§ 101. Establishment of Coast Guard

The Coast Guard, established January 28, 1915, shall be a military service and a branch of the armed forces of the United States at all times.

(Aug. 4, 1949, ch. 393, 63 Stat. 496, §1; Pub. L. 94-546, §1(1), Oct. 18, 1976, 90 Stat. 2519; Pub. L. 107-296, title XVII, §1704(a), Nov. 25, 2002, 116 Stat. 2314; Pub. L. 112-213, title II, §217(1), Dec. 20, 2012, 126 Stat. 1555; renumbered §101, Pub. L. 115-282, title I, §103(b), Dec. 4, 2018, 132 Stat. 4195.)

HISTORICAL AND REVISION NOTES

Based on title 14, U.S.C., 1946 ed., §1 (Jan. 28, 1915, ch. 20, §1, 38 Stat. 800; July 11, 1941, ch. 290, §§5, 6(a), 55 Stat. 585).

Said section has been divided. Provisions relating to operation under the Navy in time of war are placed in sections 3 and 4 of this title, and the remainder is in this section.

This section continues the Coast Guard as a military service and branch of the armed forces of the United States at all times. By the act of July 11, 1941, 55 Stat. 585 (title 14, U.S.C., 1946 ed., §1), the Coast Guard was constituted a branch of the land and naval forces of the United States at all times. This section therefore merely continues an existing agency and codifies existing law on the military status of the Coast Guard, substituting “armed forces” for “land and naval forces” because of the recent establishment of the Department of the Air Force as an “armed force” rather than as a part of the “land and naval forces”. The Coast Guard is designated a service in the Treasury Department except when operating as a service in the Navy. This is a better definition of the status of the Coast Guard than one which defines it as a service under the Treasury Department in time of peace, because the President is authorized to place the Coast Guard under the Navy in time of emergency, which could be in time of peace.

Changes were made in phraseology. 81st Congress, House Report No. 557.

This section contains a codification of functions. It sets forth in general language the primary responsibilities of the Coast Guard: enforcement of all Federal laws on waters to which they have application, safety of life and property at sea, aiding navigation, and readiness to function with the Navy. Having been created in 1915 by the consolidation of the Revenue Cutter Service and the Life Saving Service, the Coast Guard has gradually been given additional duties and responsibilities, such as the assignment of law enforcement powers on the high seas and navigable waters in 1936, the transfer of the Lighthouse Service in 1939, and the transfer of the Bureau of Marine Inspection and Navigation in 1942. Existing along with these other duties has been that of maintaining a state of readiness as a specialized service prepared for active participation with the Navy in time of war. These various interdependent functions of the Service have not been expressed collectively in any statute heretofore, but it is believed desirable to do so in this revision in order to have outlined in general terms in one section the broad scope of the functions of the Coast Guard. 81st Congress, House Report No. 557.

EFFECTIVE DATE OF 2002 AMENDMENT

Amendment by Pub. L. 107-296 effective on the date of transfer of the Coast Guard to the Department of Homeland Security, see section 1704(g) of Pub. L. 107-296, set out as a note under section 101 of Title 10, Armed Forces.

§ 104. Removing restrictions

Any law removing for the duration of a war or national emergency proclaimed by the President any restriction contained in any then-existing law as applied to the Navy, including, but not limited to, restrictions relating to the manner in which purchases may be made and contracts awarded, fiscal operations, and personnel, shall, in the same manner and to the same extent, remove such restrictions as applied to the Coast Guard.

(Aug. 4, 1949, ch. 393, 63 Stat. 550, §652; renumbered §104, Pub. L. 115-282, title I, §103(b), Dec. 4, 2018, 132 Stat. 4195.)

HISTORICAL AND REVISION NOTES

This section is new and provides that any law removing for the duration of a war or national emergency any restriction contained in any then-existing law as applied to the Navy shall operate in the same manner to remove such restrictions as applied to the Coast Guard. Included are restrictions relating to the manner in which purchases may be made and contracts awarded, fiscal operations, and personnel. This provision is designed to enable the Coast Guard to operate as efficiently as the Navy Department in time of war or during a national emergency and would permit the Coast Guard more effectively to maintain itself in a state of military readiness during periods of emergency. Since the Coast Guard operates as part of the Navy in time of war, it is essential that its operations be as flexible and as efficient as those of the Department of which it is to be a part. This section would prevent inadvertent failures specifically to mention the Coast Guard in legislation of the type described in this section from hindering service operations. 81st Congress, House Report No. 557.

HISTORICAL AND REVISION NOTES

Subsections (a) and (b) are based on title 14, U.S.C., 1946 ed., §1 (Jan. 28, 1915, ch. 20, §1, 38 Stat. 800; July 11, 1941, ch. 290, §§5, 6(a), 55 Stat. 585).

Said section has been divided. The provisions relating to appropriations are in this section. The provisions relating to establishment of the Coast Guard are placed in section 1 of this title. The provisions relating to when the Coast Guard operates as a service in the Navy are placed in section 3 of this title.

The substantive changes relating to the availability of appropriations when the Coast Guard is transferred to the Navy were suggested by the Bureau of the Budget (July 11, 1941, ch. 290, §6 (a), 55 Stat. 585).

Subsection (c) is based on title 14, U.S.C., 1946 ed., §7 (Aug. 29, 1916, ch. 417, 39 Stat. 600).

Subsection (d) is derived from title 34, U.S.C., 1946 ed., §§355 to 356b (Feb. 4, 1919, ch. 14, §§2-5, 40 Stat. 1056; Aug. 7, 1942, ch. 551, §1, 56 Stat. 743).

Said sections authorized medals for presentation “. . . to any person who, while serving in any capacity with the Navy of the United States . . .”; inasmuch as this language includes the Coast Guard when it is operating under the Navy, this subsection entails no change in existing law.

Subsection (e) is based on title 34, U.S.C., 1946 ed., §228 (R.S. 1442; Feb. 28, 1942, ch. 11, 59 Stat. 9).

Inasmuch as R.S. 1442 cited above applies to the Navy and Marine Corps as well as the Coast Guard it is not

scheduled for repeal but is being amended by section 6 of this act to eliminate reference to the Coast Guard.

Subsection (f) is based on title 14, U.S.C., 1946 ed., § 3 (Aug. 29, 1916, ch. 417, 39 Stat. 600).

Said sections have been divided. The provisions of the proviso of title 14, U.S.C., 1946 ed., §11a, and the first proviso of title 14, U.S.C., 1946 ed., §12, are placed in section 48 of this title and the remainder is placed in this section.

The provisions regarding appointment of the Assistant Commandant and Engineer in Chief are coordinated, inasmuch as these positions are about equal in the Coast Guard organization. The qualification that the Engineer in Chief be appointed from the active list of engineering officers is changed to the active list of officers who have qualified for engineering duty, because there is no longer any provision for a corps of engineering officers. 81st Congress, House Report No. 557.

HISTORICAL AND REVISION NOTES

This section grants broad general powers concerning policy matters to the Secretary. Many of the powers are contained in existing law but some are enlarged and some additional powers are added as explained following.

Subsection (a) is based on title 14, U.S.C., 1946 ed., §95 (Aug. 29, 1916, ch. 417, 39 Stat. 601). Said section has been divided. The provision authorizing the Secretary to man stations seems more appropriately given to the operational head of the Service, the Commandant, and for that reason is incorporated in section 93(c) of this title.

Subsection (b) is based on title 14, U.S.C., 1946 ed., §§28, 42 (Aug. 16, 1916, ch. 417, 39 Stat. 601; July 3, 1926, ch. 742, §11, 44 Stat. 817). These sections were rewritten in order to broaden existing authority in regard to the training of Coast Guard personnel at schools of the other armed forces, thus approaching a practice of war time, and making for economy in the training of Service personnel; such training would be on a basis mutually satisfactory to the Secretaries involved.

Subsection (c) is based on R.S. 4242 and on title 14, U.S.C., 1946 ed., §§29, 93, 94, 98a (R.S. 4245, 4249; May 4, 1882, ch. 117, §2, 22 Stat. 56; Aug. 29, 1916, ch. 417, 39 Stat. 601; June 6, 1940, ch. 257, §4, 54 Stat. 247; Aug. 6, 1947, ch. 502, 61 Stat. 786). This subsection broadens existing law in that it provides general legislative authority for the construction and disposal of shore establishments of all types including aviation stations.

Subsection (d) is based in part on title 14, U.S.C., 1946 ed., §§55, 57, 69, 109, and in part on title 31, U.S.C., 1946 ed., §§487, 720, (R.S. 2748, 3618, 3692; June 18, 1878, ch. 265, §3, 20 Stat. 163; Aug. 29, 1916, ch. 417, 39 Stat. 601). This subsection broadens existing law in that it provides general legislative authority for the design, construction, acquisition by other means, and disposal of vessels.

Subsection (e) is new. It is derived from title 14, U.S.C., 1946 ed., §31b (June 6, 1941, ch. 177, 55 Stat. 247 [which was originally repealed by act June 30, 1949, ch. 288, title VI, §602(a)(28), 63 Stat. 399, renumbered Sept. 5, 1950, ch. 849, §6(a), (b), 64 Stat. 583]) which provides for the exchange of vehicles, planes, and engines; similar authority in relation to vessels, is granted to the Secretary by this subsection and should prove advantageous to the Government.

Subsection (f) is based on title 14, U.S.C., 1946 ed., §96 and on title 33, U.S.C., 1946 ed., §§729, 730, 731 (Mar. 3, 1875, ch. 130, §1, 18 Stat. 372; Mar. 4, 1909, ch. 299, 35 Stat. 972; June 17, 1910, ch. 301, §9, 36 Stat. 538; Mar. 4, 1913, ch. 168, 37 Stat. 1018). This subsection broadens the power of the Secretary to receive as a gift or purchase sites for stations, to include the acquisition of land by any means provided it is for the purpose of executing duties and functions of the Coast Guard.

Subsection (g) is based in part on title 33, U.S.C., 1946 ed., §732 (Aug. 28, 1916, ch. 414, §2, 39 Stat. 538; July 11,

1941, ch. 290, §1, 55 Stat. 584) and grants authority to the Secretary to exchange interests in land as payment or part payment for other interests in land for the purpose of executing the duties and functions of the Coast Guard; this authority, on the basis of past experience, will prove advantageous to the Government.

Subsection (h) is new and merely insures that the Secretary may exercise any of the powers granted to the Commandant in this title.

Subsection (i) is based in part on title 14, U.S.C., 1946 ed., §§51, 131 (R.S. 2756, 2758) and insures that the Secretary may do anything necessary to carry out the purposes of this title.

Changes were made in phraseology. 81st Congress, House Report No. 557.

CONVEYANCE OF COAST GUARD VESSELS FOR PUBLIC PURPOSES

L. 111-281, title IX, §914, Oct. 15, 2010, 124 Stat. 3018, which provided for transfer of a Coast Guard vessel or aircraft to an eligible entity for public purposes when authorized by law or declared excess by the Commandant of the Coast Guard, was redesignated as section 510 of this title and transferred to appear after section 509 of this title by Pub. L. 117-263, div. K, title CXII, §11258(a), Dec. 23, 2022, 136 Stat. 4057.

IMPLEMENTATION OF INTERNATIONAL AGREEMENTS

Pub. L. 109-241, title VIII, §801, July 11, 2006, 120 Stat. 562, provided that: “In consultation with appropriate Federal agencies, the Secretary of the department in which the Coast Guard is operating shall work with the responsible officials and agencies of other nations to accelerate efforts at the International Maritime Organization to enhance oversight and enforcement of security, environmental, and other agreements adopted within the International Maritime Organization by flag States on whom such agreements are binding, including implementation of—

“(1) a code outlining flag State responsibilities and obligations;

“(2) an audit regime for evaluating flag State performance;

“(3) measures to ensure that responsible organizations, acting on behalf of flag States, meet established performance standards; and

“(4) cooperative arrangements to improve enforcement on a bilateral, regional, or international basis.”

GREAT LAKES LIGHTHOUSES

Pub. L. 107-295, title III, §345, Nov. 25, 2002, 116 Stat. 2106, provided that:

“(a) FINDINGS.—The Congress finds the following:

“(1) The Great Lakes are home to more than 400 lighthouses. One hundred and twenty of these maritime landmarks are in the State of Michigan.

“(2) Lighthouses are an important part of Great Lakes culture and stand as a testament to the importance of shipping in the region’s political, economic, and social history.

