this section on such barrels of beer if this section were applied without regard to this paragraph, plus

(ii) the amount of interest which would be allowed and paid on an overpayment of tax at the overpayment rate established under section 6621(a)(1) (without regard to the second sentence thereof) were such rate applied to the excess (if any) determined under clause (i) for the number of days in the filing period for which the refund under this paragraph is being determined.

(C) Application of rules related to elections and assignments

Subparagraph (A)(ii) shall apply only if the importer is an electing importer under paragraph (4) and the barrels of beer have been assigned to the importer pursuant to such paragraph.

(D) Rules for refunds within 90 days

For purposes of refunds allowed under this paragraph, section 6611(e) shall be applied by substituting “90 days” for “45 days” each place it appears.

(b) Assessment on materials used in production in case of fraud

Nothing contained in this subpart or subchapter G shall be construed to authorize an assessment on the quantity of materials used in producing or purchased for the purpose of producing beer, nor shall the quantity of materials so used or purchased be evidence, for the purpose of taxation, of the quantity of beer produced; but the tax on all beer shall be paid as provided in section 5054, and not otherwise; except that this subsection shall not apply to

cases of fraud, and nothing in this subsection shall have the effect to change the rules of law respecting evidence in any prosecution or suit.

(c) Illegally produced beer

The production of any beer at any place in the United States shall be subject to tax at the rate prescribed in subsection (a) and such tax shall be due and payable as provided in section 5054(a)(3) unless—

(1) such beer is produced in a brewery qualified under the provisions of subchapter G, or

(2) such production is exempt from tax under section 5053(e) (relating to beer for personal or family use).

§ 5121. Recordkeeping by wholesale dealers

(a) Requirements

(1) Distilled spirits

Every wholesale dealer in liquors who sells distilled spirits to other dealers shall keep daily a record of distilled spirits received and disposed of by him, in such form and at such place and containing such information, and shall submit correct summaries of such records to the Secretary at such time and in such form and manner, as the Secretary shall by regulations prescribe. Such dealer shall also submit correct extracts from or copies of such records, at such time and in such form and manner as the Secretary may by regulations prescribe; however, the Secretary may on application by such dealer, in accordance with such regulations, relieve him from this requirement until further notice, whenever the Secretary deems that the submission of such extracts or copies serves no useful purpose in law enforcement or in protection of the revenue.

(2) Wines and beer

Every wholesale dealer in liquors and every wholesale dealer in beer shall provide and keep, at such place as the Secretary shall by regulations prescribe, a record in book form of all wines and beer received, showing the quantities thereof and from whom and the dates received, or shall keep all invoices of, and bills for, all wines and beer received.

(b) Exemption of States, political subdivisions, etc.

The provision of subsection (a) shall not apply to a State, to a political subdivision of a State, to the District of Columbia, or to liquor stores operated by any of them, if they maintain and make available for inspection by internal revenue officers such records as will enable such officers to trace all distilled spirits, wines, and beer received, and all distilled spirits disposed of by them. Such States, subdivisions, District, or liquor stores shall, upon the request of the Secretary, furnish him such transcripts, summaries and copies of their records with respect to distilled spirits as he shall require.

(c) Wholesale dealers

For purposes of this part—

(1) Wholesale dealer in liquors

(3) Dealer

The term “dealer” means any person who sells, or offers for sale, any distilled spirits, wines, or beer.

(4) Presumption in case of sale of 20 wine gallons or more

The sale, or offer for sale, of distilled spirits, wines, or beer, in quantities of 20 wine gallons or more to the same person at the same time, shall be presumptive evidence that the person making such sale, or offer for sale, is engaged in or carrying on the business of a wholesale dealer in liquors or a wholesale dealer in beer, as the case may be. Such presumption may be overcome by evidence satisfactorily showing that such sale, or offer for sale, was made to a person other than a dealer.

An application for an operating permit for an eligible distilled spirits plant shall be in such a form and manner, and contain such information, as the Secretary may by regulations prescribe; except that the Secretary shall, to the greatest extent possible, take steps to simplify the application so as to expedite the issuance of such permits.

(B) Receipt of application

Within 15 days of receipt of an application under subparagraph (A), the Secretary shall send a written notice of receipt to the applicant, together with a statement as to whether the application meets the requirements of subparagraph (A). If such a notice is not sent and the applicant has a receipt indicating that the Secretary has received an application, paragraph (2) shall apply as if a written notice required by the preceding sentence, together with a statement that the application meets the requirements of subparagraph (A), had been sent on the 15th day after the date the Secretary received the application.