“(3) Advances in navigation technology have made many Great Lakes lighthouses obsolete. In Michigan alone, approximately 70 lighthouses will be designated as excess property of the Federal Government and will be transferred to the General Services Administration for disposal.

“(4) Unfortunately, the Federal property disposal process is confusing, complicated, and not well-suited to disposal of historic lighthouses or to facilitate transfers to nonprofit organizations. This is especially troubling because, in many cases, local nonprofit historical organizations have dedicated tre-

mendous resources to preserving and maintaining Great Lakes lighthouses.

“(5) If Great Lakes lighthouses disappear, the public will be unaware of an important chapter in Great Lakes history.

“(6) The National Trust for Historic Preservation has placed Michigan lighthouses on their list of Most Endangered Historic Places.

“(b) ASSISTANCE FOR GREAT LAKES LIGHTHOUSE PRESERVATION EFFORTS.—The Secretary of the department in which the Coast Guard is operating, may—

“(1) continue to offer advice and technical assistance to organizations in the Great Lakes region that are dedicated to lighthouse stewardship; and

“(2) promptly release information regarding the timing of designations of Coast Guard lighthouses on the Great Lakes as excess to the needs of the Coast Guard, to enable those organizations to mobilize and be prepared to take appropriate action with respect to the disposal of those properties.”

HISTORICAL AND REVISION NOTES

This section grants powers to the Commandant concerning, in general, operations within the Service and the internal functioning of the Service. Many of the powers are contained in existing law, but some are enlarged, and some additional powers are added as explained following.

Subsection (a) is derived from title 14, U.S.C., 1946 ed., § 53, and title 34, U.S.C., 1946 ed., § 471 (R.S. 1536). The authority to order vessels to cruise along the coasts should be in the operational head of the Service, and not in the President. This section is changed to cover adequately the necessary present day cruising and patrolling.

Subsection (b) is derived from R.S. 4242 and title 14, U.S.C., 1946 ed., §§ 29, 93, 94, 95, 97, 98a (R.S. 4245, 4249; May 4, 1882, ch. 117, §§ 2, 3, 22 Stat. 56; Aug. 29, 1916, ch. 417, 39 Stat. 601; Aug. 6, 1947, ch. 502, 61 Stat. 786; June 6, 1940, ch. 257, § 4, 54 Stat. 247), and specifically grants to the Commandant authority in regard to the establishment, discontinuance, and change of Coast Guard shore establishments other than Coast Guard districts. This power must exist inherently in order for the Service to function efficiently.

Subsection (c) is derived from title 14, U.S.C., 1946 ed., §§ 54, 97, 112 (May 4, 1882, ch. 117, § 3, 22 Stat. 56; May 30, 1908, ch. 231, 35 Stat. 553; Apr. 21, 1910, ch. 182, § 2, 36 Stat. 326), and specifically grants to the Commandant authority in regard to the assignment of vessels, vehicles, aids to navigation, and other equipment. This power is inherent to the proper functioning of any Service.

Subsection (d) is based on title 14, U.S.C., 1946 ed., § 91 (June 18, 1878, ch. 265, § 7, 20 Stat. 164; June 10, 1921, ch. 18, § 304, 42 Stat. 24; July 3, 1926, ch. 742, § 9, 44 Stat. 817). Said section has been divided. The part dealing with investigation of plans and inventions is covered in this subsection in broader terms, and the other parts are covered in general terms in section 632 of this title.

Subsection (e) is based on title 14, U.S.C., 1946 ed., § 111 (June 18, 1878, ch. 265, § 9, 20 Stat. 164). This section has been rewritten to broaden the authority to include any investigation or study that may be of assistance to the Coast Guard, the limitation as to investigation of shipwrecks having been eliminated.

Subsection (f) is new and is intended to give legislative recognition to the importance of disseminating information by the Coast Guard for the promotion of safety at sea, life-saving techniques, and other Coast Guard activities.

Subsection (g) is new and provides for the training of Coast Guard personnel at other than schools or institutions of the other armed forces. Such training is essential and has been carried on under the authority of appropriation acts for many years.

Subsection (h) is based in part on title 14, U.S.C., 1946 ed., §§ 69, 108, 109, (R.S. 2748; June 20, 1874, ch. 344, § 9, 18

Stat. 127; June 18, 1878, ch. 265, § 3, 20 Stat. 163), and is intended to complement the authority granted to the Secretary in sec. 92(d) of this title granting similar authority to the Commandant as to smaller craft.

Subsection (i) is based in part on title 14, U.S.C., §§ 108, 109, and on title 33, U.S.C., 1946 ed., § 752 (June 20, 1874, ch. 344, § 9, 18 Stat. 127; June 18, 1878, ch. 265, § 3, 20 Stat. 163; Mar. 4, 1913, ch. 168, 37 Stat. 10183, and grants power to the Commandant to acquire and dispose of various equipment and supplies. The authority with respect to the acceptance of such equipment as a gift is new.

Subsection (j) is new and grants power to the Commandant to operate and maintain shore establishments; previously such authority has been inferred from statutes providing for the establishment of shore stations; again such authority is inherent to the functioning of any Service, and this section will provide no greater authority than has been exercised in the past.

Subsection (k) is based on title 14, U.S.C., 1946 ed., § 31b (June 6, 1941, ch. 177, 55 Stat. 247 [which was originally repealed by act June 30, 1949, ch. 288, title VI, § 602(a)(28), 63 Stat. 399, renumbered Sept. 5, 1950, ch. 849, § 6(a), (b), 64 Stat. 583]). The primary authority is granted to the Commandant as well as to the Secretary inasmuch as such exchange seems to be an operational matter and the items which may be exchanged have been enlarged by the addition of aids to navigation, appliances, equipment, and supplies.

Inasmuch as the act cited above applies to the Navy as well as the Coast Guard it is not scheduled for repeal but is being amended by section 13 of this act to eliminate reference to the Coast Guard.

Subsection (l) is new and is deemed desirable in order to give legislative authority for existing yards, and for the procurement of needed equipment and material in case such is not normally or economically obtainable from private contractors.

Subsection (m) is based on title 14, U.S.C., 1946 ed., §§ 110, 192 (June 20, 1874, ch. 344, § 6, 18 Stat. 127; June 18, 1878, ch. 265, § 10, 20 Stat. 165; July 3, 1926, ch. 742, § 9, 44 Stat. 817). The power to accept volunteer services is enlarged to include all services offered in time of emergency, to save life or protect property, and the restrictive provisions relating to lifeboat stations only have been eliminated.

Subsection (n) is new and grants authority to the Commandant to lease real property under the control of the Coast Guard, when not immediately needed in Coast Guard operations. Such authority will be advantageous to the Government, on the basis of past experience.

Subsection (o) is new and is supplementary to subsection (n) of this section. It grants further authority to the Commandant permitting him to grant minor interests in land which is under control of the Coast Guard. This will avoid the necessity of special acts of Congress in each of such instances.

Subsection (p) is new and is necessary to give proper authority for the maintenance of networks of wires and cables, in some cases over or along private property or public highways. These networks are in existence at the present time and are essential for the Service to carry out its functions.

Subsection (q) is new and is necessary in order to provide clear authority for the maintenance of radio stations which are essential to Coast Guard functions.

Changes were made in phraseology. 81st Congress, House Report No. 557.

HISTORICAL AND REVISION NOTES

Based on title 5, U.S.C., 1946 ed., § 41, and on title 14, U.S.C., 1946 ed. §§ 22, 58, 91, 99, 103 (R.S. 2749; June 18, 1878, ch. 265, §§ 7, 8, 22 Stat. 164; May 4, 1882, ch. 117, § 5, 22 Stat. 57; Mar. 4, 1907, ch. 2918, 34 Stat. 1309; Jan. 28, 1915, ch. 20, § 1, 38 Stat. 800; Aug. 29, 1916, ch. 417, 39 Stat. 601; June 10, 1921, ch. 18, § 304, 42 Stat. 23; July 3, 1926, ch. 742, § 9, 44 Stat. 817).

Said section 91 has been divided. That part dealing with investigation of plans and inventions is covered in section 93(d) of this title. The remainder is covered in general terms. It has been rewritten in broad terms, making clear that the Commandant is granted the necessary authority to administer the Coast Guard under the Secretary, including authority to issue rules, orders, and instructions.

This section is primarily a consolidation of existing functions rather than a codification of existing laws. It does not, for the most part, grant new authority to the Coast Guard as an organization. It merely clarifies the method by which Coast Guard functions shall be administered. Under existing statutes, functions relating to the Coast Guard have been conferred upon the President, the Secretary of the Treasury, and the Commandant, and sometimes upon the Secretary of the Treasury in times of peace and the Secretary of the Navy in times of war. This revision confers some functions directly upon the Coast Guard, and this section provides for the execution of those functions by the Commandant, the military head of the organization, thereby making for consistency and uniformity. The functions are to be executed "subject to the general supervision of the Secretary". Title 14, U.S.C., 1946 ed., § 91 now grants authority to the Commandant to prescribe regulations; this is changed to the issuance of rules, orders, and instructions as the promulgation of regulations in a military organization is properly a function of the Secretary.

Changes were made in phraseology. 81st Congress, House Report No. 557.

(a) The Coast Guard may, when so requested by proper authority, utilize its personnel and facilities (including members of the Auxiliary and facilities governed under chapter 39) to assist any Federal agency, State, Territory, possession, or political subdivision thereof, or the District of Columbia, to perform any activity for which such personnel and facilities are especially qualified. The Commandant may prescribe conditions, including reimbursement, under which personnel and facilities may be provided under this subsection.

(b) The Coast Guard, with the consent of the head of the agency concerned, may avail itself of such officers and employees, advice, information, and facilities of any Federal agency, State, Territory, possession, or political subdivision thereof, or the District of Columbia as may be helpful in the performance of its duties. (Aug. 4, 1949, ch. 393, 63 Stat. 505, § 141; Pub. L. 104-324, title IV, § 405(a), Oct. 19, 1996, 110 Stat. 3924; renumbered § 701 and amended Pub. L. 115-282, title I, §§ 106(b), 123(c)(6), Dec. 4, 2018, 132 Stat. 4203, 4241.)

HISTORICAL AND REVISION NOTES

This section is based in part on title 33, U.S.C., 1946 ed., § 756 (Mar. 3, 1915, ch. 81, § 6, 38 Stat. 928), and authorizes the Coast Guard to use its personnel and facilities to assist other Government agencies when re-

quested and, correlatively, authorizes the Coast Guard to utilize the personnel and facilities of other agencies. It is believed desirable to have this authority spelled out by statute because in times of emergency, for example floods, it sometimes becomes most advantageous to cooperate in this manner. 81st Congress, House Report No. 557.

§ 702. State Department

The Coast Guard, through the Secretary, may exchange information, through the Secretary of State, with foreign governments and suggest to the Secretary of State international collaboration and conferences on all matters dealing with the safety of life and property at sea, other than radio communication.

(Aug. 4, 1949, ch. 393, 63 Stat. 505, § 142; renumbered § 702, Pub. L. 115-282, title I, § 106(b), Dec. 4, 2018, 132 Stat. 4203.)

HISTORICAL AND REVISION NOTES

Because of the numerous situations in which it is necessary for the Coast Guard to deal with foreign governments, particularly in the field of safety of life and property at sea, the Coast Guard and the State Department agree that a provision such as this is desirable.

The international character of many Coast Guard functions makes it more and more necessary for the Service to be an initiating or participating agency in international collaboration. Examples of international meetings concerned with matters affecting the Coast Guard include those which dealt with the International Rules of the Road, international load lines, the International Code of Signals, safety at sea, and international telecommunications. It is highly desirable that there be a clear-cut legislative expression of Coast Guard cooperation with the State Department on proposed international conferences dealing with various phases of Coast Guard activities, such as aids to navigation, life-saving equipment, navigation and communication equipment other than radio communication, regulation of dangerous cargoes, international rules of the road, safety requirements and equipment of transoceanic aircraft and vessels, and safe manning standards and efficiency of personnel employed on transoceanic aircraft and vessels. Provisions for similar relationship between the Civil Aeronautical Board and the State Department appear in the act of June 23, 1938, as amended, 52 Stat. 984 (title 49, U.S.C., 1946 ed., §§ 425(c), 602). 81st Congress, House Report No. 557.

Subsection (c) is new. This subsection enacts what has been the practice of the Navy and Coast Guard in keeping the Coast Guard trained to “come on board with some muscle” in time of emergency.