(C) Rejection of application

If the Secretary determines under subparagraph (A) that a permit should not be issued—

(ii) such determination shall not prejudice any further application for such operating permit.

(3) Bond

No bond shall be required for an eligible distilled spirits plant. For purposes of section 5212 and subsection (e)(2) of this section, the premises of an eligible distilled spirits plant shall be treated as bonded premises.

AMENDMENTS

1976—Pub. L. 94-455 struck out “or his delegate” after “Secretary”.

§ 5373. Wine spirits

(a) In general

The wine spirits authorized to be used in wine production shall be brandy or wine spirits produced in a distilled spirits plant (with or without the use of water to facilitate extraction and distillation) exclusively from—

- (1) fresh or dried fruit, or their residues,
- (2) the wine or wine residues, therefrom, or
- (3) special natural wine under such conditions as the Secretary may by regulations prescribe;

except that where, in the production of natural wine or special natural wine, sugar has been used, the wine or the residuum thereof may not be used if the unfermented sugars therein have been re fermented. Such wine spirits shall not be reduced with water from distillation proof, nor be distilled, unless regulations otherwise provide, at less than 140 degrees of proof (except that commercial brandy aged in wood for a period of not less than 2 years, and barreled at not less than 100 degrees of proof, shall be deemed wine spirits for the purpose of this subsection).

(b) Withdrawal of wine spirits

(1) The proprietor of any bonded wine cellar may withdraw and receive wine spirits without payment of tax from the bonded premises of any distilled spirits plant, or from any bonded wine cellar as provided in paragraph (2), for use in the production of natural wine, for addition to concentrated or unconcentrated juice for use in wine production, or for such other uses as may be authorized in this subchapter.

(2) Wine spirits so withdrawn, and not used in wine production or as otherwise authorized in

this subchapter, may, as provided by regulations prescribed by the Secretary, be transferred to the bonded premises of any distilled spirits plant or bonded wine cellar, or may be taxpaid and removed as provided by law.

(3) On such use, transfer, or taxpayment, the Secretary shall credit the proprietor with the amount of wine spirits so used or transferred or taxpaid and, in addition, with such portion of wine spirits so withdrawn as may have been lost either in transit or on the bonded wine cellar premises, to the extent allowable under section 5008(a). Where the proprietor has used wine spirits in actual wine production but in violation of the requirements of this subchapter, the Secretary shall also extend such credit to the wine spirits so used if the proprietor satisfactorily shows that such wine spirits were not knowingly used in violation of law.

(4) Suitable samples of brandy or wine spirits may, under regulations prescribed by the Secretary, be withdrawn free of tax from the bonded premises of any distilled spirits plant, bonded wine cellar, or authorized experimental premises, for analysis or testing.

(c) Distillates containing aldehydes

When the Secretary deems such removal and use will not jeopardize the revenue nor unduly increase administrative supervision, distillates containing aldehydes may, under such regulations as the Secretary may prescribe, be removed without payment of tax from the bonded premises of a distilled spirits plant to an adjacent bonded wine cellar and used therein in fermentation of wine to be used as distilling material at the distilled spirits plant from which such unfinished distilled spirits were removed.

EFFECTIVE DATE OF 1979 AMENDMENT

Amendment by Pub. L. 96-39 effective Jan. 1, 1980, see section 810 of Pub. L. 96-39, set out as a note under section 5001 of this title.

EFFECTIVE DATE

Section effective July 1, 1959, see section 210(a)(1) of Pub. L. 85-859, set out as a note under section 5001 of this title.

§ 5382. Cellar treatment of natural wine

(a) Proper cellar treatment

(1) In general

Proper cellar treatment of natural wine constitutes—

(A) subject to paragraph (2), those practices and procedures in the United States, whether historical or newly developed, of using various methods and materials to correct or stabilize the wine, or the fruit juice from which it is made, so as to produce a finished product acceptable in good commercial practice in accordance with regulations prescribed by the Secretary; and

(B) subject to paragraph (3), in the case of wine produced and imported subject to an international agreement or treaty, those practices and procedures acceptable to the United States under such agreement or treaty.

(2) Recognition of continuing treatment

For purposes of paragraph (1)(A), where a particular treatment has been used in customary commercial practice in the United States, it shall continue to be recognized as a proper cellar treatment in the absence of regulations prescribed by the Secretary finding such treatment not to be proper cellar treatment within the meaning of this subsection.