Section 3 of this title deals with the relationship of the Coast Guard to the Navy Department. This section deals with cooperation with the Navy. Whereas the status of the Coast Guard in time of war was treated in chapter 1 of this title, this section has application in time of peace when the Coast Guard is not under the Navy Department.

§ 707. Department of Commerce

In order to promote the safety of life and property on and over the high seas and waters over which the United States has jurisdiction, and to facilitate the preparation and dissemination by the National Oceanic and Atmospheric Administration of the weather reports, forecasts, and warnings essential to the safe and efficient conduct of domestic and international commerce on and over such seas and waters, the Commandant may cooperate with the Administrator, National Oceanic and Atmospheric Administration by procuring, maintaining, and making available, facilities and assistance for observing, investigating, and communicating weather phenomena and for disseminating weather data, forecasts and warnings, the mutually satisfactory terms of such cooperation in weather service to be agreed upon and arranged between the Commandant and the Administrator, National Oceanic and Atmospheric Administration.

HISTORICAL AND REVISION NOTES

This section outlines the sphere of cooperation between the Weather Bureau and the Coast Guard. It would not permit any cooperation that has not been carried on in the past.

Although the Coast Guard has always cooperated closely with the Weather Bureau, positive recognition of this has never appeared in the statutes. In its patrol, its aiding navigation, and its life saving activities, the Coast Guard finds it important to make, receive and transmit weather observations and measurements. Furthermore, with the advent of war, weather reporting, particularly mid-Atlantic weather patrol work, assumed increasing importance, and this extensive weather station manning in cooperation with the Weather Bureau must be provided for in the postwar period. This section providing for such close cooperation with the Weather Bureau in weather reporting would crystallize the cooperative practices of the two agencies as they have operated for years. 81st Congress, House Report No. 557.

HISTORICAL AND REVISION NOTES

Derived from title 34, U.S.C., 1946 ed., §441a (May 19, 1926, ch. 334, 44 Stat. 565; May 14, 1935, ch. 109, 49 Stat. 218; Oct. 1, 1942, ch. 571, 56 Stat. 763; 1946 Proc. No. 2695, July 4, 1946, 11 F.R. 7517, 60 Stat. 1352).

Experience has indicated that it will be advantageous for the Government to include the Coast Guard along with the other armed forces for the purpose of detailing personnel for service with foreign governments.

It seems probable that the increased collaboration with foreign governments after the war and the vital nature of the Coast Guard's activities in relation to such collaboration will result in requests from time to time by foreign governments for assistance which the Coast Guard is in the best position to render. This section, which confers broad authority in the President to detail Coast Guard officers and enlisted men to assist foreign governments, is patterned after the act of October 1, 1942, 56 Stat. 763 (title 34, U.S.C., 1946 ed., §441-a), which authorizes the President to detail Army, Navy, and Marine Corps officers and men to certain foreign governments and, in times of war or national emergency, to any foreign government in the interests of national defense. 81st Congress, House Report No. 557.

DELEGATION OF AUTHORITY

Authority of President under this section as invoked by section 2 of Ex. Ord. No. 13223, Sept. 14, 2001, 66 F.R. 48201, as amended, delegated to Secretary of Homeland Security by section 5 of Ex. Ord. No. 13223, set out as a note under section 12302 of Title 10, Armed Forces.

§ 711. Coast Guard officers as attachés to missions

Commissioned officers may, with the consent of the Secretary of State, be regularly and offi-

cially attached to the diplomatic missions of the United States in those nations with which the United States is extensively engaged in maritime commerce. Expenses for the maintenance of such Coast Guard attachés abroad, including office rental and pay of employees and allowances for living quarters, including heat, fuel, and light, may be defrayed by the Coast Guard. (Aug. 4, 1949, ch. 393, 63 Stat. 507, § 150; renumbered § 711, Pub. L. 115–282, title I, § 106(b), Dec. 4, 2018, 132 Stat. 4203.)

HISTORICAL AND REVISION NOTES

Experience since the war has indicated the necessity for making provision for the assignment of Coast Guard officers to diplomatic missions in those foreign countries which are extensively engaged in maritime commerce with the United States. This is largely the result of duties in connection with inspection of merchant vessels.

This section authorizes the designation, with the consent of the State Department, of Coast Guard officers to be officially attached to diplomatic missions of the United States. Although Coast Guard advice on Coast Guard matters is always available to our diplomatic missions, in those locations where such advice and information are frequently sought, it is felt that the most effective utilization of Coast Guard services would be achieved by having Coast Guard officers attached to such missions. Provision for customs officers to be attached to diplomatic missions is contained in the act of March 4, 1923, as amended, 42 Stat. 1453 (title 19, U.S.C., 1946 ed., § 6). Before the transfer in 1939 of the Foreign Agriculture Service to the State Department, representatives of the Bureau of Agricultural Economics of the Department of Agriculture stationed abroad were agricultural attachés. AMENDMENTS

2018—Pub. L. 115-282 renumbered section 671 of this title as this section.

§ 907. Long-term lease of special purpose facilities

(a) The Secretary is authorized, subject to the availability of appropriations, to enter into lease agreements to acquire real property or interests therein for a term not to exceed 20 years,

inclusive of any automatic renewal clauses, for special purpose facilities, including, aids to navigation (hereafter in this section referred to as “ATON”) sites, vessel traffic service (hereafter in this section referred to as “VTS”) sensor sites, or National Distress System (hereafter in this section referred to as “NDS”) high level antenna sites. These lease agreements shall include cancellation and termination provisions to the extent necessary to protect the best interests of the United States. Cancellation payment provisions may include consideration of both recurring and nonrecurring costs associated with the real property interests under the contract. These lease agreements may provide for a cancellation payment to be made. Amounts that were originally obligated for the cost of the contract may be used for cancellation or termination costs.

(b) For purposes of this section, the term “special purpose facilities” means any facilities used to carry out Coast Guard aviation, maritime, or navigation missions other than general purpose office and storage space facilities.

(c) In the case of ATON, VTS, or NDS sites, the Secretary may enter into multiyear lease agreements under subsection (a) of this section whenever the Secretary finds that—

(1) the use of such a lease agreement will promote the efficiency of the ATON, VTS, or NDS programs and will result in reduced total costs under the agreement;

(2) the minimum need for the real property or interest therein to be leased is expected to remain substantially unchanged during the contemplated lease period; and

(3) the estimates of both the cost of the lease and the anticipated cost avoidance through the use of a multiyear lease are realistic.

HISTORICAL AND REVISION NOTES

Based on title 14, U.S.C., 1946 ed., § 64 (R.S. 2764; Aug. 5, 1935, ch. 438, title III, § 308, 49 Stat. 528).

Aircraft are included within the provisions of this section.

The Secretary rather than the President is given the authority to design ensigns and pennants.

Unauthorized display of such insignia is made illegal anywhere rather than only “within the jurisdiction of the United States”.

The language is broadened to include “any person violating this section”; existing law applies to masters of offending vessels only. 81st Congress, House Report No. 557.

§ 934. Penalty for unauthorized use of words “Coast Guard”

No individual, association, partnership, or corporation shall, without authority of the Commandant, use the combination of letters “USCG” or “USCGR”, the words “Coast Guard,” “United States Coast Guard,” “Coast Guard Reserve,” “United States Coast Guard Reserve,” “Coast Guard Auxiliary,” “United States Coast Guard Auxiliary,” “Lighthouse Service,” “Life Saving Service,” or any combination or variation of such letters or words alone or with other letters or words, as the name under which he or it shall do business, for the purpose of trade, or by way of advertisement to induce the effect of leading the public to believe that any such individual, association, partnership, or corporation has any connection with the Coast Guard. No individual, association, partnership, or corporation shall falsely advertise, or otherwise represent falsely by any device whatsoever, that any project or business in which he or it is engaged, or product which he or it manufactures, deals in, or sells, has been in any way endorsed, authorized, or approved by the Coast

Guard. Every person violating this section shall be fined not more than \$10,000, or imprisoned not more than one year, or both.

HISTORICAL AND REVISION NOTES

This section makes the unauthorized use of the words “Coast Guard” or any derivative thereof, a crime. This is believed to be a desirable prohibition in view of the many commercial organizations which are manufacturing equipment approved by the Coast Guard and selling same to vessels in the United States. 81st Congress, House Report No. 557.

HISTORICAL AND REVISION NOTES

Based on title 14, U.S.C., 1946 ed., § 71 (June 15, 1936, ch. 550, 49 Stat. 1514; July 1, 1944, ch. 373, title VII, § 711, 58 Stat. 714; Aug. 13, 1946, ch. 958, § 5, 60 Stat. 1051).

This section closely parallels title 46, U.S.C., 1946 ed., §§ 797, 798, which authorizes the Secretary of the Navy to negotiate amicable settlement of claims against the United States arising out of the operation of Naval vessels. It grants similar authority to the Secretary of the Treasury in relation to vessels in the Coast Guard serv-

ice, and the limiting amount is reduced from \$1,000,000 to \$25,000. It is believed that this section will work to the benefit of the Government by reducing civil litigation and the number of claims which must presently be certified to Congress for appropriations in order to make settlement. It will greatly expedite the settlement of just claims and should result in a considerable overall savings to the Government. 81st Congress, House Report No. 557.

AMENDMENTS

2021—Subsec. (a). Pub. L. 116-283 substituted “\$425,000” for “\$100,000” in introductory provisions.

2018—Pub. L. 115-282 renumbered section 646 of this title as this section.

1972—Subsec. (a). Pub. L. 92-417 incorporated in part first sentence of former subsec. (a) in text preceding par. (1), substituted “Secretary” for “Secretary of the Treasury”, inserted provisions authorizing payments up to \$100,000, struck out second, third, and fourth sentences providing that provisions of this section were supplementary to other provisions, that claims in excess of \$3,000 accrued prior to Sept. 8, 1939, would not be considered, and that payments be made out of Coast Guard appropriations, and added pars. (1) to (3).

Subsec. (b). Pub. L. 92-417 incorporated in part first sentence of former subsec. (a).

Subsec. (c). Pub. L. 92-417 incorporated provisions of last sentence of former subsec. (a) and substituted “100,000” for “25,000”.

1960—Subsec. (b). Pub. L. 86-533 repealed subsec. (b) which required the Secretary of the Treasury to report to the Congress the payment of claims determined, compromised, settled, or paid.

§ 938. Claims for damage to property of the United States

The Secretary may consider, ascertain, adjust, determine, compromise, or settle claims for damage cognizable in admiralty in a district court of the United States and all claims for damage caused by a vessel or floating object, to property of the United States under the jurisdiction of the Coast Guard or property for which the Coast Guard may have assumed, by contract or otherwise, any obligation to respond for damage thereto. The Secretary is further authorized to receive in payment of any such claim the amount due the United States pursuant to determination, compromise, or settlement as herein authorized and, upon acceptance of such payment but not until then, such determination, settlement, or compromise of such claim shall be final and conclusive for all purposes, any law to the contrary notwithstanding. All such payments shall be deposited in the Treasury of the United States as miscellaneous receipts. The Secretary is further authorized to execute on behalf of the United States and to deliver in exchange for such payment a full release of such claim. This section, as respects the determination, compromise, settlement, and payment of claims, shall be supplementary to, and not in lieu of, all other provisions of law authorizing the determination, compromise, or settlement of claims for damage to property hereinabove described. No settlement or compromise where there is involved a payment in the net amount of over \$425,000 is authorized by this section.

HISTORICAL AND REVISION NOTES

This section closely parallels title 34, U.S.C., 1946 ed., §§ 600a, 600b, which authorize the Secretary of the Navy to negotiate amicable settlements of affirmative claims of the United States for damage to Government property. Experience gained by the Navy since enactment of title 34, U.S.C., 1946 ed., §§ 600a-600d, indicates that such amicable settlement reacts to the benefit of the Government in many cases. The provisions of this section would complement those of section 646 of this title and the two sections together would permit the Coast Guard to negotiate the settlement of claims arising out of Coast Guard floating operations, both for and against the United States. 81st Congress, House Report No. 557.

EFFECTIVE DATE OF 1984 AMENDMENT

Pub. L. 98-557, § 17(b)(3)(B), Oct. 30, 1984, 98 Stat. 2868, provided that: “The amendment made by subparagraph (A) of this paragraph [amending this section] shall apply to all claims considered, ascertained, adjusted, determined, compromised or settled on or after the date of enactment of this Act [Oct. 30, 1984].”

§ 939. Accounting for industrial work

(a) IN GENERAL.—The Secretary may prescribe regulations governing accounting for industrial work, including charges for overhead for civilian labor and for maintenance of industrial plant and equipment, performed at the Coast Guard Yard or such similar Coast Guard industrial establishments as he may designate. Any orders placed for such industrial work shall be covered by a transfer or advance of funds to cover the estimated cost thereof, and shall be credited to such accounts as may be necessary and established by the Secretary to carry out the provisions of this section. Accounts so established shall be available for materials, supplies, or equipment, and civilian labor, including overhead and maintenance, required in performing the work ordered. Upon completion of an order an adjustment will be made to make the amount transferred or advanced equal to the actual cost as computed in accordance with the accounting regulations prescribed by the Secretary or in accordance with subsection (b).

(b) INCENTIVE CONTRACTS.—

(1) The parties to an order for industrial work to be performed by the Coast Guard Yard or a Coast Guard industrial establishment designated under subsection (a) may enter into an order or a cost-plus-incentive-fee order in accordance with this subsection.

(2) If such parties enter into such an order or a cost-plus-incentive-fee order, an agreed-upon amount of any adjustment described in subsection (a) may be distributed as an incentive to the wage-grade industrial employees who complete the order.

(3) Before entering into such an order or cost-plus-incentive-fee order such parties must agree that the wage-grade employees of the Coast Guard Yard or Coast Guard industrial establishment will take action to improve the delivery schedule or technical performance agreed to in the order for industrial work to which such parties initially agreed.

(4) Notwithstanding any other provision of law, if the industrial workforce of the Coast Guard Yard or Coast Guard industrial establishment satisfies the performance target established in such an order or cost-plus-incentive-fee order—

(A) the adjustment to be made pursuant to subsection (a) shall be reduced by an agreed-upon amount and distributed to such wage-grade industrial employees; and

(B) the remainder of the adjustment shall be credited to the appropriation for such order current at that time.

(Aug. 4, 1949, ch. 393, 63 Stat. 549, § 648; renumbered § 939 and amended Pub. L. 115-282, title I, § 107(b), title III, § 307, Dec. 4, 2018, 132 Stat. 4205, 4247.)

HISTORICAL AND REVISION NOTES

This section is intended to eliminate a very cumbersome and inefficient method of accounting for industrial jobs at the Coast Guard Yard and other shore establishments where industrial work may be undertaken. Under existing law several accounts must be kept current for each job in progress. Under this statute the working fund would be available for all types of expenditures in connection with a job and the breakdown into separate accounts could be done after the job is complete. The other armed forces have provisions of law which permit a working fund similar to the one provided by this section. 81st Congress, House Report No. 557.

§ 940. Supplies and equipment from stock

AMENDMENTS

2018—Pub. L. 115-282 renumbered section 649 of this title as this section.

§ 941. Coast Guard Supply Fund

(a) A Coast Guard Supply Fund is authorized. The Secretary may prescribe regulations for designating the classification of materials to be stocked. In these regulations, whenever the fund is extended to include items not previously stocked, or spare parts obtained as part of a procurement under a different account of major items such as vessels or aircraft, whether or not such parts were previously stocked, the Secretary may authorize an increase in the existing capital of the fund by the value of such usable materials transferred thereto from Coast Guard inventories carried in other accounts. Except for the materials so transferred, the fund shall be charged with the cost of materials purchased or otherwise acquired. The fund shall be credited with the value of materials consumed, issued for use, sold, or otherwise disposed of, such values to be determined on a basis that will approximately cover the cost thereof.

(b) Obligations may, without regard to fiscal year limitations, be incurred against anticipated reimbursement to the Coast Guard Supply Fund in such amount and for such period, as the Secretary, with approval of the Director of the Office of Management and Budget, may determine to be necessary to maintain stock levels consistently with planned operations for the next year.

(Aug. 4, 1949, ch. 393, 63 Stat. 550, § 650; Aug. 7, 1956, ch. 1023, § 1(a), 70 Stat. 1077; Pub. L. 91-278, § 1(13), June 12, 1970, 84 Stat. 306; Pub. HISTORICAL AND REVISION NOTES

A Coast Guard supply fund was established by the Naval Appropriation Act for fiscal year 1943 approved February 7, 1942, 56 Stat. 73. Experience has clearly shown that it is advantageous to the Government to have permanent authorization for such a fund. 81st Congress, House Report No. 557.

§ 942. Public and commercial vessels and other watercraft; sale of fuel, supplies, and services

The Secretary under such regulations as he may prescribe, may sell to public and commercial vessels and other watercraft, such fuel, supplies and furnish such services as may be required to meet the necessities of the vessel or watercraft if such vessel or watercraft is unable—

(1) to procure the fuel, supplies, or services from other sources at its present location; and

(2) to proceed to the nearest port where they may be obtained without endangering the safety of the ship, the health and comfort of its personnel, or the safe condition of the property carried aboard.

Sales under this section shall be at such prices as the Secretary considers reasonable. Payment will be made on a cash basis or on such other basis as will reasonably assure prompt payment. Amounts received from such a sale shall, unless otherwise directed by another provision of law, be credited to the current appropriation concerned and are available for the same purposes as that appropriation.

(c) **REQUIREMENTS FOR UNDEFINITIZED CONTRACTUAL ACTIONS.**—

(1) **DEADLINE FOR AGREEMENT ON TERMS, SPECIFICATIONS, AND PRICE.**—A contracting officer of the Coast Guard may not enter into an undefinitized contractual action unless the contractual action provides for agreement upon contractual terms, specification, and price by the earlier of—

(A) the end of the 180-day period beginning on the date on which the contractor submits a qualifying proposal to definitize the contractual terms, specifications, and price; or

(B) the date on which the amount of funds obligated under the contractual action is equal to more than 50 percent of the negotiated overall ceiling price for the contractual action.

(2) **LIMITATION ON OBLIGATIONS.**—

(A) **IN GENERAL.**—Except as provided in subparagraph (B), the contracting officer for an undefinitized contractual action may not obligate under such contractual action an amount that exceeds 50 percent of the negotiated overall ceiling price until the contractual terms, specifications, and price are definitized for such contractual action.

(B) **EXCEPTION.**—Notwithstanding subparagraph (A), if a contractor submits a qualifying proposal to definitize an undefinitized contractual action before an amount that exceeds 50 percent of the negotiated overall ceiling price is obligated on such action, the contracting officer for such action may not obligate with respect to such contractual action an amount that exceeds 75 percent of the negotiated overall ceiling price until the contractual terms, specifications, and price are definitized for such contractual action.

(3) **WAIVER.**—The Commandant may waive the application of this subsection with respect to a contract if the Commandant determines that the waiver is necessary to support—

(2) in the best interests of the United States.

(f) **ALLOWABLE PROFIT.**—The Commandant shall ensure that the profit allowed on an undefinitized contractual action for which the final price is negotiated after a substantial portion of the performance required is completed reflects—

(1) the possible reduced cost risk of the contractor with respect to costs incurred during performance of the contract before the final price is negotiated; and

(2) the reduced cost risk of the contractor with respect to costs incurred during performance of the remaining portion of the contract.

- (5) assesses the relative merits of alternatives to determine a preferred solution in accordance with the requirements of this section.

(b) SUBMISSION REQUIRED BEFORE PROCEEDING.—Any Coast Guard Level 1 or Level 2 acquisition project or program may not begin to obtain any capability or asset or proceed beyond that phase of its development that entails approving the supporting acquisition until the Commandant submits to the appropriate congressional committees the following:

- (1) The key performance parameters, the key system attributes, and the operational performance attributes of the capability or asset to be acquired under the proposed acquisition project or program.

(c) ANALYSIS OF ALTERNATIVES.—

(1) IN GENERAL.—The Coast Guard may not acquire an experimental or technically immature capability or asset or implement a Level 1 or Level 2 acquisition project or program, unless it has prepared an analysis of alternatives for the capability or asset to be acquired in the concept and technology development phase of the acquisition process for the capability or asset.

tended to minimize technical, cost, and schedule risk as early as practicable in the development of the project or program.

(2) **TEST AND EVALUATION STRATEGY.**—The master plan shall—

(A) set forth an integrated test and evaluation strategy that will verify that capability-level or asset-level and subsystem-level design and development, including performance and supportability, have been sufficiently proven before the capability, asset, or subsystem of the capability or asset is approved for production; and

(4) **UPDATE.**—The Chief Acquisition Officer must approve an updated master plan whenever there is a revision to project or program test and evaluation strategy, scope, or phasing.

(5) **LIMITATION.**—The Coast Guard may not—

(A) proceed beyond that phase of the acquisition process that entails approving the supporting acquisition of a capability or asset before the master plan is approved by the Chief Acquisition Officer; or

(B) award any production contract for a capability, asset, or subsystem for which a master plan is required under this subsection before the master plan is approved by the Chief Acquisition Officer.

(e) **LIFE-CYCLE COST ESTIMATES.**—

(1) **IN GENERAL.**—The Commandant shall implement mechanisms to ensure the develop-

ment and regular updating of life-cycle cost estimates for each acquisition with a total acquisition cost that equals or exceeds \$10,000,000 and an expected service life of 10 or more years, and to ensure that these estimates are considered in decisions to develop or produce new or enhanced capabilities and assets.

(2) **TYPES OF ESTIMATES.**—For each Level 1 or Level 2 acquisition project or program, in addition to life-cycle cost estimates developed under paragraph (1), the Commandant shall require that—

(A) life-cycle cost estimates developed under paragraph (1) be updated before—

(3) CUTTER CLASSIFICATION.—

(A) IN GENERAL.—The Commandant shall cause each cutter, other than a National Security Cutter, acquired by the Coast Guard and delivered after the date of enactment of the Coast Guard Authorization Act of 2010 to be classed by the American Bureau of Shipping before final acceptance.

[(B) Repealed. Pub. L. 112-213, title II, § 210(c)(2)(B), Dec. 20, 2012, 126 Stat. 1551.]

§ 1901. Administration of Academy

The immediate government and military command of the Coast Guard Academy shall be in the Superintendent of the Academy, subject to the direction of the Commandant under the general supervision of the Secretary. The Commandant may select a superintendent from the active list of the Coast Guard who shall serve in the pleasure of the Commandant.

(Aug. 4, 1949, ch. 393, 63 Stat. 508, §181; renumbered §1901, Pub. L. 115-282, title I, §110(b), Dec. 4, 2018, 132 Stat. 4212.)

HISTORICAL AND REVISION NOTES

This section does not change the present method of administration of the Academy. It makes statutory what has been administrative regulation heretofore, and it is believed highly desirable to make the control of an institution of such national interest as the Academy the subject of a statute.

This section is new. There is no provision in existing law which establishes the Academy and sets it up as an operating unit. Nor is there any provision which creates the office of Superintendent of the Academy, or prescribes his duties and functions. Heretofore this has been accomplished by regulations, and the laws which deal with the Academy assume its existence as a going institution and assume the existence of the Superintendent with certain defined functions and duties. This section continues the Academy as previously established, provides for the appointment of the Superintendent by the Commandant, and defines in general terms his functions. The Academy would thus be placed on a definite statutory basis, and the office of Superintendent would be a statutory position, but the present administration of the Academy would in no way be interfered with. 81st Congress, House Report No. 557.

§ 1941. Civilian teaching staff

(a) The Secretary may appoint in the Coast Guard such number of civilian faculty members at the Academy as the needs of the Service may require. They shall have such titles and perform duties as prescribed by the Secretary. Leaves of absence and hours of work for civilian faculty members shall be governed by regulations promulgated by the Secretary, without regard to the provisions of title 5.

(b) The compensation of individuals employed under this section is as prescribed by the Secretary.

HISTORICAL AND REVISION NOTES

Based on title 14, U.S.C., 1946 ed., §15d (Apr. 16, 1937, ch. 107, §3, 50 Stat. 67; May 2, 1942, ch. 273, 56 Stat. 265).

The last sentence is new and is inserted to permit adjustment of the work load and leave schedule of Academy faculty members due to the peculiarity of the academic schedule.

The last sentence of this section is new, being included in order to allow for adjusting the working time and leave of civilian instructors in conformity with the academic terms at the Academy. The work load of an instructor varies greatly, and flexibility in administration of a faculty is therefore essential. The leave provided for civil service employees does not fit the needs of an instruction staff, and this has been a source of difficulty in the past. This new provision would permit leave during the summer and between academic terms without deduction from pay, and, it is contemplated, at no other time.