(3) Certification of practices and procedures for imported wine

(A) In general

In the case of imported wine produced after December 31, 2004, the Secretary shall accept the practices and procedures used to produce such wine, if, at the time of importation—

(i) the Secretary has on file or is provided with a certification from the government of the producing country, accompanied by an affirmed laboratory analysis, that the practices and procedures used to produce the wine constitute proper cellar treatment under paragraph (1)(A),

(ii) the Secretary has on file or is provided with such certification, if any, as may be required by an international agreement or treaty under paragraph (1)(B), or

(iii) in the case of an importer that owns or controls or that has an affiliate that owns or controls a winery operating under a basic permit issued by the Secretary, the importer certifies that the practices and procedures used to produce the wine constitute proper cellar treatment under paragraph (1)(A).

(B) Affiliate defined

For purposes of this paragraph, the term “affiliate” has the meaning given such term by section 117(a)(4) of the Federal Alcohol Administration Act (27 U.S.C. 211(a)(4)) and includes a winery’s parent or subsidiary or any other entity in which the winery’s parent or subsidiary has an ownership interest.

(b) Specifically authorized treatments

The practices and procedures specifically enumerated in this subsection shall be deemed proper cellar treatment for natural wine:

(1) The preparation and use of pure concentrated or unconcentrated juice or must. Concentrated juice or must reduced with water to its original density or to not less than 22 degrees Brix or unconcentrated juice or must reduced with water to not less than 22 degrees Brix shall be deemed to be juice or must, and shall include such amounts of water to clear crushing equipment as regulations prescribed by the Secretary may provide.

(2) The addition to natural wine, or to concentrated or unconcentrated juice or must, from one kind of fruit, of wine spirits (whether or not tax-paid) distilled in the United States

from the same kind of fruit; except that (A) the wine, juice, or concentrate shall not have an alcoholic content in excess of 24 percent by volume after the addition of wine spirits, and (B) in the case of still wines, wine spirits may be added in any State only to natural wines produced by fermentation in bonded wine cellars located within the same State.

(3) Amelioration and sweetening of natural grape wines in accordance with section 5383.

(4) Amelioration and sweetening of natural wines from fruits other than grapes in accordance with section 5384.

(5) In the case of effervescent wines, such preparations for refermentation and for dosage as may be acceptable in good commercial practice, but only if the alcoholic content of the finished product does not exceed 14 percent by volume.

(6) The natural darkening of the sugars or other elements in juice, must, or wine due to storage, concentration, heating processes, or natural oxidation.

(7) The blending of natural wines with each other or with heavy-bodied blending wine or with concentrated or unconcentrated juice, whether or not such juice contains wine spirits, if the wines, juice, or wine spirits are from the same kind of fruit.

(8) Such use of acids to correct natural deficiencies and stabilize the wine as may be acceptable in good commercial practice.

(9) The addition—

(A) to natural grape or berry wine of the winemaker's own production, of volatile fruit-flavor concentrate produced from the same kind and variety of grape or berry at a plant qualified under section 5511, or

(B) to natural fruit wine (other than grape or berry) of the winemaker's own production, of volatile fruit-flavor concentrate produced from the same kind of fruit at such a plant,

so long as the proportion of the volatile fruit-flavor concentrate to the wine does not exceed the proportion of the volatile fruit-flavor concentrate to the original juice or must from which it was produced. The transfer of volatile fruit-flavor concentrate from a plant qualified under section 5511 to a bonded wine cellar and its storage and use in such a cellar shall be under such applications and bonds, and under such other requirements, as may be provided in regulations prescribed by the Secretary.

(c) Other authorized treatment

The Secretary may by regulations prescribe limitations on the preparation and use of clarifying, stabilizing, preserving, fermenting, and corrective methods or materials, to the extent that such preparation or use is not acceptable in good commercial practice.

(d) Use of juice or must from which volatile fruit flavor has been removed

For purposes of this part, juice, concentrated juice, or must processed at a plant qualified under section 5511 may be deemed to be pure juice, concentrated juice, or must even though volatile fruit flavor has been removed if, at a plant qualified under section 5511 or at the bond-

ed wine cellar, there is added to such juice, concentrated juice, or must, or (in the case of a bonded wine cellar) to wine of the winemaker's own production made therefrom, either the identical volatile flavor removed or—

(1) in the case of natural grape or berry wine of the winemaker's own production, an equivalent quantity of volatile fruit-flavor concentrate produced at such a plant and derived from the same kind and variety of grape or berry, or

(2) in the case of natural fruit wine (other than grape or berry wine) of the winemaker's own production, an equivalent quantity of volatile fruit-flavor concentrate produced at such a plant and derived from the same kind of fruit.

§ 5383. Amelioration and sweetening limitations for natural grape wines

(a) Sweetening of grape wines

Any natural grape wine may be sweetened after fermentation and before taxpayment with pure dry sugar or liquid sugar if the total solids content of the finished wine does not exceed 12 percent of the weight of the wine and the alcoholic content of the finished wine after sweetening is not more than 14 percent by volume; except that the use under this subsection of liquid sugar shall be limited so that the resultant volume will not exceed the volume which could result from the maximum authorized use of pure dry sugar only.

(b) High acid wines

(1) Amelioration

Before, during, and after fermentation, ameliorating materials consisting of pure dry sugar or liquid sugar, water, or a combination of sugar and water, may be added to natural grape wines of a winemaker's own production when such wines are made from juice having a natural fixed acid content of more than five parts per thousand (calculated before fermentation and as tartaric acid). Ameliorating material so added shall not reduce the natural fixed acid content of the juice to less than five parts per thousand, nor exceed 35 percent of the volume of juice (calculated exclusive of pulp) and ameliorating material combined.

(2) Sweetening

Any wine produced under this subsection may be sweetened by the producer thereof, after amelioration and fermentation, with pure dry sugar or liquid sugar if the total solids content of the finished wine does not exceed (A) 17 percent by weight if the alcoholic content is more than 14 percent by volume, or (B) 21 percent by weight if the alcoholic content is not more than 14 percent by volume. The use under this paragraph of liquid sugar shall be limited to cases where the resultant volume does not exceed the volume which could result from the maximum authorized use of pure dry sugar only.

(3) Wine spirits

Wine spirits may be added (whether or not wine spirits were previously added) to wine produced under this subsection only if the wine contains not more than 14 percent of alcohol by volume derived from fermentation.

Subsec. (b). Pub. L. 90-619, § 3(a), simplified production procedures and calculations, provided that the limitation on sweetening high acid wine is to be based upon the total solids content of the finished wine, authorized the use of liquid sugar but only to the extent that it did not increase the total volume of the finished wine above what it would be if the maximum authorized use had been made of dry sugar only, and inserted provisions making it clear that wine spirits may be added at more than one stage in the process of wine production.

1965—Pub. L. 89-44 divided subsec. (b) relating to high acid wines into pars. (1) and (2) and par. (2) into subpars. (A) to (E), struck out reserve inventory requirement with respect to the amelioration and sweetening of wines, authorized use of other than pure, dry sugar, and allowed limited use of liquid sugar at appropriate points where use of pure dry sugar had formerly been prescribed.

EFFECTIVE DATE OF 1968 AMENDMENT

Amendment by Pub. L. 90-619 effective on first day of first month which begins 90 days or more after Oct. 22, 1968, see section 6 of Pub. L. 90-619, set out as a note under section 5373 of this title.

EFFECTIVE DATE OF 1965 AMENDMENT

Pub. L. 89-44, title VIII, § 806(d)(2), June 21, 1965, 79 Stat. 164, provided that: "The amendments made by subsections (b) and (c) [amending this section and sections 5382, 5384, 5385, and 5392] shall take effect on January 1, 1966."

§ 5384. Amelioration and sweetening limitations for natural fruit and berry wines

(a) In general

To natural wine made from berries or fruit other than grapes, pure dry sugar or liquid sugar may be added to the juice in the fermenter, or to the wine after fermentation; but only if such wine has not more than 14 percent alcohol by volume after complete fermentation, or after complete fermentation and sweetening, and a total solids content not in excess of 21 percent by weight; and except that the use under this subsection of liquid sugar shall be limited so that the resultant volume will not exceed the volume which could result from the maximum authorized use of pure dry sugar only.

(b) Ameliorated fruit and berry wines

(1) Any natural fruit or berry wine (other than grape wine) of a winemaker's own production may, if not made under subsection (a) of this section, be ameliorated to correct high acid content. Ameliorating material calculations and ac-

counting shall be separate for wines made from each different kind of fruit.