Changes were made in phraseology. 81st Congress, House Report No. 557.

bered § 1942, Pub. L. 115-282, title I, § 110(b), Dec. 4, 2018, 132 Stat. 4212.)

HISTORICAL AND REVISION NOTES

Based on title 14, U.S.C., 1946 ed., §§ 15b, 15c (Apr. 16, 1937, ch. 107, § 1, 2, 50 Stat. 66; May 2, 1942, ch. 273, 56 Stat. 265).

Section 15b of title 14, U.S.C., 1946 ed., has been divided. Part of the provisions of the first sentence is placed in this section, while other provisions are placed in section 188 of this title.

Section 15c of title 14, U.S.C., 1946 ed., has been divided. The last sentence is incorporated in this section, while the other provisions are placed in section 189 of this title.

The composition of the teaching staff at the Academy is changed materially on the recommendation of the Academic Board and the Advisory Committee. The scope of duty of members of the staff is enlarged to include whatever the Commandant prescribes.

Title 14, U.S.C., 1946 ed., § 15b provides for five professors as heads or assistant heads of departments at the Academy. The Academic Board of the Academy and the Advisory Committee, after extensive study have recommended the change, as provided in this section, to three professors and twelve others on the permanent teaching staff, with designations to conform generally with the designations and grades of faculty members at other universities. The librarian is given faculty status because of the role of the library as the center of the modern university; this is in conformity with the practice of other higher educational institutions. It is believed that the increased number of permanent commissioned instructors is justified and desirable in view of the expansion of the Cadet Corps as the full effect of the return to a four-year course is felt. It is probable that, in the next few years, the number of cadets will approximate 450. The average number in the past two years has been about 300. This new set-up for the permanent commissioned teaching staff will permit desirable exchanges of professors with leading universities, and occasional sabbatical leaves in order to better the faculty generally. It is pointed out that this increase in permanent instructors does not increase the authorized number of officers in the Coast Guard, as they are all included in the limitation provided in section 42 of this title. If a teaching position at the Academy is not provided for permanently it will require the assignment of an additional regular officer, so it is apparent that the changes proposed in this section do not increase the size of the Service, or the expense, but represent a long-range plan to better the Academy as a leading educational institution within the present, recognized, standards for a proper university faculty. The last sentence retains the command status of the professors as provided in existing law but enlarges the field in which they may perform duty, in order to make it possible to give them interim assignments other than at the Academy, thus broadening their knowledge of the Service while still advantageously utilizing their services. 81st Congress, House Report No. 557.

AMENDMENTS

2018—Pub. L. 115-282 renumbered section 187 of this title as this section.

1960—Pub. L. 86-474 substituted “shall consist of professors, associate professors, assistant professors and instructors, in such numbers as the needs of the Service require” for “shall consist of not more than three professors who may serve as heads of departments, and not more than twelve associate professors, assistant professors, and commissioned instructors, one of whom shall be the librarian”.

§ 1943. Appointment of permanent commissioned teaching staff

The President may appoint in the Coast Guard, by and with the advice and consent of

the Senate, the professors, associate professors, assistant professors, and instructors who are to serve on the permanent commissioned teaching staff of the Academy. An original appointment to the permanent commissioned teaching staff, unless the appointee has served as a civilian member of the teaching staff, regular commissioned officer, temporary commissioned officer, or reserve commissioned officer in the Coast Guard, shall be a temporary appointment until the appointee has satisfactorily completed a probationary term of four years of service; thereafter he may be regularly appointed and his rank shall date from the date of his temporary appointment in the grade in which permanently appointed.

HISTORICAL AND REVISION NOTES

Based on title 14, U.S.C., 1946 ed., § 15b (Apr. 16, 1937, ch. 107, § 1, 50 Stat. 66; May 2, 1942, ch. 273, 56 Stat. 265).

Said section has been divided. That part of the first sentence which provides for the composition of the teaching staff is incorporated in section 187 of this title. The other provisions are incorporated in this section, except for the proviso which has been omitted as no longer needed.

This section incorporates the following changes because of the new plan for the permanent teaching staff: the President is authorized to appoint a candidate to any of the grades prescribed; and the probationary term, applicable unless the candidate has served in the Coast Guard as prescribed in this section, is increased from two to four years. Authorization for appointment in any grade is deemed desirable in order to permit the acquisition of outstanding instructors for the staff. It is believed that the former two-year period was too short to fully evaluate the capabilities of a temporary appointee. 81st Congress, House Report No. 557.

All officers of the permanent commissioned teaching staff shall receive the pay and allowances of other commissioned officers of the same grade and length of service. Based on title 14, U.S.C., 1946 ed., §15c (Apr. 16, 1937, ch. 107, §2, 50 Stat. 66).

Said section has been divided. The last sentence is incorporated in section 187 of this title. The other provisions are incorporated in this section.

The limitation on grade of professors is raised from Commander to Captain, and other limitations as to grades within the new permanent commissioned teaching staff are established.

This section prescribes the relative ranks for the various grades in the permanent commissioned teaching staff, establishes the pay as heretofore, and provides for promotion as the Secretary shall prescribe. 81st Congress, House Report No. 557.

1960—Pub. L. 86-474 substituted “and instructors with grade not above” for “and commissioned instructors with grade not above”, and “assistant professor, or instructor” for “or assistant professor”.

§ 1945. Retirement of permanent commissioned teaching staff

Professors, associate professors, assistant professors, and instructors in the Coast Guard shall be subject to retirement or discharge from active service for any cause on the same basis as other commissioned officers of the Coast Guard, except that they shall not be required to retire from active service under the provisions of section 2149 of this title, nor shall they be subject to the provisions of section 2150 of this title, nor shall they be required to retire at age sixty-two but may be permitted to serve until age sixty-four at which time unless earlier retired or separated they shall be retired. The Secretary may retire any member of the permanent commissioned teaching staff who has completed thirty years' active service. Service as a civilian member of the teaching staff at the Academy in addition to creditable service authorized by any other law in any of the military services rendered prior to an appointment as a professor, associate professor, assistant professor, or instructor shall be credited in computing length of service for retirement purposes. The provisions of law relating to retirement for disability in line of duty shall not apply in the case of a professor, associate professor, assistant professor, or instructor serving under a temporary appointment.

HISTORICAL AND REVISION NOTES

Based on title 14, U.S.C., 1946 ed., §15f (Apr. 16, 1937, ch. 107, §5, 50 Stat. 67).

The provision prohibiting the retirement of a professor because of physical disability with less than 15

years' service is changed to have application only during the temporary appointment of a professor.

This section provides for the retirement of associate professors, assistant professors, and commissioned instructors in addition to professors. It is believed that the provision of existing law requiring 15 years' service before becoming eligible for retirement, discriminated against this group of officers as no other group was discriminated against, and should be eliminated. It was changed so that these officers would be ineligible for retirement during their probationary term only.

Changes were made in phraseology. 81st Congress, House Report No. 557.

In determining the total number of years of active service to be used as a multiplier in computing this payment, a part of a year that is six months or more is counted as a whole year and a part of a year that is less than six months is disregarded. The acceptance of a lump-sum payment under this section does not deprive a person of any retirement benefits from the United States. However, there shall be deducted from each of his retirement payments so much thereof as is based on the service for which he has received payment under this section until the total amount deducted equals the amount of the lump-sum payment.”

§ 2150. Captains; continuation on active duty; involuntary retirement

(a) The Secretary may, whenever the needs of the service require, but not more often than an-

nually, convene a board consisting of not less than six officers of the grade of rear admiral (lower half) or rear admiral to recommend for continuation on active duty officers on the active duty promotion list serving in the grade of captain, who during the promotion year in which the board meets will complete at least three years' service in that grade and who have not been selected for promotion to the grade of rear admiral (lower half). Officers who are subject to retirement under section 2149 of this title during the promotion year in which the board meets shall not be considered by this board.

(b) Whenever he convenes a board under this section, the Secretary shall establish a continuation zone. The zone shall consist of the most senior captains eligible for consideration for continuation on active duty who have not previously been placed in a continuation zone under this section. The Secretary shall, based upon the needs of the service, prescribe the number of captains to be included in the zone.

(c) Based on the needs of the service the Secretary shall furnish the board with the number of officers that may be recommended for continuation on active duty. This number shall be no less than 50 percent of the number considered. The board shall select from the designated continuation zone, in the number directed by the Secretary, those officers who are, in the opinion of the board, best qualified for continuation on active duty.

(d) The provisions of sections 2108, 2109, 2115, and 2117 of this title relating to selection for promotion shall, to the extent that they are not inconsistent with the provisions of this section, apply to boards convened under this section.

(e) The Secretary shall prescribe by regulation the detailed procedures whereby officers in a continuation zone will be selected for continuation on active duty.

(f) A board convened under this section shall submit its report to the Secretary. If the board has acted contrary to law or regulation, the Secretary may return the report for proceedings in revision and resubmission to the Secretary. After his final review the Secretary shall submit the report of the board to the President for his approval. Except as required by the procedures of this section, the proceedings of the board shall not be disclosed to any individual who is not a member of the board.

(g) Each officer who is considered but not recommended for continuation on active duty under the provisions of this section shall, unless retired under some other provision of law, be retired on June 30 of the promotion year in which the report of the continuation board convened under this section is approved, or the last day of the month in which he completes twenty years of active service, whichever is later.

(h) Notwithstanding subsection (g) and section 2149 of this title, the Commandant may by annual action retain on active duty from promotion year to promotion year any officer who would otherwise be retired under subsection (g) or section 2149 of this title. An officer so retained, unless retired under some other provision of law, shall be retired on June 30 of that promotion year in which no action is taken to further retain the officer under this subsection.

DELEGATION OF AUTHORITY

Authority of President under subsec. (f) of this section to approve the report of a board convened to re-

commend for continuation on active duty officers serving in the grade of captain delegated to Secretary of Homeland Security by Ex. Ord. No. 14106, §1(f), Aug. 14, 2023, 88 F.R. 55905, set out in a note under section 2101 of this title.

§ 2151. Rear admirals and rear admirals (lower half); continuation on active duty; involuntary retirement

(a) The Secretary shall from time to time convene boards to recommend for continuation on active duty the most senior officers on the active duty promotion list serving in the grade of rear admiral (lower half) or rear admiral who have not previously been considered for continuation in that grade. Officers serving for the time being or who have served in or above the grade of vice admiral are not subject to consideration for continuation under this subsection, and as to all other provisions of this section shall be considered as having been continued at the grade of rear admiral. A board shall consist of at least 5 officers (other than the Commandant) serving in the grade of admiral or vice admiral or as rear admirals previously continued. Boards shall be convened frequently enough to assure that each officer serving in the grade of rear admiral (lower half) or rear admiral is subject to consideration for continuation during a promotion year in which that officer completes not less than four or more than five years combined service in the grades of rear admiral (lower half) and rear admiral.

(b) The Secretary shall, based upon the needs of the service, furnish each board convened under this section with the number of officers to be considered for continuation on active duty. The number that may be recommended for continuation shall be not less than 50 per centum or more than 75 per centum of the number of officers being considered for continuation.

(f)(1) Unless retired under another provision of law, each officer who is continued on active duty under this section shall, except as provided in paragraph (2), be retired on July 1 of the promotion year immediately following the promotion year in which that officer completes seven years of combined service in the grades of rear admiral (lower half) and rear admiral, un-

less that officer is selected for or serving in the grade of admiral or vice admiral or the position of Superintendent of the Coast Guard Academy.

(2) The Commandant, with the approval of the Secretary, may by annual action retain on active duty from promotion year to promotion year any officer who would otherwise be retired under paragraph (1). Unless selected for or serving in the grade of admiral or vice admiral or the position of Superintendent of the Coast Guard Academy, or retired under another provision of law, an officer so retained shall be retired on July 1 of the promotion year immediately following the promotion year in which no action is taken to further retain that officer under this paragraph.

(g)(1) Unless retired under another provision of law, an officer subject to this section shall, except as provided in paragraph (2), be retired on July 1 of the promotion year immediately following the promotion year in which that officer completes a total of thirty-six years of active commissioned service unless selected for or serving in the grade of admiral.

(2) The Commandant, with the approval of the Secretary, may by annual action retain on active duty from promotion year to promotion year any officer who would otherwise be retired under paragraph (1). Based on title 14, U.S.C., 1946 ed., §§ 35, 35a, 206 (May 26, 1906, ch. 2556, § 1, 34 Stat. 200; Jan. 28, 1915, ch. 20, § 1, 38 Stat. 800; Apr. 21, 1924, ch. 130, § 6, 43 Stat. 106; July 30, 1937, ch. 545, § 1, 50 Stat. 547; July 11, 1941, ch. 290, § 8, 55 Stat. 586; Aug. 18, 1941, ch. 364, § 3, 55 Stat. 629).