(2) Pure dry sugar or liquid sugar may be used in the production of wines under this subsection for the purpose of correcting natural deficiencies, but not to such an extent as would reduce the natural fixed acid in the corrected juice or wine to five parts per thousand. The quantity of sugar so used shall not exceed the quantity which would have been required to adjust the juice, prior to fermentation, to a total solids content of 25 degrees (Brix). Such sugar shall be added prior to the completion of fermentation of the wine. After such addition of the sugar, the wine or juice shall be treated and accounted for as provided in section 5383(b), covering the production of high acid grape wines, except that—

(A) Natural fixed acid shall be calculated as malic acid for apple wine and as citric acid for other fruit and berry wines, instead of tartaric acid;

(B) Juice adjusted with pure dry sugar or liquid sugar as provided in this paragraph shall be treated in the same manner as original natural juice under the provisions of section 5383(b); except that if liquid sugar is used, the volume of water contained therein must be deducted from the volume of ameliorating material authorized;

(C) Wines made under this subsection shall have a total solids content of not more than 21 percent by weight, whether or not wine spirits have been added; and

(D) Wines made exclusively from any fruit or berry with a natural fixed acid of 20 parts per thousand or more (before any correction of such fruit or berry) shall be entitled to a volume of ameliorating material not in excess of 60 percent (in lieu of 35 percent).

(Added Pub. L. 85-859, title II, §201, Sept. 2, 1958, 72 Stat. 1385; amended Pub. L. 89-44, title VIII, §806(b)(2), (c)(2), (3), June 21, 1965, 79 Stat. 163, 164; Pub. L. 90-619, §3(b), Oct. 22, 1968, 82 Stat. 1237; Pub. L. 105-34, title XIV, §1417(a), Aug. 5, 1997, 111 Stat. 1048.)

(a) Definition

Specially sweetened natural wine is the product made by adding to natural wine of the winemaker's own production a sufficient quantity of pure dry sugar, or juice or concentrated juice from the same kind of fruit, separately or in combination, to produce a finished product having a total solids content in excess of 17 percent by weight and an alcoholic content of not more than 14 percent by volume, and shall include extra sweet kosher wine and similarly heavily sweetened wines.

(b) Cellar treatment

Specially sweetened natural wines may be blended with each other, or with natural wine or heavy bodied blending wine in the further production of specially sweetened natural wine only, if the wines so blended are made from the same kind of fruit. § 5703. Liability for tax and method of payment

(a) Liability for tax

(1) Original liability

The manufacturer or importer of tobacco products and cigarette papers and tubes shall be liable for the taxes imposed thereon by section 5701.

(2) Transfer of liability

When tobacco products and cigarette papers and tubes are transferred, without payment of tax, pursuant to section 5704, the liability for tax shall be transferred in accordance with the provisions of this paragraph. When tobacco products and cigarette papers and tubes are transferred between the bonded premises of manufacturers and export warehouse proprietors, the transferee shall become liable for the tax upon receipt by him of such articles, and the transferor shall thereupon be relieved of his liability for such tax. When tobacco

products and cigarette papers and tubes are released in bond from customs custody for transfer to the bonded premises of a manufacturer of tobacco products or cigarette papers and tubes, the transferee shall become liable for the tax on such articles upon release from customs custody, and the importer shall thereupon be relieved of his liability for such tax. All provisions of this chapter applicable to tobacco products and cigarette papers and tubes in bond shall be applicable to such articles returned to bond upon withdrawal from the market or returned to bond after previous removal for a tax-exempt purpose.

(b) Method of payment of tax

(1) In general

The taxes imposed by section 5701 shall be determined at the time of removal of the tobacco products and cigarette papers and tubes. Such taxes shall be paid on the basis of return. The Secretary shall, by regulations, prescribe the period or the event for which such return shall be made and the information to be furnished on such return. Any postponement under this subsection of the payment of taxes determined at the time of removal shall be conditioned upon the filing of such additional bonds, and upon compliance with such requirements, as the Secretary may prescribe for the protection of the revenue. The Secretary may, by regulations, require payment of tax on the basis of a return prior to removal of the tobacco products and cigarette papers and tubes where a person defaults in the postponed payment of tax on the basis of a return under this subsection or regulations prescribed thereunder. All administrative and penalty provisions of this title, insofar as applicable, shall apply to any tax imposed by section 5701.

(2) Time for payment of taxes

(A) In general

Except as otherwise provided in this paragraph, in the case of taxes on tobacco products and cigarette papers and tubes removed during any semimonthly period under bond for deferred payment of tax, the last day for payment of such taxes shall be the 14th day after the last day of such semimonthly period.

(B) Imported articles

In the case of tobacco products and cigarette papers and tubes which are imported into the United States—

(i) In general

The last day for payment of tax shall be the 14th day after the last day of the semimonthly period during which the article is entered into the customs territory of the United States.

(ii) Special rule for entry for warehousing

Except as provided in clause (iv), in the case of an entry for warehousing, the last day for payment of tax shall not be later than the 14th day after the last day of the semimonthly period during which the article is removed from the 1st such warehouse.

(iii) Foreign trade zones

Except as provided in clause (iv) and in regulations prescribed by the Secretary, articles brought into a foreign trade zone shall, notwithstanding any other provision of law, be treated for purposes of this subsection as if such zone were a single customs warehouse.

(iv) Exception for articles destined for export

Clauses (ii) and (iii) shall not apply to any article which is shown to the satisfaction of the Secretary to be destined for export.

(C) Tobacco products and cigarette papers and tubes brought into the United States from Puerto Rico

In the case of tobacco products and cigarette papers and tubes which are brought into the United States from Puerto Rico, the last day for payment of tax shall be the 14th day after the last day of the semimonthly period during which the article is brought into the United States.

(D) Special rule for tax due in September

(i) In general

Notwithstanding the preceding provisions of this paragraph, the taxes on tobacco products and cigarette papers and tubes for the period beginning on September 16 and ending on September 26 shall be paid not later than September 29.

(ii) Safe harbor

The requirement of clause (i) shall be treated as met if the amount paid not later than September 29 is not less than $\frac{1}{15}$ of the taxes on tobacco products and cigarette papers and tubes for the period beginning on September 1 and ending on September 15.

(iii) Taxpayers not required to use electronic funds transfer

In the case of payments not required to be made by electronic funds transfer, clauses (i) and (ii) shall be applied by substituting “September 25” for “September 26”, “September 28” for “September 29”, and “ $\frac{2}{3}$ ” for “ $\frac{1}{15}$ ”.

(E) Special rule where due date falls on Saturday, Sunday, or holiday

Notwithstanding section 7503, if, but for this subparagraph, the due date under this paragraph would fall on a Saturday, Sunday, or a legal holiday (as defined in section 7503), such due date shall be the immediately preceding day which is not a Saturday, Sunday, or such a holiday (or the immediately following day where the due date described in subparagraph (D) falls on a Sunday).

(F) Special rule for unlawfully manufactured tobacco products

In the case of any tobacco products, cigarette paper, or cigarette tubes manufactured in the United States at any place other than the premises of a manufacturer of tobacco products, cigarette paper, or cigarette tubes

that has filed the bond and obtained the permit required under this chapter, tax shall be due and payable immediately upon manufacture.

(3) Payment by electronic fund transfer

Any person who in any 12-month period, ending December 31, was liable for a gross amount equal to or exceeding \$5,000,000 in taxes imposed on tobacco products and cigarette papers and tubes by section 5701 (or 7652) shall pay such taxes during the succeeding calendar year by electronic fund transfer (as defined in section 5061(e)(2)) to a Federal Reserve Bank. Rules similar to the rules of section 5061(e)(3) shall apply to the \$5,000,000 amount specified in the preceding sentence.

(c) Use of government depositaries

The Secretary may authorize Federal Reserve banks, and incorporated banks or trust companies which are depositaries or financial agents of the United States, to receive any tax imposed by this chapter, in such manner, at such times, and under such conditions as he may prescribe; and he shall prescribe the manner, time, and condition under which the receipt of such tax by such banks and trust companies is to be treated as payment for tax purposes.

(d) Assessment

Whenever any tax required to be paid by this chapter is not paid in full at the time required for such payment, it shall be the duty of the Secretary, subject to the limitations prescribed in section 6501, on proof satisfactory to him, to determine the amount of tax which has been omitted to be paid, and to make an assessment therefor against the person liable for the tax. The tax so assessed shall be in addition to the penalties imposed by law for failure to pay such tax when required. Except in cases where delay may jeopardize collection of the tax, or where the amount is nominal or the result of an evident mathematical error, no such assessment shall be made until and after the person liable for the tax has been afforded reasonable notice and opportunity to show cause, in writing, against such assessment.