Section 35 of title 14, U.S.C., 1946 ed., has been divided. The provisions of the first sentence of subsection (a) are placed in this section. The proviso of subsection (a) is covered in section 367(b) of this title. Subsection (b) is placed in section 365 of this title. Subsections (c) and (d) are placed in section 367(a) of this title, except that part (3) of subsection (c) is covered by section 366 of this title.

Section 206 of title 14, U.S.C., 1946 ed., has been divided. That part dealing with special temporary enlistments is incorporated in this section. That part dealing with temporary appointments of warrant officers is placed in section 302 of this title.

Certain additional details concerning the two types of enlistments are added; these details were previously covered in Coast Guard Regulations.

This section makes provision for the enlistment of personnel in the Coast Guard. The first sentence grants the necessary authority to the Secretary, changes existing law in regard to the term of enlistment from “not to exceed four years” to “not to exceed six years”, and adds a provision for the enlistment of minors for their minority only, such provision being in accordance with existing law applicable to the Navy. The next three sentences establish and define the two types of enlistments that are now in effect in the Coast Guard, setting forth the basic difference in the two types. The last sentence continues a provision to the effect that original enlistments in the Coast Guard shall be temporary. This section is a combination of existing law and regulations in regard to enlistments, with changes as noted above. See title 14, U.S.C., 1946 ed., § 35, and Coast Guard Regulations, sections 531 and 532. 81st Congress, House Report No. 557.

In case the appointment or promotion was temporary the advancement on the retired list shall be made only to such grade or rating in which the member served satisfactorily on active duty.

(Aug. 4, 1949, ch. 393, 63 Stat. 522, §361; Aug. 3, 1950, ch. 536, §20, 64 Stat. 407; Pub. L. 98-557, §15(a)(3)(A), (G), (4)(C)(i), Oct. 30, 1984, 98 Stat. 2865; renumbered §2310, Pub. L. 115-282, title I, §113(b), Dec. 4, 2018, 132 Stat. 4221.)

HISTORICAL AND REVISION NOTES

Derived from title 34, U.S.C., 1946 ed., §§3501(a) and (b), 350j(b) (July 24, 1941, ch. 320, §10, 55 Stat. 605; Feb. 21, 1946, ch. 34, §8(a), 60 Stat. 28).

Said sections have application to officers only, but in accord with the general plan to make as many provisions as possible applicable both to officers and men, it seems highly desirable to provide similarly for enlisted men—a fortiori because there are cases in the Coast Guard in which enlisted men are suffering inequitably because there is no provision for advancing men on the retired list after they have been advanced in rating while serving on active duty after recall from the retired list. 81st Congress, House Report No. 557.

Editorial Notes**AMENDMENTS**

2018—Pub. L. 115-282 renumbered section 361 of this title as this section.

1984—Pub. L. 98-557 in section catchline substituted “enlisted member” for “man”, and in two places in text substituted “member” for “man”.

§ 2311. Retirement in cases where higher grade or rating has been held

Any enlisted member who is retired under any provision of section 2304, 2305, 2306, or 2307 of this title shall be retired from active service with the highest grade or rating held by him while on active duty in which, as determined by the Secretary, his performance of duty was satisfactory, but not lower than his permanent grade or rating.

HISTORICAL AND REVISION NOTES

Based on title 34, U.S.C., 1946 ed., §3501(e) (July 24, 1941, ch. 320, §10, 55 Stat. 605; Feb. 21, 1946, ch. 34, §8(a), 60 Stat. 28).

The requirement that the higher grade or rating be held prior to June 30, 1946, has been eliminated; this seems to be in line with the intent of Congress as expressed in section 303 of the act of June 29, 1948, ch. 708, 62 Stat. 1081. The act of July 24, 1941, 55 Stat. 605, was enacted primarily for application to Navy personnel but it is made applicable to Coast Guard personnel by its own terms (see title 34, U.S.C., 1946 ed., §350j(b)). 81st Congress, House Report No. 557.

2018—Pub. L. 115-282, §123(b)(2), substituted “section 2304, 2305, 2306, or 2307” for “section 353, 354, 355, or 357”.

Pub. L. 115-282, §113(b), renumbered section 362 of this title as this section.

1984—Pub. L. 98-557 substituted reference to enlisted member for reference to enlisted man.

1982—Pub. L. 97-295 substituted “of this title” for “of this chapter” after “357”.

1950—Act Aug. 3, 1950, struck out reference to section 356.

§ 2312. Extension of enlistments

Under regulations prescribed by the Secretary, the term of enlistment of any enlisted member may, by voluntary written agreement, be extended and re-extended for a period not exceeding six full years from the date of expiration of the then-existing term of enlistment, and subsequent to such date an enlisted member who so extends his term of enlistment shall receive the same pay and allowances in all respects as though regularly discharged and reenlisted immediately upon expiration of his term of enlistment. However, the total of all such extensions of an enlistment may not exceed six years. No such extension shall operate to deprive the enlisted member concerned, upon discharge at the termination thereof, of any right, privilege, or benefit to which he would have been entitled if his term of enlistment had not been so extended.

§ 2313. Retention beyond term of enlistment in case of disability

Any enlisted member of the Coast Guard in the active service whose term of enlistment expires while he is suffering disease or injury incident to service and not due to misconduct, and who is in need of medical care or hospitalization, may, with his consent, be retained in such service beyond the expiration of his term of enlistment. Any such enlisted member shall be entitled to receive at Government expense medical care or hospitalization and his pay and allowances, including credit for longevity, until he shall have recovered to such extent as would enable him to meet the physical requirements for reenlistment, or until it shall have been ascertained by competent authority of the Coast Guard that the disease or injury is of a character that recovery to such an extent would be impossible. Any enlisted member whose enlistment is so extended shall be subject to forfeitures in the same manner and to the same extent

as if his term of enlistment had not expired. Nothing contained in this section shall prevent any enlisted member from being held in the service without his consent under section 2314 of this title.

Under regulations prescribed by the Secretary, an enlisted member may be detained in the Coast Guard beyond the term of his enlistment:

(1) until the first arrival of the vessel on which he is serving at its permanent station, or at a port in a State of the United States or in the District of Columbia; or

(2) if attached to a shore station beyond the continental limits of the United States or in Alaska, until his first arrival at a port in any State of the United States or in the District of Columbia where his reenlistment or discharge may be effected, or until he can be discharged or reenlisted at his station beyond the continental limits of the United States or in Alaska, whichever is earlier, but in no event to exceed three months; or

AMENDMENTS

2018—Pub. L. 115-282, §123(b)(2), which directed amendment of this title by striking each reference to a section redesignated by title I of Pub. Sections 365 to 367 of this title were redesignated as sections 2312 to 2314 of this title by title I of Pub. L. 115-282, whereas section 368 of this title had previously been repealed by Pub. L. 97-322, title I, §115(b)(1), Oct. 15, 1982, 96 Stat. 1585.

HISTORICAL AND REVISION NOTES

Subsection (a) is new in this form, but the provision contained therein is expressed or implied in numerous

statutes relating to the retirement of military personnel.

A provision defining the next higher grade to that of commissioned warrant officer as lieutenant (junior grade), for purposes of retirement, was added.

The other provisions of said section are obsolete and are no longer needed.

Subsection (a) is new, but the provision contained in it is expressed or implied in numerous statutes relating to retirement of military personnel. It is believed desirable to include such a provision to prevent any misconstruction of retirement statutes, even though no change in existing law is intended on the point covered, either by other sections dealing with retirement or by this section.

Subsection (b) is a codification of the only provision of title 14, U.S.C., 1946 ed., § 174, that it is desired to retain, and in addition designated the next higher grade for commissioned warrant officers as lieutenant (junior grade) because the pay of the commissioned warrant officers is the same as for the grade of lieutenant (junior grade) and advancing such officers to the grade of ensign would in some aspects not appear to be a promotion. 81st Congress, House Report No. 557.

Pub. L. 117-263, div. K, title CXII, § 11241, Dec. 23, 2022, 136 Stat. 4039, provided that:

“(a) IN GENERAL.—Not later than 30 days after the date of enactment of this Act [Dec. 23, 2022], and annually thereafter, the Commandant [of the Coast Guard] shall submit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report that evaluates resignation and retirement processing timelines.

“(1) statistics on the number of resignations, retirements, and other separations that occurred;

“(3) the percentage of requests for such actions that had a command endorsement;

“(4) the percentage of requests for such actions that did not have a command endorsement; and

“(5) for each denial of a request for a command endorsement and each failure to take action on such a request, a detailed description of the rationale for such denial or failure to take such action.”

§ 2503. Status of recalled personnel

All retired personnel when recalled to active duty shall serve in the grade or rate in which they were serving at the time of retirement.

(Aug. 4, 1949, ch. 393, 63 Stat. 524, § 422; Pub. L. 99-348, title II, § 205(b)(10), July 1, 1986, 100 Stat. 700; renumbered § 2503, Pub. L. 115-282, title I, § 114(b), Dec. 4, 2018, 132 Stat. 4223.)

HISTORICAL AND REVISION NOTES

This provision is desirable because many enlisted men and low-ranking officers may now retire with higher grade which they previously held on a temporary basis. If recalled in the higher grades, they might not be capable of holding same at the time of recall. 81st Congress, House Report No. 557.

(b) The retired pay of a member who first became a member of a uniformed service (as defined in section 101 of title 10) on or after September 8, 1980, is determined by multiplying—

HISTORICAL AND REVISION NOTES

Based on title 14, U.S.C., 1946 ed., § 15k (Apr. 20, 1939, ch. 75, 53 Stat. 582).

The limitation on the amount for such contingencies is increased, and the amount is made available to the Commandant rather than solely to the Superintendent of the Academy as now prescribed by law. The authorization is to cover expenditures incident to the offices of the Commandant and the Superintendent of the Academy. The intent is that the amount authorized will be administered in a manner similar to that now employed by the Superintendent of the Academy under the authority of 14 U.S.C., § 15k. 81st Congress, House Report No. 557.

(Aug. 4, 1949, ch. 393, 63 Stat. 532, § 477; renumbered § 2704, Pub. L. 115-282, title I, § 116(b), Dec. 4, 2018, 132 Stat. 4226.)

HISTORICAL AND REVISION NOTES

Derived from title 5, U.S.C., 1946, ed., § 118g (Aug. 2, 1946, ch. 744, § 13, 60 Stat. 809).

Because of the wide variety of tasks assigned to Coast Guard personnel it is deemed advisable to broaden this authority to the more general language as rewritten, insofar as Coast Guard personnel are concerned, thus giving complete authority to protect their health.

Said section would in no way be affected.

Inasmuch as the act cited above applies to executive departments generally, it is not scheduled for repeal by this act. 81st Congress, House Report No. 557.

Editorial Notes**PRIOR PROVISIONS**

HISTORICAL AND REVISION NOTES

Subsection (a) is based on title 14, U.S.C., 1946 ed., §167b-2 (June 21, 1930, ch. 563, §2, 46 Stat. 793).

Inasmuch as the act cited above applies equally to the Navy and Marine Corps as well as the Coast Guard, it is not scheduled for repeal but is being amended by section 12 of this act to eliminate reference to the Coast Guard.

Subsection (b) is new to the Coast Guard, although it has been the practice for retired officers to wear the uniform when they so desire. Such authority is granted to retired officers of the Navy (see title 34, U.S.C., 1946 ed., §389).

Changes were made in phraseology. 81st Congress, House Report No. 557.

Editorial Notes**AMENDMENTS**

2018—Pub. L. 115-282 renumbered section 483 of this title as this section.

(Aug. 4, 1949, ch. 393, 63 Stat. 533, §484; renumbered §2707, Pub. L. 115-282, title I, §116(b), Dec. 4, 2018, 132 Stat. 4226.)

HISTORICAL AND REVISION NOTES

Based on title 14, U.S.C., 1946 ed., §39 (Aug. 29, 1916, ch. 418, §1, 39 Stat. 649).

The assimilation is made in general terms, rather than by reference to the applicable section in title 10, U.S.C., 1946 ed. 81st Congress, House Report No. 557.

Editorial Notes**AMENDMENTS**

2018—Pub. L. 115-282 renumbered section 484 of this title as this section.

§ 2708. Clothing for officers and enlisted personnel

(a) The Coast Guard may purchase uniforms, accouterments, and related equipment for sale to officer personnel and cadets of the Coast Guard.

(b) The Coast Guard may purchase uniform clothing for sale to enlisted personnel of the Coast Guard. The actual cost of the clothing thus sold to enlisted personnel may be withheld from their pay.

(Aug. 4, 1949, ch. 393, 63 Stat. 534, §485; Aug. 3, 1950, ch. 536, §33, 64 Stat. 408; Pub. L. 87-649, §14d(4), Sept. 7, 1962, 76 Stat. 502; renumbered §2708, Pub. L. 115-282, title I, §116(b), Dec. 4, 2018, 132 Stat. 4226.)

HISTORICAL AND REVISION NOTES

Subsection (a) is based on title 14, U.S.C., 1946 ed., §30 (Jan. 12, 1919, ch. 8, 40 Stat. 1054). Said section was changed to have application to the Coast Guard at all times, rather than when the Coast Guard is operating with the Navy.

Inasmuch as the act cited above applies equally to the Navy and Marine Corps as well as the Coast Guard, it is not scheduled for repeal but is being amended by section 9 of this act to eliminate reference to the Coast Guard.

Subsection (b) is based on title 14, U.S.C., 1946 ed., §13, and on title 33, U.S.C., 1946 ed., §754 (July 1, 1898, ch. 346, §1, 30 Stat. 604; July 27, 1912, ch. 255, §2, 37 Stat. 239). Said section 13 was changed to have application to all enlisted personnel rather than to “crews of vessels in service” only. The provision of said section 754 which provided for the sale of clothing to civilian employees is eliminated as becoming obsolete.

Subsection (c) is new. Title 37, U.S.C., 1946 ed., §110 authorizes the payment of a cash allowance in case clothing is not furnished to enlisted persons of the Coast Guard. Clearly this presumes the authority to

issue clothing to enlisted persons; this section makes the authority statutory. 81st Congress, House Report No. 557.

Editorial Notes

AMENDMENTS

2018—Pub. L. 115-282 renumbered section 485 of this title as this section.

1962—Subsec. (c). Pub. L. 87-649 repealed subsec. (c) which permitted the Coast Guard to purchase uniform clothing for distribution to enlisted personnel or to pay such enlisted personnel a cash clothing allowance.

1950—Subsec. (c). Act Aug. 3, 1950, struck out “to” after “or”.

Such stores as the Secretary may designate may be procured and sold to members of the Coast Guard, and to the surviving spouses of such members. HISTORICAL AND REVISION NOTES

Derived from title 34, U.S.C., 1946 ed., § 533 (Mar. 3, 1909, ch. 255, 35 Stat. 768; Apr. 14, 1937, ch. 78, 50 Stat. 63; June 10, 1939, ch. 196, 53 Stat. 814; Jan. 23, 1942, ch. 15, 56 Stat. 13; Apr. 9, 1943, ch. 39, 57 Stat. 60).

Said section granted authority for the Secretary of the Navy to sell designated stores to officers and enlisted men. It is deemed desirable to grant similar authority to the Secretary having control of the Coast Guard.

Said section would in no way be affected. 81st Congress, House Report No. 557.

Said section has been divided. That part relating to rewards for the apprehension of deserters is placed in this section. That part relating to the acceptance of convicted deserters in the armed forces is placed in section 575 of this title. The first sentence of said section is eliminated inasmuch as it is believed that commanding officers in the Coast Guard are charged with the duty of apprehending deserters without special statutory authority therefor.

(a) The Secretary may, under regulations prescribed by him, award a Life-saving medal of gold or silver to any individual, including personnel of the Coast Guard, who rescues or endeavors to rescue any other individual from drowning, shipwreck, or other peril of the water in accordance with the following provisions:

(1) if such rescue or attempted rescue is made at the risk of one's own life and evidences extreme and heroic daring, the medal shall be of gold;

(2) if such rescue or attempted rescue is not sufficiently distinguished to deserve the medal of gold, but evidences the exercise of such signal exertion as to merit recognition, the medal shall be of silver.

(b) In order for an individual to be eligible for the Life-saving Medals the rescue or attempted rescue must take place in waters within the United States or subject to the jurisdiction thereof, or if the rescue or attempted rescue takes place outside such waters, one or the other of the parties must be a citizen of the United States or from a vessel or aircraft owned or operated by citizens of the United States.

(c) No individual shall receive more than one gold medal and one silver medal; but any individual who has received or may hereafter receive a gold or silver medal and who again performs an act which would entitle him to receive another medal of the same class may be awarded, in lieu of a second medal of the same class, a gold or silver bar, as the case may be, to be worn with the medal already bestowed, and for every such additional act, an additional bar may be awarded. Medals and bars in lieu thereof, authorized by this subsection, may be awarded posthumously.

HISTORICAL AND REVISION NOTES

Based on title 14, U.S.C., 1946 ed., §§ 193, 194, 195, 196 (June 20, 1874, ch. 344, § 7, 18 Stat. 127; June 18, 1878, ch. 265, § 12, 20 Stat. 165; May 4, 1882, ch. 117, § 9, 22 Stat. 57; Jan. 21, 1897, ch. 83, 29 Stat. 494).

Said sections have been rewritten so as to make the awarding of Life-saving medals turn on whether or not the United States has an interest in the heroic act, rather than on technical jurisdictional grounds. Under existing law the award of a medal could be made in any case in which the rescuer or the rescued was a citizen

of the United States, or was from a vessel owned or operated by the United States regardless of where the rescue took place; and if the rescue took place within waters of the United States the award could be made to an alien.

The existing law relating to the Treasury Department Life-Saving Medal contained in title 14, U.S.C., 1946, ed., §§192–196, has long needed revision. The existing law is composed of a series of statutes enacted separately between 1874 and 1897, and the result has not been entirely unsatisfactory. The original statute, enacted in 1874 (title 14, U.S.C., 1946 ed., §193), provided for Life-saving medals of the first and second class to be bestowed “upon any persons who shall hereafter endanger their own lives in saving, or endeavoring to save lives from the perils of the sea, within the United States, or upon any American vessel”. The medal of the first class was confined to cases of “extreme and heroic daring” and the medal of the second class was to be awarded “in cases not sufficiently distinguished to deserve the medal of the first class”. Then in 1878 another act was passed (title 14, U.S.C., 1946 ed., §194) authorizing the bestowal of the medal of the second class “upon persons making such signal exertions in rescuing and succoring the shipwrecked, and saving persons from drowning” as, in the opinion of the Secretary of the Treasury, merited recognition. These two sections were construed by the Attorney General to be limited to the rescue of persons who were subjected to the perils of the sea in any waters of the United States in the vicinity of any lifeboat station, life-saving station, or house of refuge. And the person upon whom the medal could be bestowed was limited to members of life-saving crews. (1895) Op. Att. Gen. 124. Thereupon, in 1897, an act was passed which provided that the two earlier acts should “be construed so as to empower the Secretary of the Treasury to bestow such medals upon persons making signal exertions in rescuing and succoring the shipwrecked and saving persons from drowning in waters over which the United States has jurisdiction, whether the said persons making such exertions were or were not members of the Life-Saving Service or whether or not such exertions were made in the vicinity of a life-saving station”. (Title 14, U.S.C., 1946 ed., §196.) This act was designed to give a more liberal application to the two earlier acts, and all three were to be read as one. (1900) 23 Op. Att. Gen. 78. However, difficult questions of interpretation have arisen because of the different jurisdictional language in the three acts. For example, title 14, U.S.C., 1946 ed., §193, refers to rescues “within the United States”, while title 14, U.S.C., 1946 ed., §196, refers to rescues “in the waters over which the United States has jurisdiction”. The need for clarification is obvious. Subsection (a) authorizes the awarding of the medal to any person, including Coast Guard personnel, who rescues or endeavors to rescue any person from drowning, shipwreck, or peril of the water. If the rescue or attempted rescue is at the risk of one’s own life and evidences extreme and heroic daring, the medal shall be of gold, and if the rescue or attempted rescue is not sufficiently distinguished to deserve the gold medal, but evidences the exertion of such signal exertion as to merit recognition, the medal shall be of silver. Thus, the acts for which the medals are to be awarded are defined simply and without any geographical or jurisdictional limitations. The difficulty with the existing law is the attempt to define the required deed together with those limitations. Subsection (a) does not change existing law insofar as the type of act necessary for the medals is concerned; it merely simplifies and clarifies existing law.

Subsection (b) contains the jurisdictional limitations on the awarding of the medal and broadens, to a considerable extent, the provisions of existing law. It is the intent of this subsection to authorize the awarding of a medal in all cases where the United States has a legitimate interest in recognizing meritorious acts, such as where a United States citizen performs the act, or where a United States citizen is rescued, or where United States waters or United States vessels or air-

craft are involved. Accordingly, rescues by United States citizens anywhere in the world will be recognized. Any person, including persons not citizens of the United States, may receive medals if the rescue or attempted rescue takes place in waters within the United States or subject to its jurisdiction or, in cases of rescues outside such waters, if either the rescuer or the person rescued is from a United States vessel or aircraft, or the person rescued is a United States citizen. Thus, every case in which the United States government has an interest is provided for. A United States citizen who performs a heroic act sufficient to justify a medal in state waters, or in foreign waters, could not receive one under existing law, but could receive such award under this proposed revision. The awarding of medals should not turn on technical jurisdictional grounds; it should turn rather on the interest of the United States to recognize noble and heroic acts.

Subsection (c) dealing with the awarding of bars for additional acts, clarifies, but does not change title 14, U.S.C., 1946 ed., §195, except that authority is granted to award medals posthumously. 81st Congress, House Report No. 557.

HISTORICAL AND REVISION NOTES

Based on title 14, U.S.C., 1946 ed., §§20a, 121 (May 18, 1920, ch. 190, §8, 41 Stat. 603; June 10, 1922, ch. 212, 42 Stat. 625; July 3, 1926, ch. 742, §10, 44 Stat. 817).

Said section 121 was omitted from the 1940 and 1946 editions of the U.S. Code, but it has been held that the assimilation provision thereof is inoperative only insofar as Congress has made specific legislative provision for the Coast Guard, and that benefits derived from legislation pertaining to the Navy previously conferred upon the Coast Guard, and not provided for in subsequent legislation, survive to the Coast Guard under the assimilation statute. (See 27 Comp. Dec. 234; 22 Comp. Gen. 723; decision of June 9, 1947, B-63472; decision of April 2, 1948, B-70438; and decision of September 2, 1948, B-77295.)

It seems desirable to retain this assimilation provision as to pay in order to cover any failure to provide specifically for the Coast Guard in military pay legislation.

This section assimilates the pay of military personnel of the Coast Guard to the pay of military personnel of the Navy. It seems that this is the most feasible method of insuring that the pay of military personnel of the Coast Guard will not vary from the pay of military personnel of the other armed forces. The assimilation is intended to include authorization for extra pay and allowances as provided for personnel of the Navy, for all types of special duty: for example, qualified divers on diving duty, military personnel assigned to submarine duty, military personnel assigned to aviation duty, officers assigned as aides to flag officers, and enlisted persons assigned to duty in the mess detail. Military pay acts are intended to include Coast Guard personnel specifically; this section would cover any failure to so provide for Coast Guard personnel in a pay act.

Changes were made in phraseology. 81st Congress, House Report No. 557.

AMENDMENTS

2021—Pub. L. 116-283, §8505(a)(40)(A), substituted “an individual’s” for “a person’s” in introductory provisions.

Par. (1). Pub. L. 116-283, §8505(a)(40)(B), substituted “individual” for “person”.

2018—Pub. L. 115-282 renumbered section 461 of this title as this section.

2016—Pub. L. 114-120 amended section generally. Prior to amendment, text read as follows: “If he considers it in the best interest of the United States, the Secretary may have remitted or canceled any part of an enlisted member’s indebtedness to the United States or any of its instrumentalities remaining unpaid before or at the time of, that member’s honorable discharge.”

Par. (1). Pub. L. 114-328 substituted “as a member of the Coast Guard, whether as a regular or a reserve in active status” for “on active duty as a member of the Coast Guard”.

1976—Pub. L. 94-546 substituted “Secretary” for “Secretary of the Treasury”.

1967—Pub. L. 90-83 corrected section 73(a)(3) of Pub. L. 89-718 to change the designation of sections repealed

under Pub. L. 87-649 from sections 471(a) and (b) of Title 14 to sections 461(a) and (b) of Title 14. See 1966 Amendment note below.

1966—Pub. L. 89-718, §73(a)(3), amended section 14d of Pub. L. 87-649, which contained in cls. (1) to (6) list of sections of Title 14 repealed by Pub. L. 87-649, by inserting “(7) Section 471(a) and (b).” However, for purposes of codification, the repeal has been executed to former subsecs. (a) and (b) of this section, which provided respectively for the awarding of the same pay and allowances as prescribed for corresponding ranks, grades, or ratings for personnel of the Navy and for the withholding of pay of officers on account of indebtedness to the United States, since this appears to have been the intent of Congress.

Pub. L. 89-718, §73(c)(1), struck out references to pay and allowances and pay of officers indebted to the United States from section catchline and struck out letter designation “(c)” from beginning of former subsec. (c), leaving text of former subsec. (c) as constituting entire text of section.

1962—Pub. L. 87-526, §1(1)(A), amended section catchline to provide for remission of indebtedness of enlisted members.

Subsec. (c). Pub. L. 87-526, §1(1)(B), added subsec. (c). 1954—Act Sept. 3, 1954 inserted “; pay of officers indebted to United States” in section catchline, designated existing provisions as subsec. (a), and added subsec. (b).

The provisions of said section 134 are extended to include all persons who might be entitled to receive money for commuted rations, rather than only the officer in charge of the mess.

The last proviso of said section 135 is eliminated, because experience during the past 2 years shows that it may react detrimentally on enlisted men in time of rising food costs.

(c) If a claim is filed under this section with the Secretary of Labor for benefits because of an alleged injury or death, the Secretary of Labor shall notify the Commandant who shall direct an investigation into the facts surrounding the alleged injury or death. (C) 25 percent under subsection (a)(4) of that section, if one parent was wholly dependent for support upon the deceased member at the time of the member’s death and the other was not dependent to any extent; 16 percent to each if both were wholly dependent; and if one was, or both were, partly dependent, a proportionate amount in the discretion of the Secretary of Labor;

(2) payments may not be made under subsection (a)(5) of that section; and

(3) the Secretary of Labor shall inform the Commissioner of Social Security whenever a claim is filed and eligibility for compensation is established under subsection (a)(2) or (a)(3) of section 8133 of title 5. The Commissioner of Social Security shall then certify to the Secretary of Labor whether or not the member concerned was fully or currently insured under title II of the Social Security Act at the time of the member’s death.

§ 3710. Reserve student pre-commissioning assistance program

(a) The Secretary may provide financial assistance to an eligible enlisted member of the Coast Guard Reserve, not on active duty, for expenses of the member while the member is pursuing on a full-time basis at an institution of higher education a program of education approved by the Secretary that leads to—

- (1) a baccalaureate degree in not more than 5 academic years; or
- (2) a post-baccalaureate degree.

(b)(1) To be eligible for financial assistance under this section, an enlisted member of the Coast Guard Reserve shall—

(A) be enrolled on a full-time basis in a program of education referred to in subsection (a) at any institution of higher education; and

(B) enter into a written agreement with the Coast Guard described in paragraph (2).

(2) A written agreement referred to in paragraph (1)(B) is an agreement between the member and the Secretary in which the member agrees—

(A) to accept an appointment as a commissioned officer in the Coast Guard Reserve, if tendered;

(B) to serve on active duty for up to five years; and

(C) under such terms and conditions as shall be prescribed by the Secretary, to serve in the Coast Guard Reserve until the eighth anniversary of the date of the appointment.

(c) Expenses for which financial assistance may be provided under this section are the following:

(1) Tuition and fees charged by the institution of higher education involved.

(2) The cost of books.

(3) In the case of a program of education leading to a baccalaureate degree, laboratory expenses.

AMENDMENTS

Pub. L. 115-282, §118(b), renumbered section 723 of this title as this section.

§ 3735. Authorized number of officers

(a) The authorized number of officers in the Reserve in an active status is 5,000. Reserve officers on an active-duty list shall not be counted as part of the authorized number of officers in the Reserve. The actual number of Reserve officers in an active status at any time shall not exceed the authorized number unless the Secretary determines that a greater number is necessary for planned mobilization requirements, or unless the excess results directly from the operation of law.

(b)(1) The Secretary shall make, at least once each year, a computation to determine the number of Reserve officers in an active status authorized to be serving in each grade. The number in each grade shall be computed by applying the applicable percentage to the total number of such officers serving in an active status on the date the computation is made. The number of Reserve officers in an active status below the grade of rear admiral (lower half) shall be distributed by pay grade so as not to exceed percentages of commissioned officers authorized by section 2103(b) of this title. When the actual number of Reserve officers in an active status in a particular pay grade is less than the maximum percentage authorized, the difference may be applied to the number in the next lower grade. A Reserve officer may not be reduced in rank or grade solely because of a reduction in an authorized number as provided for in this subsection, or because an excess results directly from the operation of law.

(2) The authorized number of Reserve Officers in an active status not on active duty in the grades of rear admiral (lower half) and rear admiral is a total of two. However, the Secretary of the department in which the Coast Guard is operating may authorize an additional number of Reserve officers not on active duty in the grades of rear admiral (lower half) and rear admiral as necessary in order to meet planned mobilization requirements.

(c) DEFERRAL OF LIMITATION.—If at the end of any fiscal year there is in effect a declaration of war or national emergency, the President may defer the effectiveness of any end-strength limitation with respect to that fiscal year prescribed by law for any military or civilian component of the Coast Guard Reserve, for a period not to exceed 6 months after the end of the war or termination of the national emergency.

(c) A Reserve officer shall, when on the active duty promotion list, be promoted in the same manner as any other officer on the active duty promotion list regardless of the length of active duty service of the Reserve officer.

The officer initially assigned as a running mate under this section shall be that officer on the active duty promotion list of the same grade who is next senior in precedence to the Reserve officer concerned. An officer who has twice failed of selection or who has been considered but has not been recommended for continuation under section 2150 of this title shall not be assigned as a running mate under this section.

(b) A Reserve officer in an active status not on the active duty promotion list shall be assigned a new running mate as follows:

If the previous running mate was on a list of selectees for promotion, the new running mate shall be that officer on the active duty promotion list, of the same grade, who is on a list of selectees for promotion and who is next senior to the previous running mate.

(3) If a Reserve officer is considered for promotion and fails of selection, fails to qualify for promotion, declines an appointment after being selected for promotion, or has his or her name removed from a list of selectees for promotion, and that officer's running mate is promoted, the new running mate shall be that officer on the active duty promotion list, of the same grade, who, at the time the previous running mate was considered for promotion, was next senior to the previous running mate, was eligible for consideration for promotion, and whose name was not included on a list of selectees for promotion.

(4) In a situation not expressly covered by this subsection, the Secretary may assign a new running mate as necessary to effect the intent of this section that inequitable changes of precedence do not occur.

(c) A Reserve officer on the active duty promotion list shall, to the extent practicable and consistent with the limitations imposed by this section, be assigned as the running mate of all Reserve officers junior to the officer, who are in an active status not on the active duty promotion list, and who had a running mate in common with the officer just prior to the time the officer was placed on the active duty promotion list.

(d) The Secretary may adjust, as necessary, the date of rank of a Reserve officer not on active duty so that the date will correspond with that of the running mate assigned to the officer in accordance with this section. If an overpayment of pay or allowances results from adjusting the date of rank, the overpayment is not subject to recoupment.

§ 3740. Promotion; recommendations of selection boards

(a) Except as otherwise provided by law, a Reserve officer shall only be promoted pursuant to the recommendation of a selection board.

(b) The Secretary shall convene selection boards from time to time to recommend Reserve officers for promotion to the next higher grade. A board may be convened to consider officers in one or more grades.

(c) A selection board shall, from among the names of those eligible Reserve officers submitted to it, recommend for promotion to the next higher grade:

(1) those officers serving in the grade of lieutenant (junior grade) or above whom it considers to be best qualified; and

(2) those officers serving in the grade of ensign whom it considers to be fully qualified.

(d)(1) Before convening a selection board to recommend Reserve officers for promotion, the Secretary shall establish a promotion zone for officers serving in each grade to be considered by the board. The Secretary shall determine the number of officers in the promotion zone for officers serving in any grade from among officers who are eligible for promotion in that grade.

(2)(A) Before convening a selection board to recommend Reserve officers for promotion to a grade (other than the grade of lieutenant (junior grade)), the Secretary shall determine the maximum number of officers in that grade that the board may recommend for promotion.

(B) The Secretary shall make the determination under subparagraph (A) of the maximum number that may be recommended with a view to having in an active status a sufficient number of Reserve officers in each grade to meet the needs of the Coast Guard for Reserve officers in an active status.

(C) In order to make the determination under subparagraph (B), the Secretary shall determine the following:

(i) The number of positions needed to accomplish mission objectives that require officers in the grade to which the board will recommend officers for promotion.

(ii) The estimated number of officers needed to fill vacancies in such positions during the period in which it is anticipated that officers selected for promotion will be promoted.

(iii) The number of officers authorized by the Secretary to serve in an active status in the grade under consideration.

(iv) Any statutory limitation on the number of officers in any grade authorized to be in an active status.

(3)(A) The Secretary may, when the needs of the Coast Guard require, authorize the consideration of officers in a grade above lieutenant (junior grade) for promotion to the next higher grade from below the promotion zone.

(B) When selection from below the promotion zone is authorized, the Secretary shall establish the number of officers that may be recommended for promotion from below the promotion zone. That number may not exceed the number equal to 10 percent of the maximum number of officers that the board is authorized to recommend for promotion, except that the Secretary may authorize a greater number, not to exceed 15 percent of the total number of officers that the board is authorized to recommend for promotion, if the Secretary determines that the needs of the Coast Guard so require. If the maximum number determined under this subparagraph is less than one, the board may recommend one officer for promotion from below the promotion zone.

(C) The number of officers recommended for promotion from below the promotion zone does not increase the maximum number of officers that the board is authorized to recommend for promotion under paragraph (2).

(e) The law and regulations relating to the selection for promotion of a commissioned officer of the Regular Coast Guard to the grades of rear admiral (lower half) and rear admiral apply to a Reserve officer, except that to be eligible for consideration for promotion to the grade of rear admiral (lower half) an officer shall have completed at least ten years commissioned service, of which the last five years shall have been served in the Coast Guard Reserve.

(f) The provisions of section 2117 of this title apply to boards convened under this section. The Secretary shall determine the procedure to be used by a selection board.

(g) The report of a selection board shall be submitted to the Secretary for review and transmission to the President for approval. When an officer recommended by a board for promotion is not acceptable to the President, the President may remove the name of that officer from the report of the board.

(h) The recommendations of a selection board, as approved by the President, constitute a list of selectees from which the promotions of Reserve officers shall be made. An officer on a list of selectees remains thereon until promoted unless removed by the President under section 3749 of this title. If an existing list of selectees has not been exhausted by the time a later list has been approved, all officers remaining on the older list shall be tendered appointments prior to those on the later list.

(i) A Reserve officer whose name is on a list of selectees for promotion shall, unless that officer's promotion is lawfully withheld, be tendered an appointment in the next higher grade on the date a vacancy occurs, or as soon thereafter as practicable in the grade to which the officer was selected for promotion or, if promotion was determined in accordance with a running mate system, at the same time, or as soon thereafter as practicable, as that officer's running mate is tendered a similar appointment.

Subsec. (f). Pub. L. 115-282, §123(b)(2), substituted “section 2117” for “section 260”.

2000—Subsec. (d). Pub. L. 106-398 amended subsec. (d) generally. Prior to amendment, subsec. (d) read as follows: “Before convening a selection board to recommend Reserve officers for promotion to a grade above lieutenant (junior grade), the Secretary shall determine the total number of Reserve officers to be selected for promotion to that grade. The number to be selected shall normally be equal to the number of vacancies existing in that grade, plus the number of vacancies anticipated over the next twelve months, minus the number of officers on the list of selectees for that grade. The Secretary may, however, prescribe regulations that provide for the establishment of promotion opportunity percentages for each grade to ensure that equitable promotion opportunities exist among successive groups of Reserve officers being considered for promotion. The number so determined may not cause the number of Reserve officers in an active status in a grade to exceed that authorized for the grade concerned.”

1983—Subsec. (e). Pub. L. 97-417 substituted “the grades of commodore and rear admiral” for “the grade of rear admiral”, and inserted “for promotion to the grade of commodore” after “consideration”.
